## POWER PERSONIFIED BY BOLD STYLE

MOST TECHNOLOGICALLY  
ADVANCED ALL-WHEEL-  
DRIVE SYSTEM IN ITS CLASS<sup>1\*</sup>

CANADA'S BEST-SELLING  
ENGINE<sup>2</sup> — THE STANDARD  
3.6L PENTASTAR™ VVT V6

CANADA'S BEST-SELLING  
V8 ENGINE<sup>3</sup> —  
THE 5.7L HEMI® VVT V8

MOST LUXURIOUS VEHICLE IN ITS CLASS<sup>4</sup>

The athletic profile and face of the Chrysler 300 bring forth distinctive grilles and iconic design worthy of all that their wings carry. This commanding full-size sedan's sculpted aerodynamics, elegant interiors and advanced technology make 300 a benchmark for powerful luxury. It offers premium engineering with the most technologically advanced all-wheel-drive (AWD) system in its class<sup>1</sup> available on all V6 models, along with Best-in-Class AWD fuel efficiency.<sup>5†</sup>

THE FORMULA FOR GETTING AHEAD

The standout characteristics of the Chrysler 300 are always ready to perform with Canada's Best-Selling engine<sup>2</sup>, the standard 3.6L Pentastar Variable Valve Timing (VVT) V6, along with the Class-Exclusive<sup>1</sup> TorqueFlite® 8-speed automatic transmission. Additionally, Canada's Best-Selling V8 engine<sup>3</sup>, the available 5.7L HEMI VVT V8, gives drivers a taste of the sweet spot of power and efficiency.

\*All disclaimers and disclosures can be found on the back cover.

<sup>†</sup>Based on 2018 *EnerGuide* ratings. See page 19 for full details.

# THE LUXURY OF TIMELESS ELEGANCE

| 300C interior shown in Indigo and Linen and optional premium leather interior |

## AWARD-WINNING INTERIOR FINISHES

The 300C Award-Winning interior reveals an appreciation for classically exquisite style produced with premium materials. Recline in the comfort of premium quilted and perforated Nappa leather-faced seats, heated and ventilated front seats, as well as heated rear seats. The elegant interior's rich matte-finish Mocha real wood accents offer aesthetic warmth, while a heated two-tone leather-wrapped steering wheel with Chrome accent ring fits your grip like a warm leather glove. The available leather-wrapped dash, door bolsters and centre console make every touchpoint sumptuous, along with the ultimate convenience of Class-Exclusive<sup>1</sup> heated and cooled front cup holders.

## COMFORT IS IN THE DETAILS

The spaciousness of the Chrysler 300 offers an inviting environment from the hectic world. The welcoming feel of premium materials and ergonomically designed seats help the driver and passengers alike find a peaceful and personal space to call their own. When heated, the driver and front-passenger seats offer two settings, or ventilated front seats are also offered for faster cooling in warmer weather. With the remote start system and heated seats, optional on Touring and standard on all other models, the driver's heated seat and the heated steering wheel will automatically activate based on outdoor temperature. Driver conveniences like standard Keyless Enter 'n Go<sup>TM</sup> with proximity entry and push-button start, and the smooth, automatic gear selection of the Class-Exclusive<sup>1</sup> electronic Rotary E-shift, are nearly effortless.

BEST-IN-CLASS<sup>5</sup> AWD  
FUEL EFFICIENCY —  
8.7 L/100 KM HWY\*

300S shown in Gloss Black

## SEAMLESS PERFORMANCE TAKES NOTICE

### CANADA'S BEST-SELLING ENGINE<sup>2</sup>

The standard 3.6L Pentastar™ VVT V6 yields a Best-in-Class<sup>5</sup> V6 fuel efficiency rating of 7.8 L/100 km (36 mpg) highway,\* while producing a robust 292 horsepower and 260 lb-ft of torque (300 hp and 264 lb-ft on 300S). All-wheel-drive (AWD) models benefit from an active transfer case with front-axle disconnect, helping to make it the most technologically advanced AWD system in its class.<sup>1</sup> Achieving a Best-in-Class<sup>5</sup> AWD fuel efficiency rating of 8.7 L/100 km (32 mpg) highway,\* the system seamlessly transfers from rear-wheel drive (RWD) to AWD as needed, returning to RWD when driving conditions warrant to maximize fuel economy.

### LEGENDARY 5.7L HEMI® VVT V8 WITH FUELSAVER MULTI-DISPLACEMENT SYSTEM (MDS)

Canada's Best-Selling V8 Engine,<sup>3</sup> the available 5.7L HEMI VVT V8 with FuelSaver MDS, delivers an impressive combination of V8 horsepower and a remarkable fuel efficiency rating of 9.4 L/100 km (30 mpg) highway,\* optimized by the Class-Exclusive<sup>1</sup> TorqueFlite® 8-speed automatic transmission. FuelSaver MDS technology seamlessly alternates between four-cylinder mode when less power is needed — and all eight cylinders when required. The result is acceleration that meets your demands with 363 horsepower and a surprising punch of 394 lb-ft of torque.

### CLASS-EXCLUSIVE<sup>1</sup> TORQUEFLITE 8-SPEED AUTOMATIC TRANSMISSION

The standard TorqueFlite 8-speed automatic transmission provides world-class shift quality, outstanding fuel efficiency and commanding performance, thanks to a wide gear-ratio spread. A low first gear ensures quick takeoff, while close fifth- through eighth-gear ratios deliver smooth shifting and a lower cruising RPM for refined performance and optimal fuel economy.

### SPURRED ON BY SPORT MODE DYNAMICS

Sport mode amplifies the ride and handling on select 300 models by engaging the S gear on the Rotary E-shift. When selected, it enables more aggressive engine and transmission calibration, increased accelerator-pedal response and manual shift mode controlled by the steering wheel-mounted paddle shifters. The Sport button on the instrument panel centre stack activates Sport-tuned Electric Power Steering (EPS), enhancing the driving experience.

\*Based on 2018 *EnerGuide* ratings. See page 19 for full details.

# 300S — DESIGNED FOR THE DRIVEN

300S shown in Gloss Black

## COMMANDING BRILLIANCE

The distinctive finishes available on the 300S Alloy Edition Package offer an alluring combination of warm and cool hues and special metalworks styling. The exterior features Dark Bronze upper and lower grille surrounds, Dark Bronze aluminum wheels, a Liquid Titanium Chrome Chrysler wing badge, Dark Bronze badging and Titanium-finish exhaust tips. The interior mixes Black Nappa leather with Caramel stitched surfaces and highlighted by Titanium-finish accents to give this model the attitude to take home the fashion-forward medal.

## TRENDSETTING ILLUMINATION

The 300S adds LED taillamps with Black surrounds, distinctive headlamps with Black bezels along with LED fog lamps, and a Gloss Black daylight-opening (DLO) surround moulding, giving it an extra beam of brilliance. The available High Intensity Discharge (HID) headlamps and Auto High-Beam Headlamp Control adjust to optimize the driver's view of the road ahead.

Black Nappa leather-faced "S" sport seats

20-inch Hyper Black aluminum wheels

Gloss Black "S" grille and Black Chrome surround

## THE S FACTOR INSIDE

Showcasing the 300S interior style, Black Nappa leather-faced performance seats are distinctively contrasted with Light Diesel or Smoke accent stitching. The leather-wrapped steering wheel with paddle shifters and accent stitching further brand this model with an attitude. You'll be inclined to switch to Sport mode and turn up your tunes on the 10-speaker BeatsAudio™ premium sound system, standard on the Chrysler 300S.

## POSITION OF AUTHORITY

An undeniable presence of the 300S model combines a Black Chrome surround with the Gloss Black "S" grille, a Black Chrome lower front-fascia accent strip, 20-inch Hyper Black aluminum wheels on rear-wheel-drive models, and an available Black roof to make a bold statement.

Equipping the 300S with the forceful 5.7L HEMI® VVT V8 engine gives it enhanced ambition to own the road. With the added performance comes the S Model Appearance Package, including body-colour rear spoiler and fascia accent, lower grille close-out panels and premium fog lamps enhancing the road-hugging styling cues.

## STAY IN TOUCH WITH UCONNECT®

Remain focused on the road with your hands on the wheel, as you communicate, navigate and stay entertained with the Largest-in-Class<sup>1</sup> 8.4-inch touchscreen. The standard Uconnect 4C multimedia centre displays climate and multimedia controls, and an available memory feature to save preferred driver's seat, exterior mirrors and radio settings. Display your information and connectivity with the standard **Drag and Drop Menu Bar** to keep your top Uconnect services on the main screen.

## HANDS-FREE COMMUNICATION<sup>7</sup>

With your compatible phone paired to the Uconnect system, **Voice Text Reply**<sup>9</sup> can announce and read incoming texts. **Siri® Eyes Free**<sup>10</sup> allows you to make voice commands with your iPhone 4s or later, and **Do Not Disturb** can route incoming calls to voice mail and suppress texts or send automated replies, keeping your hands on the wheel and eyes on the road.

# LARGEST-IN-CLASS<sup>1</sup> 8.4-INCH TOUCHSCREEN

## SIRIUSXM GUARDIAN<sup>11</sup>

This advanced in-vehicle connectivity provides help when you need it most with Roadside Assistance Call and SOS Call from your touchscreen or rearview mirror button. The mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year trial subscription includes Remote Vehicle Start to start your car\* and the ability to unlock the doors from virtually anywhere, as well as Stolen Vehicle Assistance alerts, Send & Go, a WiFi Hotspot<sup>12†</sup> and much more.

## SIRIUSXM SATELLITE RADIO<sup>13</sup>

SiriusXM satellite radio with one-year subscription is standard and includes over 120 music, news, sports and specialty channels. It also allows you to receive alerts when your favourite song, artist or team is playing on another channel. Instant Replay lets you pause and rewind programs, songs and broadcasts. **Tune Start** ensures you never miss a beat by starting songs from the beginning when switching between preset channels.

## 3D NAVIGATION<sup>8</sup> IMAGERY

Identifying your whereabouts is an exact science with the Uconnect® 4C NAV multimedia centre's integrated navigation, including 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step voice destination entry. Available.

## SIRIUSXM TRAFFIC<sup>13</sup> AND SIRIUSXM TRAVEL LINK<sup>13</sup>

**SiriusXM Traffic** works with the vehicle's navigation system<sup>8</sup> to display traffic and accident information to assist in routing around congested areas. **SiriusXM Travel Link** provides real-time local fuel prices, weather conditions, sports scores and movie times. **SiriusXM Traffic** and **SiriusXM Travel Link** include a five-year trial subscription. Available.

androidauto

## ANDROID AUTO™<sup>6</sup>

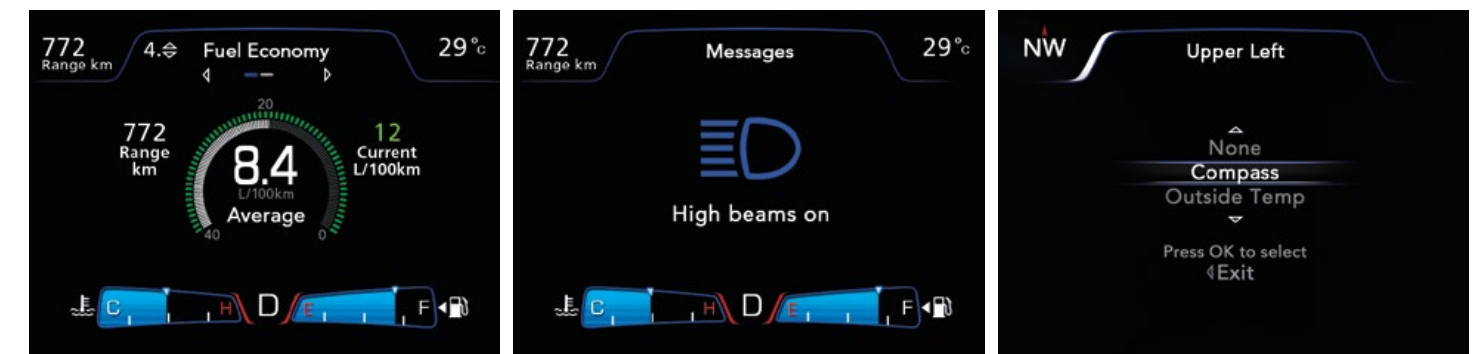

This plug-and-play capability provides a safer way to use Android™ while in your vehicle, sharing information while you easily access the best of Google™: Google Maps with voice-guided navigation and Google Play Music; place phone calls or send and receive messages and ask Google any question by voice command.

## APPLE CARPLAY™<sup>6</sup>

The smarter, safer way to use your iPhone® inside your vehicle. Plug in to seamlessly integrate Uconnect. You can use the touchscreen or Siri® to make calls, access Apple Music, send and receive messages, get directions optimized for traffic conditions and more while staying focused on the road.

# IN-CLUSTER CRUISING PERKS

## 7-INCH FULL-COLOUR CUSTOMIZABLE IN-CLUSTER DISPLAY CENTRE

This premium display delivers crisp, configurable graphics integrated between the cluster gauges. A customizable screen allows for a range of driver-assist settings, such as digital speedometer, fuel economy, alerts for available features like Forward Collision Warning<sup>14</sup> with Active Braking or Park-Sense® Front and Rear Assist<sup>14</sup> and turn-by-turn directions if equipped with navigation.<sup>8</sup>

\*When equipped with Remote start. †Late availability.

## BEST-IN-CLASS<sup>1</sup> ALL-WHEEL-DRIVE TECHNOLOGY

## MAXIMIZE TRACTION AND CONFIDENCE

### BEST-IN-CLASS<sup>1</sup> ADVANCED ALL-WHEEL DRIVE (AWD)

Available on all models equipped with the 3.6L Pentastar™ VVT V6 engine, the AWD system automatically engages as needed. It activates when wheel-slip is detected, wipers are activated, Sport mode is engaged or steering wheel-mounted paddle shifters are activated. This advanced AWD system also activates when the ambient temperature dips below approximately 4°C (40°F) or when road slope significantly inclines or declines. The active transfer case with front-axle disconnect provides a seamless transition between rear-wheel drive and AWD. The result is outstanding all-weather performance while delivering Best-in-Class<sup>5</sup> AWD fuel economy.<sup>†</sup>

### INNOVATIVE SAFETY FEATURES WITH AVAILABLE SAFETYTEC™ PACKAGES

Advanced safety features that respond and activate as needed are part of the available SafetyTec packages, including innovations such as Adaptive Cruise Control with Stop, Forward Collision Warning with Active Braking, Blind-Spot Monitoring with Rear Cross-Path Detection, Lane Departure Warning with Lane Keep Assist, Park-Sense® Front and Rear Park Assist and many more.<sup>14</sup> They are additional layers of protection guided by the design principles of automatic intelligence to enhance the driver and passenger experience and safety. (See page 19 for SafetyTec 1 and SafetyTec 2 package details.)

#### ADAPTIVE CRUISE CONTROL (ACC) WITH STOP<sup>14</sup>

Utilizing radar and video sensors, this available feature identifies vehicles in the forward path and maintains a safe, driver-selectable distance. Under certain traffic conditions, ACC with Stop has the ability to bring the vehicle to a full stop without driver intervention. After bringing the vehicle to a stop, the system will hold the brakes for two seconds before releasing, which requires the driver to take control and manually apply the brakes if a longer stop is required.

#### LANE DEPARTURE WARNING (LDW) WITH LANE KEEP ASSIST<sup>14</sup>

With a forward-facing camera mounted inside the rearview mirror, this available system can gauge the vehicle's position and movement between the road lines. If the LDW system detects the vehicle drifting out of its lane without turn signal activation, the driver is warned through a slight vibration in the steering wheel. If the drift is not manually corrected, the Electric Power Steering (EPS) system can realign the vehicle to its correct lane position.

300S shown in Ceramic Grey

<sup>†</sup>Based on 2018 *EnerGuide* ratings. See page 19 for full details.

300S shown in Ceramic Grey

## EQUIPPED TO PROTECT

Offering over 80 standard and available safety and security features. State-of-the-art engineering forges with the latest in advanced technology, providing the driver with a safe and secure driving experience.

### PARK-SENSE® FRONT AND REAR PARK ASSIST<sup>14</sup>

Parking your Chrysler 300 in close range to other vehicles or objects is made easy with available ultrasonic sensors positioned in the front and rear fascias. They provide object detection and driver feedback, including audible chimes and a visual reference located in the 7-inch full-colour customizable in-cluster display centre.

### ELECTRONIC STABILITY CONTROL (ESC)<sup>15</sup>

In adverse conditions, ESC and Brake Assist work with an All-Speed Traction Control System to help maintain vehicle stability, limit oversteer or understeer, and selectively apply brake force when needed.

### REACTIVE FRONT HEAD RESTRAINTS<sup>16</sup>

The reactive front head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping to reduce the chance of injury.

### PARKVIEW® REAR BACK-UP CAMERA WITH DYNAMIC GRID LINES<sup>14</sup>

This available system displays a visual reference of what is behind your vehicle when the vehicle is in Reverse. The dynamic grid lines adjust when the steering wheel is turned to assist you when manoeuvring into parking spaces or narrow areas.

### ADVANCED LED LIGHTING TECHNOLOGY

Automatic bifunctional halogen projector headlamps feature integrated LED daytime running lamps (DRLs) that form a signature "C" shape for unmistakable road presence. The available Bi-xenon High Intensity Discharge (HID) headlamps feature adaptive forward lighting to better illuminate road curves, and automatic levelling to keep the headlamps aimed down at the road up to 15 degrees of slope up or down, helping to illuminate the path ahead.

### FORWARD COLLISION WARNING (FCW) WITH ACTIVE BRAKING<sup>14</sup>

Using radar and video sensors, this available system detects whether the vehicle is approaching another vehicle or large obstacle in its path too rapidly. When an object is detected, the system will warn the driver of a potential collision risk via an audible chime or visual alert in the in-cluster display and can assist the driver in avoiding the incident by actively applying the brakes. The driver has the ability to adjust the sensitivity and turn brake support on or off.

### ADVANCED BRAKE ASSIST<sup>14</sup>

The available Advanced Brake Assist feature automatically increases brake force to ensure the shortest possible stopping distance in emergency braking situations. This system works with the FCW<sup>14</sup> system using both camera and radar inputs.

### BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION<sup>14</sup>

When driving forward, the available BSM system continually monitors the vehicle's side blind spots using dual radar sensors. When an object is detected, an indicator illuminates in the appropriate sideview mirror and, if the turn signal is activated, an audible notification sounds. When in Reverse, Rear Cross-Path Detection automatically monitors for objects and vehicles in perpendicular relationships to the vehicle and is ideal when backing out of tight parking spaces or alleys.

300 TOURING

POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with TorqueFlite® 8-speed automatic transmission
- All-wheel drive (AWD; includes 19-inch wheels) — Available
- Rear-wheel drive (RWD)

SELECT STANDARD EQUIPMENT

INTERIOR AMENITIES

- 7-inch full-colour customizable in-cluster display centre
- 12-volt centre console power outlet
- Acoustic windshield and front-door glass
- Air conditioning with dual-zone automatic temperature control, air filtering and humidity sensor
- Analogue clock
- Auto-dimming rearview mirror
- Dual remote USB ports for charging
- Full-length floor console with illuminated front cup holders
- Illuminated rear assist handles
- Leather-wrapped steering wheel with mounted audio and cruise controls
- Media Centre:
  - Apple CarPlay™ and Android Auto™<sup>6</sup>
  - Hands-free communication<sup>7</sup> with Bluetooth® streaming audio
  - Media hub including 2 USB ports and auxiliary audio input jack
  - SiriusXM Guardian<sup>11</sup> with 1-year subscription
  - SiriusXM satellite radio with 1-year subscription<sup>13</sup>
  - Uconnect® 4C multimedia centre with 8.4-inch touchscreen and 6 speakers
- Power windows, front 1-touch up-and-down
- Rear-seat armrest with cup holder
- Rotary E-shift
- Seating:
  - Power 12-way driver's seat including 4-way lumbar adjust
  - Premium cloth high-back front bucket seats with 60/40 split-folding rear seat
- Sun visors with illuminated vanity mirrors
- Tilt/telescoping steering column

EXTERIOR FEATURES

- 300 badge
- Automatic bifunctional halogen projector headlamps with Chrome surrounds
- Black grille with bright surround
- Body-colour door handles
- Body-colour, power, heated mirrors, manual folding
- Body-colour shark fin antenna

**DISCLAIMERS:** (1) Based on the latest available competitive information and *WardsAuto* Large Regular vehicle segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. (2) Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations from CYE 2011 – 2015 and CYTD July 2016 for all Cars, Light-Duty and Medium-/Heavy-Duty Trucks. (3) Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations from CYE 2011 – 2015 and CYTD July 2016 for all Cars, Light-Duty and Medium-/Heavy-Duty Trucks with a V8 engine. (4) Based on the latest available competitive information and *WardsAuto* Large Regular vehicle segmentation. Most luxurious claim based on Chrysler 300C Platinum model. Excludes other vehicles designed and manufactured by FCA US LLC. (5) Based on *WardsAuto* Large/Regular Car segmentation and *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 12.4 L/100 km (23 mpg) city and 7.8 L/100 km (36 mpg) highway on Chrysler 300 RWD with 3.6L Pentastar VVT V6 engine and 8-speed automatic transmission. 12.8 L/100 km (22 mpg) city and 8.7 L/100 km (32 mpg) highway on Chrysler 300 AWD with 3.6L Pentastar VVT V6 engine and 8-speed automatic transmission. Ask your retailer for *EnerGuide* information. (6) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. (7) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. (8) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. (9) Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. (10) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (11) All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (12) Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (13) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). (14) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. (15) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (16) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (17) The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (18) Not compatible with all garage door openers.
