MINI Londons fleet program offers all the value of fleet pricing, coupled with our unmatched level of executive service. With the BMW Fleet program, companies operating five or more vehicles are entitled to generous benefits when purchasing or leasing their executive's vehicles. Our BMW Fleet program is designed to address the needs of companies who are seeking executive transportation. Your carefully prepared and hand waxed vehicle is fueled, licensed and if requested deliver to you. BMW London offers a delivery service to a number of surrounding cities.

Embodying exceptional refinement and quality, a BMW is now more affordable than ever. Included with every new BMW is no charge scheduled maintenance for 4 years or 80,000 km's. BMW London also offers fleet clients a complimentary loaner vehicle when they come in for service at no additional charge.

- Outstanding staff eager to help find the right vehicle for you
- Free delivery to surrounding areas
- Great pricing on both new and preowned vehicles

MINI FLEET PROGRAM

PROGRAM BENEFITS

With the MINI Fleet program, companies operating five or more vehicles are entitled to generous benefits when purchasing or leasing their executive's vehicles. Our MINI Fleet program is designed to address the needs of companies who are seeking executive transportation.

To qualify your company must have five vehicles owned and operated in the company name and have a corporate MINI fleet account number. MINI fleet pricing can also be extended to those commercial customers buying three or more business use vehicles at one time

FLEETS

Companies with five or more vehicles owned and operated under the company name are entitled to significant savings using their MINI fleet account number.

CAR ALLOWANCE CLIENTS

VIPs, executives and upper level management whose company offers five or more car allowances can also take advantage of the BMW Fleet program. Fleet incentives will be extended to those business customers who receive a fixed monthly or yearly allowance specifically for the acquisition or operation of a motor vehicle

MINI LONDON EXPERIENCE

MINI London is dedicated to providing a truly memorable sales, service, and parts experience to each and every one of our valued customers. You will find MINI London to be the premier choice for luxury transportation.
