

IONIQ

2021

A bit about us.

With Hyundai, you can really have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

IONIQ Hybrid SUPERSTRUCTURE™ shown,
made with our Advanced High-Strength Steel.

The power of choice.

With the world's first vehicle to be offered in three electrified powertrains — Hybrid, Electric and Plug-in Hybrid — you can enjoy the power of choice.

It's easy to decide which IONIQ best complements your lifestyle; it just depends on how often you drive and your driving style. Whichever you choose, with IONIQ you get an extremely engaging driving experience, plus an efficient commuter vehicle.

1 full charge

Total range up to 274 km

IONIQ Electric. Emissions-free driving.

With the 2021 IONIQ Electric, you can enjoy an all-electric driving range of up to 274 kilometres on a single charge¹. Conveniently charge from home, work or at a public charging station.

1 full tank

Total range of up to 1,125 km

IONIQ Hybrid. Driving fun with lower emissions.

The IONIQ Hybrid is the most fuel-efficient car in Canada. At 4.0 L/100 km combined fuel economy, you can travel up to 1,125 kilometres on a single tank of gas².

1 full charge
+
1 full tank

Total range of up to 1,001 km

IONIQ Plug-in Hybrid. The best of both worlds.

Electric when you want it. Gas when you need it. The IONIQ Plug-in Hybrid offers the best of both worlds, with a larger lithium-ion polymer battery (compared to the Hybrid model) to provide up to 47 kilometres of all-electric, emissions-free driving³.

Advanced aerodynamics.

An aerodynamic design that marries form with function, the IONIQ's striking coupe-like silhouette creates a powerful first impression. Subtle details enhance every aspect of driving dynamics and efficiency. The mesh-type grille on the IONIQ Hybrid and Plug-in Hybrid uses air shutters that open and close for enhanced aerodynamics, while the grille on the IONIQ Electric presents a smooth surface that glides through the wind.

Immerse yourself.

As forward-thinking as the exterior, the intuitive design of the interior means you'll never want to leave. From the strong horizontal contouring of the dashboard, to the piano key-type button details, it's the fine touches that bring all the key elements together with fluid, elegant style.

Set the mood with available interior ambient lighting — illuminating the cabin in blue for an added element of style and sophistication. With your comfort as priority, the standard heated front seats and available heated rear seats and heated steering wheel keep you warm on chillier days, while the available power sunroof lets you embrace an outdoor breeze during warmer seasons.

Simply stay connected.

Standard Apple CarPlay™^Δ and Android Auto™[◊] (with available wireless connectivity) lets you access your favourite mobile apps — music, maps, messages and more — seamlessly and safely through voice commands and the touch-screen display.

Shuffle through your songs and listen to your favourite playlist with the impressive sound quality of the available 8-speaker harman/kardon® premium audio system with Clari-Fi™ music restoration technology to help your compressed audio files sound clearer and crisper. And as your smartphone battery starts to get low, simply place it on the wireless charging pad[▽], no connecting cord required.

IONIQ Electric model summary.

IONIQ Electric Preferred

Standard equipment includes:

Performance features:

- 100 kW electric motor + 38.3 kWh lithium-ion battery
- Single-speed direct drive with shift-by-wire mode selector
- Drive Mode Select
- Electronic Parking Brake with Auto Vehicle Hold
- Regenerative braking system with paddle shifters
- Heat pump and Battery Temperature Management System

Exterior features:

- 16" eco alloy wheels
- LED daytime running lights
- LED tail lights
- Automatic headlights
- Heated power-adjustable side mirrors
- Rear spoiler

Safety features:

- Adaptive Cruise Control with traffic stop and go
- Forward Collision-Avoidance Assist with Pedestrian and Cyclist Detection
- Highway Driving Assist
- Lane Following Assist
- Lane Departure Warning with Lane Keeping Assist
- Driver Attention Warning
- Tire Pressure Monitoring System
- Rearview camera with dynamic guidelines
- Vehicle Stability Management and Electronic Stability Control with Traction Control System
- 7 airbags, including driver's knee airbag

Interior features:

- 10.25" touch-screen navigation system with HD Radio/SiriusXM™[†]
- 8-speaker harman/kardon® premium audio system
- Bluelink®^Ω connected vehicle system
- Apple CarPlay™^Δ and Android Auto™[◊]
- AUX/USB connectivity
- "Supervision" instrument cluster with 7.0" LCD display
- Automatic climate control
- Heated front seats
- Heated leather-wrapped steering wheel
- 6-way manually adjustable front seats (including height adjustment)
- 60/40 split-fold rear seats
- Proximity keyless entry with push-button start
- Power windows with driver's auto-up/down
- Steering wheel-mounted audio and telephone controls
- Cargo screen

IONIQ Electric Ultimate

Includes IONIQ Electric Preferred standard equipment plus:

Exterior features:

- LED headlights
- LED side mirror turn signal repeaters
- Electric folding side mirrors with puddle lamps
- Power tilt-and-slide sunroof
- Chrome exterior door handles

Safety features:

- Blind-Spot Collision Warning with Lane Change Assist
- Rear Cross-Traffic Collision Warning

Interior features:

- Leather seating surfaces
- Driver's Integrated Memory System
- 8-way power-adjustable driver's seat with adjustable lumbar support
- Heated rear seats
- Wireless charging pad[†]
- Electrochromic auto-dimming rearview mirror with HomeLink® transceiver
- Front passenger's auto-up/down window with pinch protection
- Interior ambient lighting (blue)
- LED interior lights
- Rear console air vents
- Artificial leather-wrapped centre console armrest and instrument cluster hood
- Aluminum door sill plates

IONIQ Hybrid model summary.

IONIQ Hybrid Essential

Standard equipment includes:

Performance features:

- 1.6L “Kappa” GDI engine + 32 kW electric motor + 1.56 kWh lithium-ion battery
- 6-speed EcoShift Dual Clutch Transmission
- Drive Mode Select
- Multi-link rear suspension
- Regenerative braking system
- Electronic Parking Brake with Auto Vehicle Hold

Exterior features:

- 15" eco alloy wheels
- Active grille shutters
- Automatic headlights
- Heated power-adjustable side mirrors

Accessories.

Premium all-weather cargo tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Side visors

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom-made for your vehicle using high-quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

Hood protector clear film

Clear protection film easily applies to protect from scratches and scrapes while maintaining the visual appearance of your vehicle.

Winter wheel and tire packages

Winter tires have specialized rubber and tread to handle the cold temperatures resulting in better traction, handling and braking. Mount your tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation. Not available on EV models.

Multimedia device holder

This multimedia device holder allows your backseat passengers to have in-seat entertainment using a mobile phone or a tablet device. It features 360° rotation to allow use in portrait or landscape layout, hands-free. The included mounting bracket easily fits to the headrest, and the device holder is removable when not in use.
