

## PROTECTION PLAN

### Protection Plan Additional Advantages

#### REPAIR COST<sup>1</sup>

Engine Replacement	<b>\$6309</b>
Transmission Replacement	<b>\$4386</b>
ABS Brake Module	<b>\$876</b>
Fuel Pump	<b>\$902</b>
Radiator	<b>\$951</b>
Water Pump	<b>\$858</b>
Air Conditioning Compressor	<b>\$1294</b>
Air Conditioning Condenser	<b>\$750</b>
Radio	<b>\$688</b>
Rack and Pinion Steering Gear	<b>\$1876</b>
Power Mirror	<b>\$262</b>
Alternator	<b>\$843</b>
Starter	<b>\$557</b>
Side-Impact Detection Module	<b>\$820</b>

<sup>1</sup> Prices based on average costs submitted to Chevrolet Buick GMC Cadillac Protection Plan. Prices are not intended to be used as an actual list for services performed at Chevrolet, Buick, GMC, or Cadillac dealers.

#### RENTAL

\$40 per day,  
maximum \$200 per  
repair visit

- If a covered breakdown renders your vehicle inoperable
- If the repair takes two (2.0) or more hours of labour based on the GM Warranty Labour Time Guide

No deductible

#### ROADSIDE ASSISTANCE

Available in Canada and continental United States

No deductible

Towing to your nearest Chevrolet, Buick, GMC,  
or Cadillac Dealer

Key lock-out service

Out of fuel emergencies

Flat tire changing

Trip Interruption Benefit

## MAINTENANCE PLAN

### Essential Care

Included coverage for:

#### New/Used (Current + 2 Model Years Old)

- Lube, Oil & Filter Service
  - According to Oil Life Monitor
  - Program has a maximum number of services, predicated on 8000 km intervals as indicated in the Vehicle Owner's Manual
- Tire Rotation
- Multi-Point Vehicle Health Check
- Cabin Air Filter (if applicable)
- Engine Air Filter
- Coolant replacement (if applicable)
- Spark Plug replacement (if applicable)
- Transmission fluid (+ filter if applicable)
- Transfer case fluid (if applicable)
- Clutch/brake fluid (if applicable)

### Enhanced Care

Included coverage for:

#### New Only

- Lube, Oil & Filter Service
  - According to Oil Life Monitor
  - Program has a maximum number of services, predicated on 8000 km intervals as indicated in the Vehicle Owner's Manual
- Tire Rotation
- Multi-Point Vehicle Health Check
- Cabin Air Filter (if applicable)
- Engine Air Filter
- Coolant replacement (if applicable)
- Spark Plug replacement (if applicable)
- Transmission fluid (+ filter if applicable)
- Transfer case fluid (if applicable)
- Clutch/brake fluid (if applicable)
- Brake Pads/Rotors and Linings/Drums
  - Maximum one time service for terms up to 85,000 km; or
  - Maximum of two services for terms greater than 85,000 km
- Front/Rear Brake Rotor/Drum resurfacing
- Engine Coolant Hoses
- Engine Belts
- Bulbs (excluding LED & lamp assemblies)
- Wiper Blades
- Shocks (excluding Struts and/or Cartridges)

#### Parts and Services Not Covered

Parts not covered are all glass (with the exception of heated windshield, mirror or rear window that require replacement due to an electrical failure that cannot be repaired), fog lamps, lenses, sealed beams, lamps, light bulbs, tires, rims, trim, seat frames, convertible or vinyl top, moldings, weather-strips, bright metal, sheet metal, door hinges, body parts (including frame), bumpers, upholstery, carpet, paint, brake rotors and drums, shock absorbers, MacPherson strut assemblies (including upper mount and bearing), batteries, manual clutch disc lining, pressure plate and clutch release bearings, pipes (with the exception of power steering, air conditioning and brake pipes), engine cooler lines/hoses, catalytic converter (which may be covered by Emission Control Systems Warranties) and exhaust system, wheel balancing, and non-manufacturer installed accessories.

In addition, corrections of air and water leaks, wind noise, squeaks and rattles as well as alignment of bumpers, sheet metal, body parts and glass are not covered.

#### Maintenance and Parts Not Covered

Unless required in connection with the repair of a failure, the following are not covered under this Plan:

1. The Maintenance services and parts described in the manufacturer's Maintenance Schedule for your vehicle.

2. Other normal Maintenance services and parts including engine adjustment, suspension alignment, filters, lubricants, engine coolant, fluids, spark/glow plugs, air conditioning refrigerant, belts, hoses, brake pads, linings and shoes, and adjustments.

## PROTECTION PLAN

# ALMOST EVERY MECHANICAL AND ELECTRICAL PART ON YOUR VEHICLE IS COVERED UNDER TOTAL PLUS COVERAGE<sup>1,2</sup>

	Powertrain Limited Warranty <sup>3</sup>	CBGC Protection Plan Total Plus Coverage
<b>Engine</b>		
Engine Assembly	●	●
Camshaft and / or Lifters	●	●
Crankshaft	●	●
Engine Block	●	●
Cylinder Heads	●	●
Cylinder Heads Valvetrain	●	●
Engine Mounts	●	●
