

A Message of Community from the *New* Derrick Dodge

Together, we have faced a truly unprecedented situation. The global coronavirus pandemic and ensuing global crises have affected our families, our businesses, our communities, and our way of life. During this time, we wanted to reach out and update you on how we're approaching the situation at the **NEW Derrick Dodge**.

First and foremost, our hearts go out to anyone who's been impacted by the virus, either directly or indirectly. Our thoughts are especially with those who are sick, for whom we extend our heartfelt wishes for a full recovery. We're truly inspired by the selfless healthcare workers and first responders around the world who are on the front lines, working tirelessly to care for people in need.

Now we'd like to share some exciting news about the **NEW Derrick Dodge**. We have assembled a **new leadership TEAM** with some of the most experienced dealership managers from all parts of Canada. Their many years of experience have been laser focused on putting **CUSTOMER SATISFACTION FIRST!** Now, it's time for us to reengage our Community and activate the competitive advantage Derrick Dodge held for 30 years prior to the pandemic.

Please accept our sincere apology for the way we let COVID get the better of us, steering us away from providing the exceptional customer experience you deserve. That era is behind us and we are ready to serve you again
