\*Winter Performance Package includes: four (4) winter tires, four (4) aluminum wheels and four (4) tire pressure monitoring system sensors. Vehicle handling characteristics, tire load index and speed rating may not be the same as factory supplied all-season tires. Winter tires are meant to be operated during winter conditions and may require a higher cold inflation pressure than all-season tires. Consult your Lincoln Dealer for details including applicable warranty coverage.

2023 Ford Motor Company of Canada, Limited. Information provided on an "as-is" basis and could include technical typographical or other errors, and is subject to change. Images shown are for information purposes only. US Images may be shown. Intended for use by dealership personnel only to inform consumers. Dealers need to verify winter tire fitments to ensure proper sizing and appropriate regional availability (example tires may not fit all vehicle types of driving conditions).
