LINCOLN

FOR ENHANCED
TRACTION, HANDLING
& CONTROL IN WINTER
CONDITIONS.

Whether driving on snow
or in cold temperatures,
winter tires help provide
the traction you need to
tackle winter roads.

Get ready to roll this winter with a

Lincoln Winter Performance Package*

Bolt-on bolt-off package
helps make tire
changeovers easy.

Ask about financing options
with your vehicle purchase.

Ask us about tire storage!

GOOD	Bright machined aluminum wheel with painted pockets, winter tires, TPMS	

*Winter Performance Package includes: four (4) winter tires, four (4) aluminum wheels and four (4) tire pressure monitoring system sensors. Vehicle handling characteristics, tire load index and speed rating may not be the same as factory supplied all-season tires. Winter tires are meant to be operated during winter conditions and may require a higher cold inflation pressure than all-season tires. Consult your Lincoln Dealer for details including applicable warranty coverage.
