 New Vehicle

 Certified Pre-Owned Vehicle

 Quality Pre-Owned Vehicle

POWERTRAIN COVERED COMPONENTS

ENGINE (INCLUDING CUMMINS AND NON-CUMMINS DIESEL):

- Cylinder block and all internal parts
- Supercharger
- Diesel fuel injection pump
- Diesel fuel injectors
- Fuel injectors
- Vibration damper
- Harmonic balancer
- Oil cooler
- Block heater
- Hoses, lines and tubes
- Heat control valve
- Core plugs
- Cylinder head assemblies and valve covers
- Valves
- OHC carrier
- Oil pump
- Oil pan
- Timing gears
- Timing belts, chains and cover
- Timing chain/belt tensioner
- Serpentine belt tensioner
- Intake and exhaust manifolds
- Flywheel with starter ring gear
- Turbocharger housing and internal parts
- Turbocharger waste-gate actuator
- Blow out valves
- Intercooler
- Diesel vacuum pump
- Water pump and housing
- Engine mounts and supports
- Filler tubes
- DEF injector
- Supply line
- Pump
- Tank
- Gaskets and seals for listed components only

TRANSMISSION/TRANSFER CASE:

- Transmission case and all internal parts
- Transmission range switch
- Transmission control module (TCM)
- Bell housing
- Oil pan
- Input shaft
- Clutch master cylinder
- Torque converter, flex plate and flywheel
- Vacuum modulator
- Gearshift mechanism
- Cables, hoses and lines
- Oil cooler
- Supports and mounts
- Filler tubes
- DEF injector
- Supply line
- Pump
- Tank
- Gaskets and seals for listed components only

FRONT-WHEEL DRIVE:

- Transaxle case and all internal parts
- Axle shaft assemblies
- Constant-velocity (CV) joints and boots
- Oil pan and differential cover
- Transaxle speed sensors and solenoid assembly
- PRDNL position switch
- Transaxle electronic controller
- Torque converter, flex plate and flywheel
- Drive shafts
- Front wheel bearings
- Universal joints and boots
- Front axle disconnect actuator
- Filler tubes
- DEF injector
- Supply line
- Pump
- Tank
- Gaskets and seals for listed components only

REAR-WHEEL, FOUR-WHEEL AND ALL-WHEEL DRIVE:

- Power transfer unit, transfer case and all internal parts
- Transfer case control module and shift-mode motor assembly
- Viscous coupler

- Constant-velocity (CV) joints and boots
- Driveshaft and axle shaft assemblies
- Differential carrier assembly and all internal parts
- Output flange and ball bearing
- End cover
- Overrunning clutch
- Vacuum motor
- Torque tube
- Pinion spacer and shim
- Driveshaft assemblies and centre bearings
- Universal joints and yokes
- Disconnect housing assembly
- Axle housing, shafts, bearings and all internal parts
- Differential cover
- Gaskets and seals for listed components only

NON-POWERTRAIN COVERED COMPONENTS

ELECTRICAL:

- Alternator
- Electric window defoggers
- Starter
- Factory-installed audio and video components and navigation systems
- Motors
- Modules
- Manually operated switches
- Computers
- Controllers
- Ignition switch
- Sensors
- Pumps
- Switches and wiring harnesses
- Relays
- Power window gears
- Horn
- Gauges
- Electronic instrument cluster
- Cigarette lighter
- Electric door lock solenoids
- Power sunroof motor, module and cables
- Air bags
- Park assist and self-parking systems and components
- Bi-xenon HID headlamps and ballast
- Grill shutter actuator
- Adaptive cruise control components
- Cruise control module
- Blind spot detection sensors and modules
- Windshield mounted rain sensor and module
- Forward collision warning and lane departure/ lane sense cameras
- Air suspension compressor, sensor, module and wiring harness

BRAKES/ABS:

- Master cylinder and cap
- All hoses, tubes, lines and fittings
- Proportioning and load-sensing valve
- Parking brake cables
- Hubs
- Levers
- Linkages
- Vacuum assist booster and valve
- Hydro assist booster
- Wheel cylinders and brake calipers
- Brake pedal and bushings
- Shields, adapters and rear brake supports
- ABS hydraulic and pump motor assembly
- Controller
- Sensors and relays
- Electronic parking brake modules and switches
- Seals and gaskets for listed components only

STEERING:

- Electric power steering gear and module and column housing and all internal parts
- Air bag module
- Steering box and all internal parts
- Rack and pinion gear
- Steering spindles
- Pitman arm
- Centre link

- Steering sensors
- Steering wheel
- Power steering pump, pulley, all hoses, tubes and lines
- Intermediate shafts and couplings
- Gaskets and seals for listed components only

ENGINE COOLING SYSTEM:

- Water pump pulley
- Radiator
- Fan assembly, clutch, shroud and motor
- Hot water valve
- Turbo intercooler
- Coolant tank
- Hoses, valves, lines and tubes

NON-POWERTRAIN COVERED COMPONENTS CONTINUED

AIR CONDITIONING:

- Compressor
- Clutch assembly and pulleys
- Condenser and evaporator
- Accumulator and receiver drier
- All hoses, tubes and lines
- Fans
- Controls
- Cables
- Heater core
- Expansion valve
- Blower motors
- “O” rings
- Switches
- Gaskets and seals for listed components only

CLUTCH:

- Cables
- Linkages
- Cylinders
- Release bearing and fork

FRONT SUSPENSION:

- Front disconnecting stabilizer bar, including actuators and switches
- Air suspension system, including front spring and shock assembly, and reservoir
- Control arms, shafts and bushings
- Torsion bar/sway bar, brackets, bushings and bearings
- Ball joints
- Shocks and struts
- Steering knuckle
- Tie rod ends and boots
- Front springs

REAR SUSPENSION:

- Air suspension system, including rear spring and shock assembly, and reservoir
- Lower control arms
- Stub axle spindles
- Shock absorbers
- Axle track/sway bar
- Height-sensing valve
- Rear springs, bushings, U-bolts, hangers, isolators and shackles

BODY:

- Exterior door and rear view mirrors
- Seat mechanisms
- Door glass regulators, tracks, slides and runs
- Door catches, latches and hinges
- Lock cylinders
- Hood and lift gate props
- Door handles

FUEL SYSTEM:

- Fuel pump, tank
- Throttle body
- All hoses, tubes and lines
- Mechanical fuel tank sending unit
- Fuel rails and regulator
- Reservoir
- Linkage and valves
