

SUBARU

WRX

Accelerate your work-life balance.

Meet the 2026 Subaru WRX.

Down to its core, the WRX is engineered to perform. From its rigid Subaru Global Platform that helps deliver sharper, tighter handling to the power and broad torque curve of its 2.4-litre turbocharged SUBARU BOXER® engine, the WRX simply embodies the thrill of driving.

Control and Precision

Through each corner, the WRX responds and connects. Its point-and-shoot 13.5:1 steering ratio works in unison with standard Subaru Symmetrical Full-Time All-Wheel Drive, while its track-tuned suspension provides stability to hit each apex with confidence.

Driver-Focused Interior

Inside the WRX, every detail caters to the driver's intuition—from its soft-touch materials to the D-shaped steering wheel. You'll feel that synergy in the available Ultrasuede®¹ seats, keeping you snugly in place. And you'll interact seamlessly, thanks to smartphone connectivity with Apple CarPlay®² and Android™ Auto³ integration.

WRX GT

Push your custom-tailored experience even further with the WRX GT. With its Drive Mode Select feature, you can personalize the dynamics of your drive by choosing from four preset options—or go rogue in Individual Mode. Precision and performance are heightened by the Subaru Performance Transmission, which is engineered to upshift and downshift with immediacy.

WRX tS

It's the WRX in its purest form, and you can only get it with a manual transmission. For ultimate performance, the tS includes STI-tuned electronically controlled dampers, a stiffer suspension and gold-finished Brembo®⁴ monoblock calipers and cross-drilled rotors. It also features Drive Mode Select for fine-tuned handling and responsiveness.

2026 WRX | Trim Levels

Sport

- 271-hp turbocharged 2.4-litre DIT® 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical Full-Time All-Wheel Drive
- 6-speed manual transmission
- Sport-tuned suspension
- DriverFocus™ Distraction Mitigation System¹

- Ultrasuede®¹ and leather-trimmed upholstery with yellow accents and stitching

For a detailed list of specifications, features, accessories and model comparisons, please visit Subaru.ca or your nearest authorized Subaru dealer.

1 Ultrasuede® is a registered trademark of Toray Industries Inc. 2 Apple CarPlay® is a registered trademark of Apple Inc.¹ 3 Android™ is a trademark of Google LLC¹. 4 Brembo® is a registered trademark of Brembo S.p.A. 5 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. 6 Bluetooth® is a registered trademark of Bluetooth SIG, Inc., America. 7 Activation with subscription required. Includes 3-month free trial subscription. See your Subaru dealer for details. SiriusXM® and the SiriusXM logo, channel names and logos are trademarks of Sirius XM Radio Inc. and are used under licence by Sirius XM Canada Inc. Subscriptions to SiriusXM Canada are subject to the SiriusXM Canada Customer Agreement and other terms & conditions. SiriusXM collects, uses and discloses your personal information according to its Privacy Policy. 8 Activation with subscription required. 9 EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Pre-Collision Braking is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control, Brake Light Recognition and Automatic Emergency Steering are designed to assist the driver and are not substitutes for safe and attentive driving.

Automatic Emergency Steering works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 80 km/h to try and help avoid a collision. Lane centring function operates only when used in conjunction with Adaptive Cruise Control. Lane Departure and Sway Warning with Lane Keep Assist operates only when the lane markings are visible, and its effectiveness depends on many factors. System functionality varies by transmission type. See Owner's Manual for complete details on system operation and limitations. 10 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 11 Harman Kardon® is a registered trademark of Harman International Industries, Inc. 12 Recaro® is a registered trademark of Recaro Beteiligungs-GmbH Corporation. 13 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, vehicle speed, weather and road conditions. Always exercise caution and use vehicle mirrors and the rearview camera when backing up. See Owner's Manual for complete details on system operation and limitations.

Subaru Warranties

Every Subaru vehicle is designed and built to offer our customers the highest possible level of quality and reliability. We are proud of our vehicles and proud to stand behind them with a comprehensive warranty. For 2026 model-year vehicles, the warranty on all Subaru vehicles consists of the following:

New Vehicle Limited Warranty (36 month/60,000 km) – Covers basic and major components for 36 months or 60,000 km.

Major Component Limited Warranty (60 month/100,000 km) – Extends coverage of major components (more than just powertrain) up to 60 months or 100,000 km.

Surface Corrosion Limited Warranty (36 month/60,000 km) – Covers surface corrosion to visible painted body panels for 36 months or 60,000 km.

Anti-Perforation Limited Warranty (60 month/unlimited km) – Covers perforation due to corrosion to body sheet metal panels for 60 months, regardless of kilometres.

Emission Control System Limited Warranty – Covers some emissions components for 36 months or 60,000 km and the major parts of the emission control system for 96 months or 130,000 km.

Parts and Accessories Limited Warranty – Covers Subaru parts and accessories installed by the Subaru dealer prior to retail delivery of the vehicle for 36 months or 60,000 km, and Subaru parts and accessories installed by the Subaru dealer after the retail delivery of the vehicle for 12 months or 20,000 km from the date of the installation.

The above information is an overview of warranty coverage and is not a warranty statement. If you wish to see more details regarding Subaru warranties, please refer to your Subaru warranty booklet, contact your local Subaru dealer or visit our Web site at subaru.ca.

Subaru 360 C.A.R.E. Program (36 months/unlimited km)

Access to dedicated Subaru 360 C.A.R.E. (Customer Assistance for Roadside Emergencies) Roadside Assistance Services, which includes access to 1,000 CAA and AAA offices throughout Canada and the United States. In addition to towing, coverage also includes Fuel Delivery, Battery Boost, Flat Tire Service, Lock-Out Service, Trip Accident & Mechanical Breakdown Assistance Service, Winching and Extrication Service, Personalized Trip Planning and Routing, Theft and Hit-and-Run Reward, and Arrest Bond Certificate.

The above information is an overview of services. If you wish to see more details regarding Subaru 360 C.A.R.E., please visit our Web site at subaru.ca.

Subaru Protection Plan

As a Subaru owner, you have expectations for a pleasurable, trouble-free ownership experience – now and into the future. Once your 36-month/60,000-km New Vehicle Limited Warranty period ends¹, our Subaru Protection Plan (SPP) – the only vehicle service contract endorsed by Subaru Canada for Subaru vehicles – can prolong your hassle-free ownership experience with three levels of extended service contract coverage tailored to your needs: Powertrain Protection; Major Protection; or Complete Protection (best level of coverage to complement the 60-month/100,000-km Major Component Limited Warranty). SPP offers comprehensive mechanical and electrical coverage and a number of additional features and benefits, such as Roadside Assistance and Alternate Transportation, for up to 7 years or 160,000 kilometres from your vehicle's in-service date. Whether your vehicle is purchased or leased, SPP protects you and your investment. Be sure to ask your Subaru dealer for details or visit subaru.ca.

¹ If you already own a Subaru vehicle and it is still within the 36-month/60,000-km New Vehicle Limited Warranty period, you are still eligible for SPP.

For a detailed list of specifications, features, accessories and model comparisons, please visit Subaru.ca or your nearest authorized Subaru dealer.

The Supplemental Restraint System (SRS airbags) affords the driver and passenger additional protection in some collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment. The combination of SRS and seatbelts provides the best protection in a serious accident.
