CROSSTREK

CROSSTREK

LEARN MORE

Discovery lies between
points A and B.

Meet the 2026 Subaru Crosstrek.

There are miles to go before you reach that campsite you booked months ago, but in your 2026 Crosstrek, the adventure starts right here on the road. So feel free to explore all those in-between destinations along the way. Once you arrive and take in the view, you might consider going farther.

Capable

Beyond the roads that are smooth and flat, the Crosstrek proves itself with standard Subaru Symmetrical Full-Time All-Wheel Drive and up to 220 mm of ground clearance. If the terrain gets steep and slippery, Dual-Function X-MODE® provides the traction and confidence you need to push on¹.

Durable

Every Subaru is built to last, thanks in part to the 180-hp SUBARU BOXER® engine. Its horizontal design means less wear and tear—and it's at the core of every Crosstrek. There's also the all-new Crosstrek Hybrid Limited option with more power and efficiency to push your adventures farther.

Connected

High-tech meets low maintenance inside Crosstrek. You'll have an 11.6-inch touchscreen¹ where you can seamlessly access your music, navigation and other apps with Apple CarPlay®² and Android™ Auto³ integration. You can also enjoy a hassle-free, cord-free drive with wireless charging¹ and connectivity¹.

Safe

To help protect you and your passengers, Crosstrek includes our latest EyeSight® Driver Assist Technologies⁴, with an additional wide-angle camera for enhanced detection and intervention. For even greater peace of mind, you can opt for a host of innovative safety systems, like the DriverFocus® Distraction Mitigation System^{1,5} to help reduce distracted or drowsy driving.

2026 Crosstrek | Trim Levels

Convenience

- 180-hp 2.5-litre 4-cylinder SUBARU BOXER engine with direct injection
- EyeSight Driver Assist Technology⁴ with wide-angle mono camera
- Subaru Symmetrical Full-Time All-Wheel Drive

Subaru Warranties

Every Subaru vehicle is designed and built to offer our customers the highest possible level of quality and reliability. We are proud of our vehicles and proud to stand behind them with a comprehensive warranty. For 2026 model-year vehicles, the warranty on all Subaru vehicles consists of the following:

New Vehicle Limited Warranty (36 month/60,000 km) – Covers basic and major components for 36 months or 60,000 km.

Major Component Limited Warranty (60 month/100,000 km) – Extends coverage of major components (more than just powertrain) up to 60 months or 100,000 km.

Surface Corrosion Limited Warranty (36 month/60,000 km) – Covers surface corrosion to visible painted body panels for 36 months or 60,000 km.

Anti-Perforation Limited Warranty (60 month/unlimited km) – Covers perforation due to corrosion to body sheet metal panels for 60 months, regardless of kilometres.

Emission Control System Limited Warranty – Covers some emissions components for 36 months or 60,000 km and the major parts of the emission control system for 96 months or 130,000 km.

Parts and Accessories Limited Warranty – Covers Subaru parts and accessories installed by the Subaru dealer prior to retail delivery of the vehicle for 36 months or 60,000 km, and Subaru parts and accessories installed by the Subaru dealer after the retail delivery of the vehicle for 12 months or 20,000 km from the date of the installation.

The above information is an overview of warranty coverage and is not a warranty statement. If you wish to see more details regarding Subaru warranties, please refer to your Subaru warranty booklet, contact your local Subaru dealer or visit our Web site at subaru.ca.

Subaru 360 C.A.R.E. Program (36 months/unlimited km)

Access to dedicated Subaru 360 C.A.R.E. (Customer Assistance for Roadside Emergencies) Roadside Assistance Services, which includes access to 1,000 CAA and AAA offices throughout Canada and the United States. In addition to towing, coverage also includes Fuel Delivery, Battery Boost, Flat Tire Service, Lock-Out Service, Trip Accident & Mechanical Breakdown Assistance Service, Winching and Extrication Service, Personalized Trip Planning and Routing, Theft and Hit-and-Run Reward, and Arrest Bond Certificate.

The above information is an overview of services. If you wish to see more details regarding Subaru 360 C.A.R.E., please visit our Web site at subaru.ca.

Subaru Protection Plan

As a Subaru owner, you have expectations for a pleasurable, trouble-free ownership experience – now and into the future. Once your 36-month/60,000-km New Vehicle Limited Warranty period ends¹, our Subaru Protection Plan (SPP) – the only vehicle service contract endorsed by Subaru Canada for Subaru vehicles – can prolong your hassle-free ownership experience with three levels of extended service contract coverage tailored to your needs: Powertrain Protection; Major Protection; or Complete Protection (best level of coverage to complement the 60-month/100,000-km Major Component Limited Warranty). SPP offers comprehensive mechanical and electrical coverage and a number of additional features and benefits, such as Roadside Assistance and Alternate Transportation, for up to 7 years or 160,000 kilometres from your vehicle's in-service date. Whether your vehicle is purchased or leased, SPP protects you and your investment. Be sure to ask your Subaru dealer for details or visit subaru.ca.

1. If you already own a Subaru vehicle and it is still within the 36-month/60,000-km New Vehicle Limited Warranty period, you are still eligible for SPP.

For a detailed list of specifications, features, accessories and model comparisons, please visit Subaru.ca or your nearest authorized Subaru dealer.

The Supplemental Restraint System (SRS airbags) affords the driver and passenger additional protection in some collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment. The combination of SRS and seatbelts provides the best protection in a serious accident.
