To Our Customer

From all of us at Kia Canada Inc. and Kia Motors Corporation, we would like to congratulate you on the purchase of a Kia vehicle. You are now the proud owner of a vehicle we take tremendous pride in manufacturing.

This section contains information about contacting Kia Canada's Consumer Affairs Department and about how you can access the dispute resolution services provided by the Canadian Motor Vehicle Arbitration Plan (CAMVAP). Please review the procedure on the next few pages.

These services are provided to help you resolve any concerns you might have with your Kia vehicle or the dealership you are using. Feel free to contact us at any time.

Kia Owner Satisfaction and Assistance

Both Kia Canada and your Kia dealer are dedicated to serving all of your automotive needs. Your complete satisfaction is our primary concern. Your Kia dealer is available to assist you with all of your automobile sales, parts and service maintenance requirements.

Normally, any questions or concerns with the sales transaction or the operation of your vehicle will be resolved by your dealership's Sales or Service Departments. Sometimes, however, despite the best intentions of all concerned, misunderstandings can occur. If your concern has not been resolved to your satisfaction, the following steps should be taken:

STEP ONE:

Discuss the situation with a member of dealership management. Normally, concerns can be resolved at that level. If the problem has already been reviewed with the Sales, Service, or Parts Manager, contact the **Owner of the dealership or the General Manager**.

STEP TWO:

If after contacting a member of dealership management, it appears your concern cannot be resolved at the dealership without further help, contact Kia Customer Assistance Centre using our toll free number:

1-877-KIA-AUTO (1-877- 542-2886)

For prompt assistance, please have the following information available to give the Customer Assistance Representative:

- Your name, address, home and business telephone number.
- Vehicle Identification Number (This is available from the vehicle registration, or the plate above the top left of the instrument panel and visible through the windshield.)
