DEALER ePROCESS

The 10.25-inch, frameless, digital, full-colour Driver Information Display (DID) allows you to customize the contents of up to 24 screens. Available.

The unique 10.1-inch radio shines within a very modern interior.

The Jeep® Brand steering wheel offers a compact design with fingertip controls for communication, entertainment and vehicle data.

Elegant door panels add a sleek, sophisticated appearance.

The raised centre console takes function and style to the next level, offering deep storage cubbies and an available wireless charging pad.

TOMORROW'S TECHNOLOGY DRIVES YOU

AN ATTRACTIVE, USER-FRIENDLY DESIGN allows access to the very latest tech, so you're always in touch and in control. The available Uconnect® 5 NAV Infotainment System with a standard 10.1-inch touchscreen stands as a focal point. The large, optional, 10.25-inch, digital, full-colour DID can be customized to show vehicle speed, navigation^{1*} data, outside temperature, tire pressure monitoring and more. An available wireless charging pad adds welcome function to the raised centre console with its large cubby storage bin.

Limited McKinley perforated leather-trimmed interior in Black
Properly secure all cargo.

Android Auto™ shown on touchscreen. *All disclaimers and disclosures can be found on the last page.

BEAUTIFUL TEXTURES

YOU'RE INVITED to experience premium craftsmanship throughout. Every surface is designed to blend harmoniously, creating a sanctuary of exceptional peace.

You'll travel in comfort and luxury within a cabin brimming with distinction. This sophisticated, two-tone cabin design — fashioned from premium leathers, fabrics with contrast stitching and durable metals — raises the interior of Jeep® Compass Limited to a new level of urban style.

Limited McKinley perforated leather-trimmed interior in Black

COMFORTING DETAILS

Relax in ultimate comfort, travelling in seats with slim headrests and enhanced upper back support.

Opt for an available wireless charging pad and three standard Type-A and -C USB ports in the front row and two USB ports in the second row.

A deep centre storage cubby lets you hide valuables out of sight.

Rear passengers enjoy travelling with exceptional cushioned comfort.

Compass offers plenty of convenient cup holders for front and rear passengers.

North with Altitude Special Edition McKinley leatherette interior in Black Android Auto™ shown on touchscreen.

FIRST-CLASS TRAVEL

PASSENGERS ARE TREATED to ultimate relaxation and convenience in this thoughtfully designed cabin. The raised centre console is reconfigured to maximize storage space. Rear-seat passengers gain additional Heating, Ventilation and Air Conditioning (HVAC) vents, a standard 12-volt auxiliary power outlet and connectivity with up to two USB ports.

Available wireless charging pad. Properly secure all cargo.

Rear HVAC vent

A SMART OPENING MOVE

HANDS-FREE ACCESS

JEEP® COMPASS MAKES IT EASY to load up and head out. You can configure the 60 / 40 split-folding rear seat to carry people, cargo and gear as your needs dictate. The height-adjustable rear cargo floor can lower to accommodate tall items or raise up for easy slide-in loading. The foot-activated Open 'n Go liftgate eliminates fumbling with packages and keys while loading into the cargo area. This convenient feature opens your rear liftgate automatically — just swipe your foot under the rear bumper. Available.

Trailhawk® in Baltic Grey

GO ANYWHERE, DO ANYTHING®

THE TWO AUTHENTIC JEEP® BRAND 4x4 SYSTEMS can send up to 100 percent of available torque to any one wheel, helping to ensure your command over any terrain. With the help of a rear-axle disconnect, these systems can actively transition from 4x4 into fuel-saving Front-Wheel Drive (FWD), delivering both efficiency and capability when you need it.

JEEP® ACTIVE DRIVE You'll automatically enjoy seamless operations in and out of 4x4 mode at any speed with the rear-axle disconnect. Jeep® Active Drive also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use, all-weather boost in capability. Standard on all models.

JEEP ACTIVE DRIVE LOW is exclusively featured on Trailhawk® with a single-speed Power Transfer Unit (PTU) that offers torque management and 4x4 Low mode. When in Low, the system delivers additional power at low speeds, giving you the ability to crawl over boulders with confidence, thanks to a 1-inch increase in ride height and a crawl ratio of 20:1.

JEEP® COMPASS 4x4 SYSTEMS

DEALER ePROCESS

Trailhawk in Bright White

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

SELECT YOUR MODE OF TRACTION CONTROL

ROCK

Delivers Trail Rated® 4x4 Low capability, thanks to its locking rear differential, allowing you to crawl over rugged terrain at appropriately safe speeds. Standard exclusively on Trailhawk®.

SAND / MUD

Converts to a uniquely calibrated Sand Mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces. Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios geared to successfully tackle mud.

SNOW

Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

AUTO

In this mode, Selec-Terrain® does the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

MATCH YOUR CAPABILITY TO THE ROAD AHEAD

EVERY JEEP® COMPASS arrives with a Jeep® Selec-Terrain Traction Management System, giving you the power to help tackle Mother Nature's toughest conditions. A selectable toggle switch can adjust to your desired mode with the touch of a finger. The system features Sand/Mud, Snow and Auto settings and, exclusive to Trailhawk, Rock Mode that doubles down on traction control to help master challenging conditions during on- or off-road travels.

THE MODES OF SELEC-TERRAIN

TRAILHAWK® ELITE

- Premium leather-trimmed bucket seats with ventilated front seats
- Power 8-way driver's and front-passenger seats with power 2-way lumbar adjust and driver's-seat memory
- Uconnect® 5 NAV Infotainment System with 10.1-inch touchscreen
- 10.25-inch, full-colour Driver Information Display
- LED low-/high-beam projector headlamps
- Premium LED taillamps and fog lamps

ADVENTURE IS READY AND WAITING, and you're fully equipped with a premium cabin designed to keep you comfortable and travelling in style while you're at it. Red accent stitching stands out on the cushioned seating, with Ruby Red bezels offering additional enhancements. The Trailhawk® logo is embroidered in Ruby Red on the front seatbacks, a proud announcement of this vehicle's authentic DNA.

STRENGTH OF PURPOSE

Jeep® Compass combines power and efficiency with authentic Jeep® Brand engineering for true strength of purpose to pull loads and pass ahead when the need arises.

2.0L TURBO I-4 ENGINE This powerplant performs with V6 muscle while offering the welcomed efficiencies of an I-4. The direct injection boosts power, and Engine Stop/Start (ESS) technology can help improve fuel efficiency. It's a perfect match of superior strength teamed up with welcome efficiencies. With its standard match to the 8-speed transmission, you'll enjoy strong takeoffs and smooth highway coasting. Standard.

ENGINE STOP / START (ESS) TECHNOLOGY This welcome feature can help optimize efficiency while minimizing emissions. ESS seamlessly turns off the engine at stops, then restarts it when the brake pedal is released and the transmission is engaged. Standard.

8-SPEED AUTOMATIC TRANSMISSION Compass arrives with a responsive and smooth 8-speed automatic transmission matched to the 2.0L Turbo I-4 engine, delivering a powerful performance while operating efficiently, especially at highway speeds. Standard on all models.

10.25-INCH, DIGITAL DRIVER INFORMATION DISPLAY (DID) WITH 24 SCREENS

Spanning virtually the entire driver's instrument cluster viewing area, this large, digital, full-colour DID holds a vast amount of critical vehicle data. Up to 24 customizable display screens can be accessed via steering-wheel controls where drivers can see vital performance stats, navigation¹ instructions and much more — all on demand. High-definition graphics are crisp and bright. Available.

A LOT TO CONNECT WITH

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation¹ and entertainment — all from one easy-to-use standard 10.1-inch touchscreen.

You're always connected with Uconnect, whether in your vehicle or via the Jeep® App² on your device, which allows you to lock and unlock your vehicle remotely. Available.

PHONE/TEXT
 Pair up to eight phones, make calls, use voice commands to hear and respond to texts,³ select media stations and access navigation!
 Includes Apple CarPlay⁴ support and Android Auto^{TM4} compatibility. Available.

CONNECTIONS
 With Siri Eyes Free⁵ and your connected iPhone, use voice commands to make calls, create and send texts, and more.³ Available
 GPS Navigation¹ helps you travel the best routes. A 4G LTE Wi-Fi Hotspot⁶ connects with up to eight devices within 15.2 m (50 ft) of your vehicle. Available.

JEEP® CONNECT²
 From daily routines to weekend adventures, Jeep Connect lets you stay connected and protected with a suite of safety and convenience features. You can make an SOS Call,⁷ lock/unlock or start your Compass from virtually anywhere,⁸ use GPS Navigation,¹ receive drive alerts and much more. Three-month trial. Available.

ALEXA BUILT-IN⁹
 Ask Alexa to stream music, navigate to points of interest, check the weather, view your calendar, build shopping and to-do lists or answer general questions. Available.

Download the Jeep App² and enrol in Jeep Connect² to keep you in touch and in control of your vehicle like never before.

CONNECTED TRAFFIC & TRAVEL SERVICES²
 Connected search, traffic and travel services keep you moving toward your desired destinations. Available.

SIRIUSXM^{®10}
 SiriusXM[®] delivers over 150 channels of ad-free music in every genre, exclusive interviews and performances from our studios, plus world-class news, live play-by-play sports and the biggest names in comedy. Listen in your car or by using the SiriusXM app¹⁰ included in your six-month trial. Available.

SIRIUSXM WITH 360L¹⁰
 Enjoy a personalized experience with on-demand audio, content recommendations and more variety. Available.

START YOUR CAR FROM AFAR
 Start the engine, lock the doors, check fuel status and more using the available Jeep Skill for Amazon Alexa.¹¹

ACTIVELY ON GUARD

Using an array of cameras and sensors, Jeep® Compass monitors all around its perimeter, acting as a modern sentry constantly on alert and ready to help you arrive at your destination, safe and sound. These technologically advanced systems add peace of mind to all your travels.

360° SURROUND-VIEW CAMERA SYSTEM¹³ The next big thing in safety arrives to give you a composite bird's-eye view of your vehicle's positioning on all four sides. This camera works to assist with parking manoeuvres, helps you see blind spots and assists in detecting objects that may not be visible otherwise. Available.

TRAFFIC SIGN RECOGNITION¹² Detects road signs and provides visual reminders on your multi-view display. Available.

PEDESTRIAN / CYCLIST EMERGENCY BRAKING¹⁴ Drivers are provided a warning and the vehicle automatically decelerates to help avoid an impending collision with a pedestrian or cyclist ahead. Standard.

PARALLEL AND PERPENDICULAR PARK AND UNPARK ASSIST SYSTEM¹⁵ This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive as needed. Unpark Assist¹⁵ helps you navigate your way out of parking spots. It controls the vehicle's steering while providing the driver with gear and braking instructions. Available.

ACTIVE LANE MANAGEMENT SYSTEM¹⁵ This safety feature measures your position within lane boundaries. If the system detects an unintentional lane drift, it will alert you and correct the vehicle back into its lane. Standard.

DEALER ePROCESS

SAFE AND SECURE OVER EVERY ROAD

FORWARD COLLISION WARNING WITH AUTOMATIC EMERGENCY BRAKING¹⁵

Sensors help detect when Jeep® Compass may be approaching another vehicle too rapidly. They may send an audible and visual alert to the driver and may provide braking if necessary. Standard.

BLIND-SPOT MONITORING¹⁵ WITH REAR CROSS-PATH DETECTION¹⁵ SYSTEMS

These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via helpful icons illuminated on sideview mirrors and an audible chime. Available.

PARK-SENSE® FRONT AND REAR PARK ASSIST SYSTEM¹⁵

Ultrasonic sensors determine the relative distance to objects in your rear pathway. Read-outs in the Driver Information Display provide notification of front-object proximity, and an audible warning is given. Available.

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge, Ram, Wagoneer and FIAT retailer or call (800) 465-2001.

WARRANTIES: 2024 Chrysler, Jeep, Dodge, Ram, Wagoneer and FIAT vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.

*Whichever comes first. Some conditions may apply. The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Never program while driving. GPS mapping and 3D navigation may not be detailed, available in all areas or reflect current road regulations. 2) All vehicles properly equipped to receive Jeep Connect services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package, and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrollment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. 3) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 4) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check go.andoauto/requirements for compatibility. 5) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 6) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 7) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 8) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 9) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 10) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 11) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription and be properly equipped with a Uconnect 5 or Uconnect 5 NAV system. Certain Alexa functionality is dependent on smart home technology. 12) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. 13) Always check entire surroundings visually before proceeding. 14) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 15) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 16) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 17) Vehicle must be locked and system activated for alarm to sound. 18) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 19) HAS requires the driver to keep his or her hands on the steering wheel at all times. This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. 20) Not compatible with all garage door openers. 21) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
