EXCLUSIVE BENEFITS

FOR EVERY JEEP®
GRAND CHEROKEE OWNER

Jeep® Grand Cherokee, Grand Cherokee L and Grand Cherokee 4xe vehicles are automatically enrolled in the Jeep Wave® Customer Care Program. It's designed to provide owners with dedicated support and a special package of benefits that enhance their ownership experience and thank them for their patronage. Visit jeep.ca/jeepwavecanada for full details.

Jeep Wave
CUSTOMER CARE

EXPAND AND EXPLORE

Relax and take in the view, reclining in comfort in two — or even three — rows of seating in the luxurious Jeep® Grand Cherokee or Grand Cherokee L. The 16-way-adjustable front seats offer an available massage feature, while passengers in the rear ride with heating and cooling vents in very close proximity for a more tailored climate. Available on select three-row models, Rear-Seat Entertainment with Amazon Fire TV Built-in³ on two separate screens offers streaming capabilities for customized viewing.

ARTISTS' RENDERINGS

ELEGANT The unique, leather-wrapped, heated steering wheel on Summit is a study in luxury, featuring intricate contrast stitching and a precisely inlaid wood appliqué.

REFINED Open-pore wood, knobs and dials crafted with detailed chrome surrounds and buttery soft Nappa leather trim all come together to create a lush variety of textures within the cabin.

THE HIGHEST POINT The Summit nameplate is proudly announced on the Nappa leather-trimmed front seats. Rear-seat passengers are provided with exceptional features and entertainment.

SCREEN STARS

10.25-INCH DRIVER INFORMATION DISPLAY

A wide range of customizable information includes available navigation details, trip data, outside temperature, tire pressure monitoring, 4x4 specifications and more. Standard.

10.25-INCH FRONT-PASSENGER INTERACTIVE TOUCHSCREEN

Front passengers have their own frameless digital touchscreen, allowing them at-hand access to data and apps so they can look up directions and send them right to the driver, for example. Full connectivity provides a seamless experience between a smartphone and the system. Available.

REAR-SEAT ENTERTAINMENT WITH AMAZON FIRE TV BUILT-IN³ lets passengers enjoy a wide variety of content from popular apps. Stream videos, play games, listen to music, get information and watch downloaded programs — all while on the road. Includes two 10.1-inch screens and two Voice Remotes with Alexa. Available.

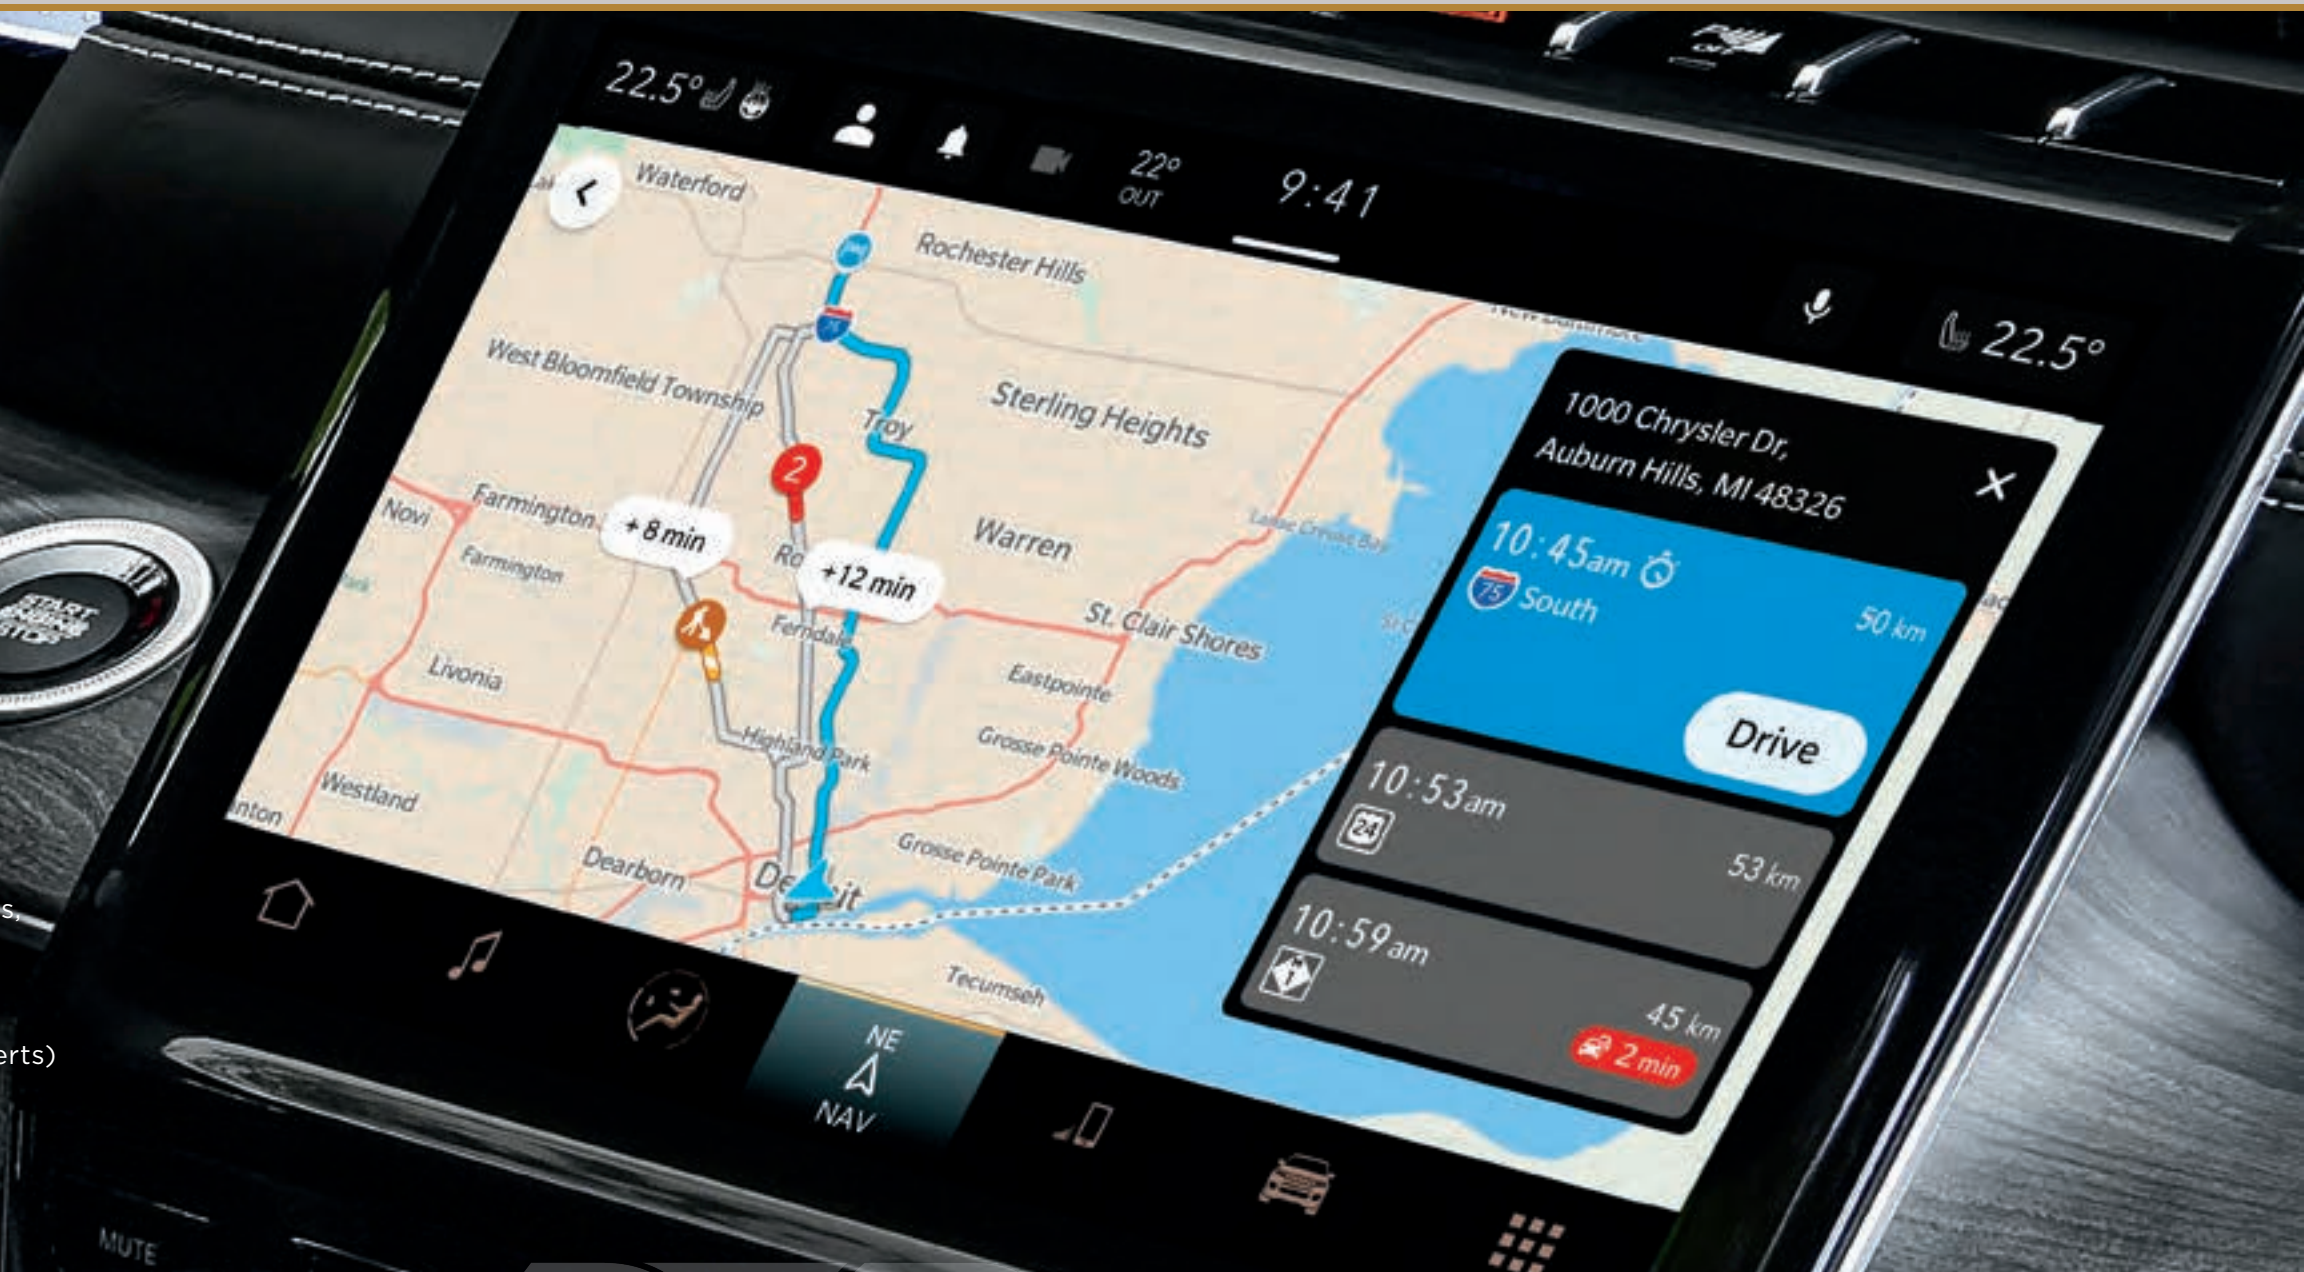

THE UCONNECT® 5 SYSTEM offers more connected services and features for unmatched ease of use for both novice and expert users alike. This robust system delivers rich content and personalization at lightning-fast operating speeds. Uconnect® 5 helps to make every road trip fun and informed.

JEEP® CONNECT⁴ FEATURES INCLUDE:

- Remote Vehicle Operations⁵ (lock/unlock doors, start engine and horn/lights)
- Vehicle Health Reports and Alerts⁶
- Vehicle Theft Alerts⁷
- Drive Alerts⁸ (speed, boundary and location alerts)
- Send Destination to Vehicle⁹
- Last Mile Navigation⁸ (walking directions to final destination)
- SOS Call¹⁰

- SiriusXM^{®11} (with six-month trial). Available
- Jeep® Connect⁴
- Standard wireless Apple CarPlay¹² support

- Standard wireless Android Auto^{TM12} compatibility
- GPS Navigation¹⁶ Available
- Google Assistant compatibility. Available

- Amazon Alexa Built-in¹³ Available
- SiriusXM with 360L¹¹ Available
- High-Definition (HD) radio. Available

UCONNECT® 5

Award-Winning Uconnect® 5, with its large, full-colour, available 10.1-inch touchscreen, integrates with your smartphone, thanks to Apple CarPlay¹² and Android Auto.^{TM12} Opt for a Wi-Fi Hotspot¹⁴ and up to eight devices can connect. With greater personalization features, it's the most advanced Uconnect system ever.

ALEXA BUILT-IN¹³

Ask Alexa to stream music, navigate to points of interest, check the weather, view your calendar, build shopping and to-do lists or answer general questions. Available.

CONNECTED TRAFFIC & TRAVEL SERVICES⁴

Connected search, traffic and travel services keep you moving toward your desired destinations. Available.

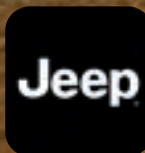

START YOUR CAR FROM AFAR

Send destinations, lock the doors, check fuel status and more using the available Jeep® Skill for Amazon Alexa.²⁹

A LOT TO CONNECT WITH

Download the Jeep® App and enrol in Jeep Connect⁴ to keep you in touch and in control of your vehicle like never before.

MAPS OVER THE AIR (MOTA)

Get updates to your navigation¹⁶ system at the push of a button.⁴ Available.

SIRIUSXM^{®11}

Tune in and travel well. SiriusXM^{®11} connects you with the ultimate entertainment experience, including over 150 channels of ad-free music, plus sports, news, talk and comedy. Six-month trial. Available.

SIRIUSXM WITH 360L¹¹

Enjoy a personalized experience with on-demand audio, content recommendations and more variety. Available.

PHONE / TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,¹⁵ select media stations and access navigation.¹⁶ Includes wireless Apple CarPlay¹² support with your connected iPhone and wireless Android Auto¹² compatibility. Standard.

JEEP® CONNECT⁴

Enjoy a suite of safety and convenience features, including SOS Call,¹⁰ lock/unlock or start⁵ your car from virtually anywhere, and much more. Three-month trial. Available.

- 10-INCH SUBWOOFER
- 17-CHANNEL, 950-WATT AMPLIFIER
- PRECISION SOUND WITH UNRIVALLED CLARITY

SANCTUARY

AN IMMERSIVE EXPERIENCE

For those who appreciate acoustic precision, McIntosh® is engineered to exceed expectations. It stands as a classic luxury brand known for delivering high-performance levels in home music and film sound. Available.

Thanks to the 19-speaker McIntosh audio system, all passengers enjoy an immersive audio experience.

DEP
DEALER ePROCESS

The image shows the front interior of a Jeep Grand Cherokee Summit Reserve. The seats are upholstered in quilted Palermo leather in a light tan color. The dashboard and center console feature wood trim and a large 10.25-inch touchscreen display. The steering wheel is black with the Jeep logo. The view through the windshield shows a forest with tall trees and a wooden walkway.

NATURAL

SURROUNDINGS

Quilted Palermo leather seating and trim in Tupelo or Black elevate the Grand Cherokee Summit Reserve to peak sophistication. Here, you'll experience the height of luxury, from open-pore wood trim to intricately crafted bezels to a dedicated 10.25-inch front-passenger interactive touchscreen and a McIntosh® 19-speaker, 950-watt audio system. This exceptionally trimmed Grand Cherokee is reserved for those who appreciate a full roster of standard premium amenities.

ROW SEATS. AVAILABLE

4. INTERIOR REAR-SEAT- MONITORING CAMERA¹⁷

Get a view of everyone in the second and third rows of Grand Cherokee L with an image displayed on the main touchscreen. This includes a clear view of any rear-facing child-seat occupants, a unique zoom-to-seat feature and a split-view display. Available.

5. POWER-FOLDING THIRD-ROW BENCH SEAT

Exceptional seat architecture allows for roomy third-row legroom, providing easy access for “way back” passengers. A power-folding bench seat is standard on Grand Cherokee L Overland® and Summit.

DEALER ePROCESS

ARTISTIC GLOW, INSIDE AND OUT

SEE YOUR WAY CLEARLY

Grand Cherokee arrives with bright light options, including unique signature headlamps that can change to fit how you want to be seen. Fog lamps add safety and security measures when the weather calls on you to be extra cautious.

Grand Cherokee L Summit Reserve in Baltic Grey

Grand Cherokee Summit Reserve with multicolour ambient LED interior lighting

CUSTOM INTERIOR LIGHTING offers ambient, five-colour personalization. Create a unique atmosphere that reflects your mood with LED lights and daytime and nighttime settings along the entire front dashboard. Front- and second-row cup holders offer backlighting as well. Available.

Premium LED lighting adds a special glow with standard, signature daytime running lamps (DRLs), front headlamps and taillamps, and available fog lamps.

LED headlamps

SEE AND BE SCENE

ITS SOPHISTICATED PRESENCE is a direct result of exceptionally styled exterior and interior features found on the Jeep® Grand Cherokee Summit. A fine-tuned appearance includes Gloss Black and Fine Silver roof rails, while standard Palermo leather-trimmed seats, a McIntosh® 19-speaker, 950-watt audio system, and exquisite touchpoints of brushed chrome, leather and real wood are just a few of the high-end, highly crafted interior features.

Grand Cherokee Summit in Silver Zynith

LIMITED

LUXURY DEFINED AND REDEFINED

JEEP® GRAND CHEROKEE LIMITED ushers you into a world of luxury and exceptional style, reflecting its craftsmanship from every angle. Standard LED fog lamps help you see and be seen in inclement weather, and a standard Remote Start System helps ready the cabin for comfort upon entry. The available Black Appearance Package adds mystique with Gloss Black exterior accents, Gloss Black roof rails and 20-inch Gloss Black-painted wheels that sport All-Season tires. Limited extends an invitation to experience true Grand Cherokee sophistication.

Grand Cherokee Limited in Bright White with Black Appearance Package

20-inch Gloss Black-painted wheels

Gloss Black roof rails

Gloss Black grille surround

The artistry designed into
Grand Cherokee Limited
stands out from every angle.

HEATED / VENTILATED SEATS
Front- and second-row passengers enjoy the comfort of heated seating and available ventilation. Drivers are pampered with a techno-leather-wrapped steering wheel.

QUALITY AUDIO The Alpine® Premium Audio System with Active Noise Cancellation delivers top-quality sound via a 506-watt amplifier, a subwoofer and nine carefully placed speakers. Available.

CARGO TO GO A carpeted cargo area includes a storage tray and four tie-down loops. Fold down the second and third rows to enjoy up to 2,396 L (84.6 cu ft) of cargo volume (with the three-row model).

Grand Cherokee Limited in Midnight Sky

POWER, HEATED, MEMORY MIRRORS These multifunctioning side mirrors help keep your rear view in clear sight. Memory functions automatically perform readjustments for two different drivers. Available.

FINGER-TOUCH STEERING-WHEEL CONTROLS Keep your eyes on the road while your fingertips can help you access pertinent information and adjustments on your Multi-View Display, HVAC, available Head-Up Display and Uconnect® system. Standard.

ELECTRONIC GEAR SHIFTER DIAL This ergonomically pleasing dial is easy to grip, smoothly turning and landing on each PRND gear while staying in place until its next turn. Standard.

REMOTE START SYSTEM Climb into a pleasantly preheated or precooled vehicle — featuring a 91-m (300-ft) range. Available.

MULTI-ZONE AUTOMATIC TEMPERATURE CONTROL Passengers sitting in the four climate-control zones of the front and second rows can enjoy separate air temperature settings. Available.

WIRELESS CHARGING PAD No need for cumbersome cords. When you need to charge your device, simply place it on the pad that is conveniently within reach of the driver and front passenger. Available.

DUAL-PANE PANORAMIC SUNROOF Sightseers will enjoy so much more to see with this large sunroof. The world opens up, thanks to its power sunshade opening in front and its fixed glass ceiling in the rear. Available.

REMOTE PROXIMITY ENTRY Keep the key fob in your pocket, open the door, get seated with your foot on the brake, press the Start button and simply shift into Drive. Standard.

IMPRESSIVE CARGO VOLUME Grand Cherokee L, with its three rows of seating, offers a wide range of configuration options that are easily deployed. Lower the third row to access 1,328 L (46.9 cu ft) of volume, and increase it to 2,396 L (84.6 cu ft) when the second row is lowered as well.

4xe

PLUG INTO A GRAND ADVENTURE

CHARGE IT UP EASILY The available Jeep® Brand Level II Plug-in Hybrid Electric Vehicle (PHEV) Home Charging Station¹⁸ gets you powered up fast. Choose to set up a charging schedule during low-rate times using Uconnect® to help reduce energy costs.

DEP
DEALER ePROCESS

RECHARGE AND RENEW

Take pleasure in renewing your spirit within a luxurious, spacious cabin. Jeep® Grand Cherokee Summit Reserve 4xe is engineered to deliver peace of mind, incorporating modern comforts that soothe with smart utility like the 10.25-inch front-passenger interactive touchscreen. Both front-row and second-row passengers benefit from developments that usher in a new era of exceptional elegance that's both luxurious and smartly efficient.

Grand Cherokee Summit Reserve 4xe with Black quilted Palermo leather interior

YOU CHOOSE HOW AND WHEN TO OPTIMIZE THE AVAILABLE HYBRID DRIVETRAIN via push-button controls on the dashboard. Select HYBRID for the best of both worlds, ELECTRIC to only use battery power, or e-SAVE to reserve battery power for later — like for low-emission zones in cities or driving through a majestic cedar forest — where you'll enjoy near-silent exploring with maximum torque and horsepower.

WHERE MASTERY MEETS EFFICIENCY

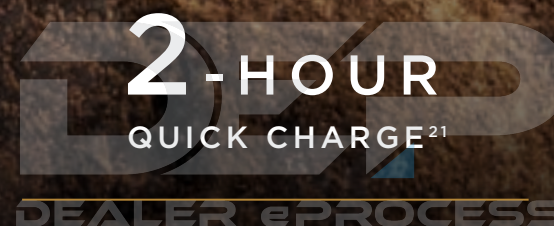

Plug-in hybrid technology is the driving force that — once again — places Jeep® Grand Cherokee at the forefront of SUV innovation. Go from exploring exciting city landmarks in plush luxury to rediscovering the beauty of nature in near silence with reduced emissions, easily transitioning from gasoline to all-electric travel.

Grand Cherokee Trailhawk® 4xe in Silver Zynith

In addition to a standard Quadra-Drive® II Four-Wheel-Drive (4WD) system and hybrid powertrain with a rear electronic limited-slip differential, Trailhawk® 4xe offers available, high-level safety and security systems like the 360° cameras,²³ Night-Vision Camera²⁴ and the Intersection-Collision Assist System.²⁵

A white Jeep Grand Cherokee Trailhawk 4xe is shown from a front-three-quarter view, driving on a rocky, uneven mountain trail. The vehicle is positioned on the left side of the frame, moving towards the right. The background features a scenic mountain landscape with evergreen trees, a valley, and a lake under a blue sky with scattered clouds. The text "ROCK STAR" is in the top right, and "4xe" is in a stylized blue font below it. In the bottom right, the text "MOST CAPABLE GRAND CHEROKEE EVER" is displayed, followed by a paragraph of descriptive text. At the bottom left, there is a "DEALER ePROCESS" logo and a small caption about the vehicle's color.

ROCK STAR

4xe

MOST CAPABLE GRAND CHEROKEE EVER

JEEP® GRAND CHEROKEE TRAILHAWK® 4xe blends power and hybrid technology, handing over Jeep® Brand capability and advanced hybrid technology all at once. A sway bar disconnect improves articulation and traction over rocks and rough terrain during on-the-trail manoeuvres. The Quadra-Drive® II Four-Wheel-Drive (4WD) system on Trailhawk®, Summit and Overland® (with the Off-Road Group) is fully operational in all-electric mode, where you can listen in near silence to Mother Nature's soundtrack in all its glory.

DEALER ePROCESS

Grand Cherokee Trailhawk® 4xe with Black leather interior

JEEP® GRAND CHEROKEE TRAILHAWK® 4xe

You'll experience plenty of comfort and tech during all your travels when you ride with Trailhawk®. Here, you'll command a new breed of hybrid style, perfectly suited for those who appreciate exceptional craftsmanship matched with modern technology.

TRAILHAWK STEERING WHEEL It's heated for comfort, with carefully placed buttons that help accomplish important tasks. Standard.

SURF BLUE ACCENTS Show off your 4xe status with three standard Surf Blue tow hooks: two up front and one in the rear. The Trailhawk hood decal also glows in Surf Blue, the colour that identifies it as an exceptionally capable hybrid vehicle. Standard.

OFF-ROAD PAGES Access real-time performance data so you know just how far your suspension is travelling, and see the status of your transfer case and how you're faring on the trail with the display showing pitch/roll angles. In-depth vehicle diagnostics (including wheel turn, oil pressure, articulation and transmission temperature, GPS coordinates and more) all help to provide an optimized experience. Standard.

POWER THAT MOVES YOU

BEST-IN-CLASS V6 TOWING¹⁹ **6,200-LB (2,812-KG) MAX** **3.6L V6 ENGINE (STANDARD)**

Grand Cherokee is powered to bring along the best of your toys. This strong, available V6 engine combines strength and efficiency, thanks to its ESS technology.

CLASS-EXCLUSIVE **V8 POWERTRAIN¹⁹** **5.7L V8 ENGINE (AVAILABLE)**

Jeep® Grand Cherokee, when equipped with its powerful V8 engine, rides above all the rest. This available powerhouse delivers awe-inspiring capability, engineered to take you far, where others only dream of going.

V8 TOWING **7,200-LB (3,265-KG) MAX**

Properly secure all cargo. Always tow within the vehicle's capacity.

Choose from two gas-powered engines, each engineered to deliver proven capabilities. The 3.6L Pentastar™ V6 engine combines strength with an efficient performance, achieving 293 horsepower, while Engine Stop/Start (ESS) technology adds desired economies. The available Class-Exclusive 5.7L V8 engine¹⁹ offers quick and smooth acceleration, with maximum towing power of up to 3,265 kg (7,200 lb) and 390 lb-ft of torque. Both are paired to an 8-speed automatic transmission.

DEALER ePROCESS

AUTHENTIC MASTERY

THREE SYSTEMS ENABLE ON-DEMAND CAPABILITY, while a fast-acting front-axle disconnect optimizes driveline efficiencies and fuel economies. There's Quadra-Trac I® with its active single-speed transfer case, Quadra-Trac II® with its two-speed 4-HI and 4-LO transfer case for exceptional off-road capability and manoeuvring, or the Quadra-Drive® II Four-Wheel-Drive (4WD) system with sway bar disconnect (on Trailhawk® models) and rear electronic limited-slip differential. Available.

TRAIL RATED® Wearing the Trail Rated® badge designates that Jeep® Grand Cherokee has been tested and proven in five major categories, helping you navigate the most difficult challenges Mother Nature can dish out. Available.

TRACTION

WATER FORDING²⁶

MANOEUVRABILITY

ARTICULATION

GROUND CLEARANCE

Grand Cherokee Trailhawk® 4xe in Bright White

COMMAND EVERY ROAD

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

This system works to optimize the on- and off-road performance of every Jeep® Brand Four-Wheel-Drive (4WD) system. Selec-Terrain® lets you choose traction modes that automatically adjust to help you master every road condition you meet. Whether you're caught in snow-covered city streets or climbing backcountry hills, you'll have the confidence to bravely meet all challenges. Available.

CLASS-EXCLUSIVE QUADRA-LIFT® AIR SUSPENSION¹⁹

This system sets Jeep® Grand Cherokee apart by lowering ride height for optimal access or rising higher to meet your on-road demands. Now the system reacts even faster and raises even higher than the previous generation, so you're handed exceptional ground clearance with water fording²⁶ capabilities up to 60 cm (24 in). Available.

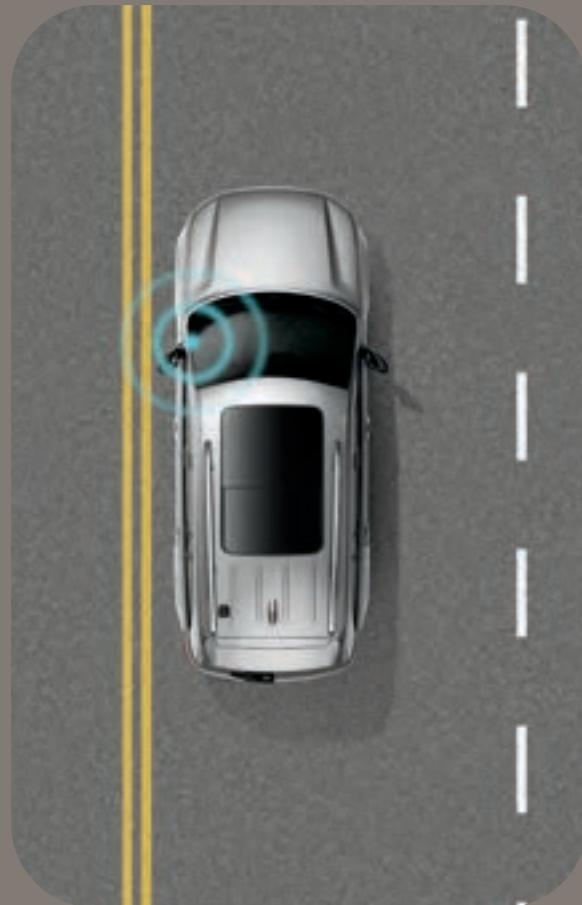

DEP
DEALER ePROCESS

ACTIVELY

ON GUARD

With the Most Available Safety and Security Features in its class,¹⁹ passengers in all rows benefit from next-generation technology and engineering. Enjoy travelling all roads knowing there are systems in place that are actively working to help keep you secure.

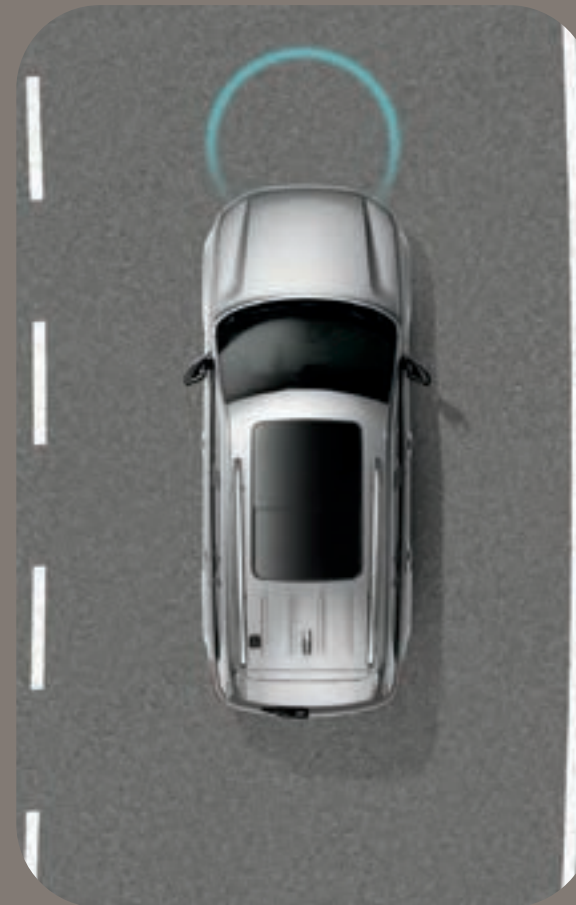

ACTIVE LANE MANAGEMENT SYSTEM²⁵

Provides a visual and audible warning should the system detect the vehicle is drifting outside of lane boundaries or if the driver's hands are off the wheel. Standard.

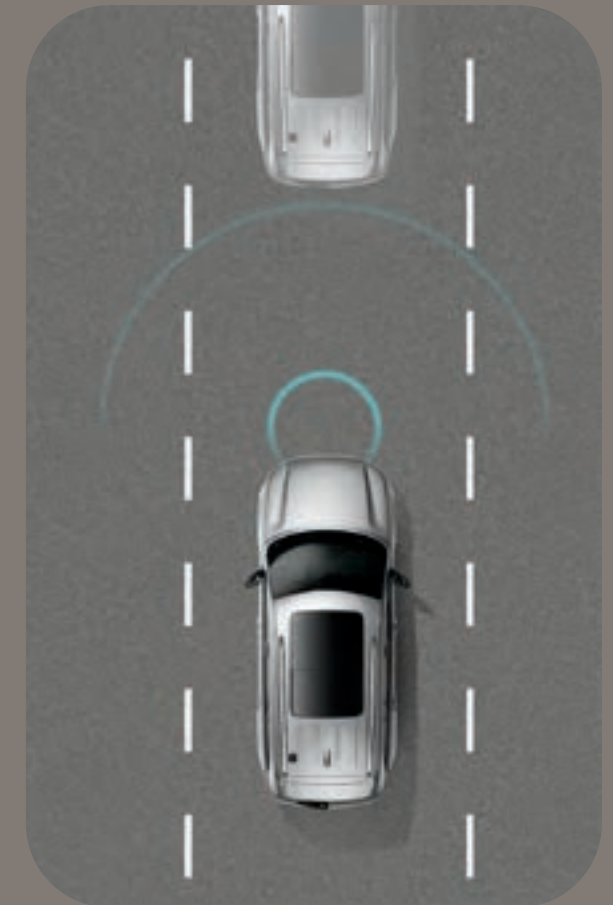

NIGHT-VISION CAMERA²⁴

An infrared eye mounted on the front grille is able to detect pedestrians and animals crossing the vehicle's pathway. The driver is notified in time to take appropriate action. Available.

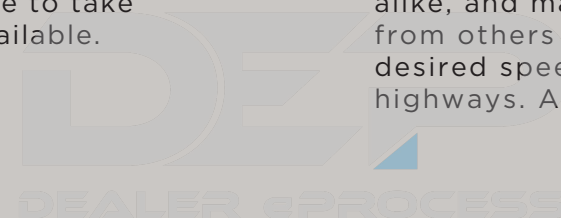

ACTIVE DRIVING ASSIST SYSTEM²⁵

Helps you simultaneously keep your vehicle centred in its lane, on straightaways and curved roads alike, and maintain a safe distance from others while cruising at a desired speed on divided highways. Available.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO²⁵

Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring the vehicle to a complete stop, without driver intervention, to help avoid a collision. Standard.

HANDS-FREE ACTIVE DRIVING ASSIST SYSTEM²⁵

DROWSY-DRIVER DETECTION²⁵

HEAD-UP DISPLAY

PEACE OF MIND

MOVE AHEAD WITH CONFIDENCE

HANDS-FREE ACTIVE DRIVING ASSIST SYSTEM²⁵ Helping to make travelling easier than ever, this system enables hands-free driving on select highways while keeping safety and security top of mind. While simultaneously monitoring driver attentiveness, it can perform lane changes, maintain prescribed distances between vehicles, slow and stop the vehicle, and more. Available on Overland® and Summit.

360° CAMERAS²³ Your vehicle's entire perimeter is monitored and displayed on your dash touchscreen. These cameras provide a top view, rear view and panorama view to assist you when parking, either manually or automatically. An automatic washer keeps the rear camera's lens clean. Available.

DROWSY-DRIVER DETECTION²⁵ Monitors steering wheel movement and provides an audible alert if the system detects the driver is not correctly handling the wheel or the vehicle is off track. Available.

HEAD-UP DISPLAY Drivers can maintain focus on the road ahead with the help of this full-colour, 10-inch transparent windshield display. Driving cluster data is projected onto a safe viewing area on the windshield in front of the driver. Available.

FRONT-FACING OFF-ROAD CAMERA²⁵ Mounted within the grille, the Off-Road Camera provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles. Available.

FORWARD COLLISION WARNING WITH ACTIVE BRAKING²⁵ Sensors detect when the vehicle may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing active braking assistance if the driver does not react in time. Standard.

BLIND-SPOT MONITORING²⁵ AND REAR CROSS-PATH DETECTION SYSTEM²⁵ Monitors the space between you and other drivers, and you're notified when a side or rear blind spot is encroached. Standard.

PARALLEL AND PERPENDICULAR PARK ASSIST²⁵ This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes Park-Sense® Front Park Assist sensors. Available.

360° SURROUND-VIEW CAMERA SYSTEM²³

PARALLEL AND PERPENDICULAR PARK ASSIST²⁵

FRONT-FACING OFF-ROAD CAMERA²⁵

CAPACITIES/WEIGHTS

(kg unless noted otherwise)

Fuel Tank Capacity (L (US gal))	87 (23)	87 (23) / 72 (19)
Payload Capacity, max / min (with all occupants and cargo)	635 / 540	572 / 517
Gross Vehicle Weight Rating (GVWR) 3.6L Pentastar™ V6 Engine	2,948 and 3,039 on Overland® / Summit	2,744
5.7L V8 Engine	3,130	2,948

FUELSAVER TECHNOLOGY — Deactivates four cylinders during steady-speed cruising, low acceleration or shallow-grade climbing conditions (5.7L)

VARIABLE VALVE TIMING — Increases engine breathing by varying the degree the valves open and close in conjunction with the piston position, resulting in better performance, more efficient operation, and increased torque for towing and hauling (3.6L and 5.7L)

TRANSMISSION — Driver-interactive manual control and electronically modulated torque converter clutch

SUSPENSION — Front: Multi-link independent front suspension, coil springs, gas-charged, twin-tube coilover shock absorbers, and all-aluminum arms and knuckles. Rear: Multi-link rear suspension, coil spring, twin-tube shocks (including load levelling for towing), and all-aluminum arms and knuckles (including extruded aluminum spring links)

STEERING — Electric rack and pinion
Overall Ratio 15.6:1
Turns, lock-to-lock 3.0
Turning Diameter (m (ft)), curb-to-curb 11.7 (38.3)

BODY DESIGN — Steel uniframe construction

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge or Ram retailer or call (800) 465-2001.

WARRANTIES: 2024 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance†. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.

*Whichever comes first. Some conditions may apply. †The 5-Year / 100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Based on Summit model offerings and latest Ward's Middle / Sport Utility Vehicle Segment — excludes other FCA US LLC vehicles. Based on the latest available competitive information. 2) Jeep Grand Cherokee has received more awards in its lifetime than any other SUV. Based on the latest available competitive information. 3) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Entertainment Group. Requires a mobile device with Wi-Fi Hotspot service and a linked Amazon account. Wi-Fi data plan and streaming service subscriptions are not included; data charges and overage fees may apply. 9GB of user-available storage. Services are subject to change or withdrawal at any time, may not be available in all languages and may require separate subscriptions. 4) All vehicles properly equipped to receive Jeep Connect services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package, and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. 5) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription and be properly equipped with remote features. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. See Terms of Service for service limitations. 6) Vehicle must be enrolled in an active subscription with Jeep Connect. If you have concerns about the operation, function or performance of your vehicle, take it to an authorized Jeep retailer. This alert does not replace regularly scheduled maintenance. 7) Vehicle must be enrolled in an active subscription with Jeep Connect and be in an active and usable cellular range. Vehicle Theft Alert is only available on factory-installed alarms only. 8) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. 9) Vehicle must be properly equipped with Navigation, enrolled in active subscription with Jeep Connect, be in an active and usable cellular range and with the Jeep App installed on a compatible smartphone. 10) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range and have an active subscription. SOS Customer Care agent directs emergency assistance to your vehicle's location. 11) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 12) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. 13) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 14) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 15) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 16) Never program while driving. GPS mapping and 3D navigation may not be detailed, available in all areas or reflect current road regulations. 17) Driving while distracted can result in loss of vehicle control. Only use the interior camera when it is safe to do so. 18) Installation and configuration requirements may apply. Before purchasing or installing the in-home Level II home charging station, customer should ensure that the system is compatible with their home's electrical system. Electrical system upgrades may be necessary to ensure compliance with all applicable codes and regulations. Please consult a professional installer for full details. 19) Based on the latest available competitive information and Ward's Middle / Sport Utility Vehicle Segment — excludes other FCA US LLC vehicles. 20) Based on EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information. When properly equipped, specific model and optional equipment are required to achieve the maximum ratings shown. See your retailer for full details. 21) Requires the available Level II charger to achieve two-hour charging time. 22) Driving range based on manufacturer's estimates with a fully charged battery and a full tank of gas. Actual kilometres may vary. 23) Always check entire surroundings visually before proceeding. 24) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 25) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 26) Do not attempt water fording unless depth is known to be less than 48 cm (19 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 27) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. 28) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. 29) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription and be properly equipped with a Uconnect 5 or Uconnect 5 NAV system. Certain Alexa functionality is dependent on smart home technology.
