FOR THOSE MOVED BY PERFORMANCE, INNOVATION AND CRAFTSMANSHIP

A portfolio of vehicles as spirited, technologically advanced and sophisticated as the people who drive them. Prestige Coupe, Sedan or SUV, each is perfect for a journey toward the very best. A relentless journey that's always filled with passion and never emptied with inactivity.

Cadillac 2017.

Technology that shines brilliantly,

born of minds that work tirelessly.

Every millimetre is a chiseled

vision of modern craftsmanship.

Power and poise

are a truer definition of performance.

Spacious enough to hold

a precise attention to detail.

CT6

An exclamation on reinvention

Reimagined. Reinvigorated. Refined. The CT6 is the prestige sedan reinvented. Performance, innovation and craftsmanship have been pushed to their furthest, with a passion that need not shout what greatness it has accomplished. But, instead, simply and confidently enjoys it. The 2017 Cadillac CT6.

OFFERED FEATURES: FUSION FRAME • ACTIVE CHASSIS PACKAGE •
REAR SEAT INFOTAINMENT AND CLIMATE PACKAGE • BOSE® PANARAY®
SOUND SYSTEM • EXTENDED COMFORT SEATS • REAR CAMERA MIRROR

Absolutely agile

An incredibly rigid, yet lightweight frame, utilizing innovative fusion technologies, high-pressure aluminium casting and high-strength steel, is at the heart of this sedan. Coupled with the available Active Chassis System with 4-wheel steering, along with available All-Wheel Drive, the CT6 delivers complete maneuverability.

A brilliant look back

An available Rear Camera Mirror streams HD video through the rearview mirror. This less obstructed view offers significantly more vision than ordinary technology, and reverts to a traditional mirror with just a touch.

Entertained and comfortable regardless of where you're sitting

The available Rear Seat Infotainment and Climate Package features articulating 25.4 cm diagonal HD screens with Blu-ray™ playback and connectivity for your personal devices. The screen also tilts for easy viewing and can be enjoyed with two wireless, dual-channel headphones or the impressive Bose Panaray sound system. All in the comfort of Quadzone Climate System, allowing each passenger to tailor their individual temperature and air flow.

XT5

Accommodate nothing less than possibility

A vehicle designed to help you master what's ahead. From its confident, streamlined stance to an ingenious cabin as spacious as it is versatile, this is an entirely new kind of crossover. Created by a company that is never done, for people who are much the same. The first-ever Cadillac XT5.

OFFERED FEATURES: CURATED INTERIOR • REAR CAMERA MIRROR • SURROUND VISION •
40/20/40 SECOND ROW AND CARGO AREA MANAGEMENT SYSTEM

The crafted cabin

Each of the hand-stitched, cut-and-sewn available interior combinations has been carefully curated. Uniquely coloured leathers and custom stained woods are paired for a rich, yet understated feel. Wherever you're going, arrive there tastefully.

A brand new perspective

Available Surround Vision provides a bird's-eye view of the area immediately surrounding the vehicle when in low-speed drive or reverse. This view, projected on the Cadillac CUE®¹ screen, helps increase your awareness when parking or in reverse. When in reverse, the available Rear Vision Camera automatically displays a live image of the area behind you on the Cadillac CUE¹ screen. Guidelines plot your intended trajectory, helping you see people and objects that might be in your path.

Possibilities unfolded

All three rear seats can be folded, individually, for 40/20/40 flexibility. When all are down, they add up to 1784 litres of space.² In the rear, the available, adjustable cargo fence secures luggage and other items while an underfloor storage bin, equipped with hidden hooks for bags, provides additional space and security.

¹ Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.
² Cargo and load capacity limited by weight and distribution.

ATS

Nothing held back. Especially the thrill.

The 2017 ATS Coupe and Sedan embrace the spirit of performance. Powerful, fun and fierce to drive, the ATS also possesses remarkably sharp design for a bold expression of you.

OFFERED FEATURES: ADVANCED ENGINES (MOST POWERFUL 4-CYLINDER TURBO IN ITS CLASS) • MAGNETIC RIDE CONTROL • BREMBO® FRONT BRAKES • CADILLAC CUE® WITH PHONE INTEGRATION OFFERING APPLE® CARPLAY™¹ AND ANDROID™ AUTO COMPATIBILITY¹

¹ Vehicle user interfaces are products of Apple Inc. and Google, Inc., and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

Choose power

Choose from two incredibly responsive powerplants. A 3.6L V6 engine delivers 335 hp. The ATS Sedan also offers a 2.0L Turbo option, the most powerful 4-cylinder turbo engine in its class. And both the 2.0L and 3.6L engines are equipped with Cadillac's Auto Stop/Start technology for fine-tuned efficiency.

Responsive handling and race-proven control

Cadillac's available Magnetic Ride Control automatically adjusts the suspension to road quality and weather conditions. The system reads the road up to 1000 times a second, tuning the suspension for a highly responsive, smoother drive in otherwise shaky scenarios. While Brembo front brakes, carved from lightweight aluminium alloy, bring a host of advantages including greater stopping power and wear resistance.

1. Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.
2. Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. CarPlay is a trademark of Apple Inc. Android is a trademark of Google, Inc.

Your phone, even smarter

Cadillac CUE¹ Phone Integration with Apple CarPlay² compatibility allows you to access your contacts, Apple Music™ and other information from your iPhone® with a touch of the screen or voice commands. You can also access Siri® so features are easily accessible to you or your front-seat passenger. Phone Integration also offers Android² Auto compatibility.

CTS

Be in command of extraordinary passions

Precise craftsmanship. Assured performance. Ingenious technology. Together they transform every drive into a masterful experience. Completely satisfying and unmistakably Cadillac. The 2017 CTS.

OFFERED FEATURES: POWERFUL ENGINE CHOICES • MAGNETIC RIDE CONTROL • CADILLAC CUE^{®1} WITH PHONE INTEGRATION • ONSTAR[®] 4G LTE AND BUILT-IN WI-FI[®] HOTSPOT² • WIRELESS CHARGING³ • PHONE INTEGRATION WITH APPLE[®] CARPLAY[™] AND ANDROID[™] AUTO COMPATIBILITY⁴

¹ Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.
² Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. After the trial period (if applicable), an active OnStar service plan is required. ³ The system wirelessly charges one PMA 1.0, WPG 1.0 and WPC 1.1 (Qi) compatible mobile device. To check for phone or other device compatibility, see www.cadillactotalconnect.ca. ⁴ Vehicle user interfaces are products of Apple Inc. and Google, Inc., and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

Fierce and efficient engine options

For maximum performance, the available 3.6L V6 Twin Turbo delivers a pulse racing 420 hp and 430 lb-ft of torque. The available 3.6L V6 is equipped with Active Fuel Management and delivers 335 hp. The standard 2.0L Turbo 4-cylinder delivers a potent 268 hp and a Cadillac-estimated highway 7.8 L / 100 km.¹ All engines are paired with an intelligent 8-speed automatic transmission for responsive shifting, and the 3.6L V6 and 2.0L Turbo features Auto Stop/Start technology for greater efficiency.

1. 2017 Cadillac CTS RWD equipped with 2.0L engine and automatic transmission. Fuel consumption ratings based on GM testing in accordance with Government of Canada-approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. **2.** Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. **3.** Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. CarPlay is a trademark of Apple Inc. Android is a trademark of Google, Inc. **4.** Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

Reading the road 1000 times a second

Cadillac's available Magnetic Ride Control automatically adjusts the suspension to road quality and weather conditions. The system reads the road up to 1000 times a second, tuning the suspension for a highly responsive, smoother drive in otherwise shaky scenarios.

Stay connected or engaged

Cadillac CUE² Phone Integration with Apple CarPlay³ compatibility allows you to access your contacts, Apple Music™ and other information from your iPhone® with a touch of the screen. You can also access Siri®, so features are easily accessible to you or your front-seat passenger. Phone Integration offers Android³ Auto compatibility, too. Plus, available OnStar 4G LTE and built-in Wi-Fi hotspot⁴ allows you to connect up to seven compatible devices at the same time, up to 15 metres away.

ESCALADE

Ambition. On a grand scale.

Year after year, the aspiration of utter perfection is pushed even further. Leadership is defined and redefined. There is no expectation left unfulfilled. With unmatched interior prestige and extraordinary comforts, concluded with a bold, distinguished exterior, there is no comparing it. The 2017 Cadillac Escalade.

OFFERED FEATURES: CUT-AND-SEWN INTERIORS • CADILLAC CUE® • PHONE INTEGRATION •
ONSTAR® 4G LTE AND BUILT-IN WI-FI® HOTSPOT • COMPLETE LED HEADLAMPS

The face of authority

This stylishly bold grille is framed by signature LED headlamps that feature five crystals, fully stacked. The all-LED Total Internal Reflectance high-beam technology generates more light with less energy. Available Cornering LED lamps project light into curves when the vehicle is turning.

1. Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations. **2.** The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.ca. **3.** Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. **4.** Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. CarPlay is a trademark of Apple Inc. Android is a trademark of Google, Inc.

A very special venue

The Escalade cabin is crafted with a care and precision reminiscent of fine tailoring. Trims and cut-and-sewn leathers meet with flawless seams and peerless stitching. In every case, these materials have been painstakingly curated to work together beautifully.

Commanding connectivity

The Escalade is truly a vehicle for connecting to the world. Available OnStar 4G LTE and built-in Wi-Fi hotspot¹ supports up to seven compatible devices up to 15 metres away, while Wireless Charging² can power-up these compatible devices. Cadillac CUE³ not only puts a suite of information, entertainment and communications functions at your command — by touch or voice — but also allows for Phone Integration with Apple® CarPlay™⁴ compatibility. Access your contacts, Apple Music™ and other information from your iPhone®. You can also access Siri® so features are easily accessible to you or your front-seat passenger. Phone Integration also offers Android™ Auto⁴ compatibility.

XTS

Being comfortable in your own success is quite an achievement

Confident, yet understated. Powerful, yet refined. These are hallmarks of a journey worth traveling. The 2017 XTS.

OFFERED FEATURES: 22-WAY ADJUSTABLE FRONT SEATS WITH MASSAGE • SPACIOUS REAR LEGROOM • TRI-ZONE CLIMATE CONTROL • INTELLIBEAM • ADAPTIVE CRUISE CONTROL¹

¹. Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle.

Innovation you can see

IntelliBeam headlamps automatically switch between low beam and high beam, according to outside conditions.

1. Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle.

The lap of leisure

Available 22-way adjustable front seats are also available in Semi-Aniline leather appointments and feature power-adjustable seatback bolsters and manual thigh support. Plus, available ventilated seats with power massage are truly indulgent.

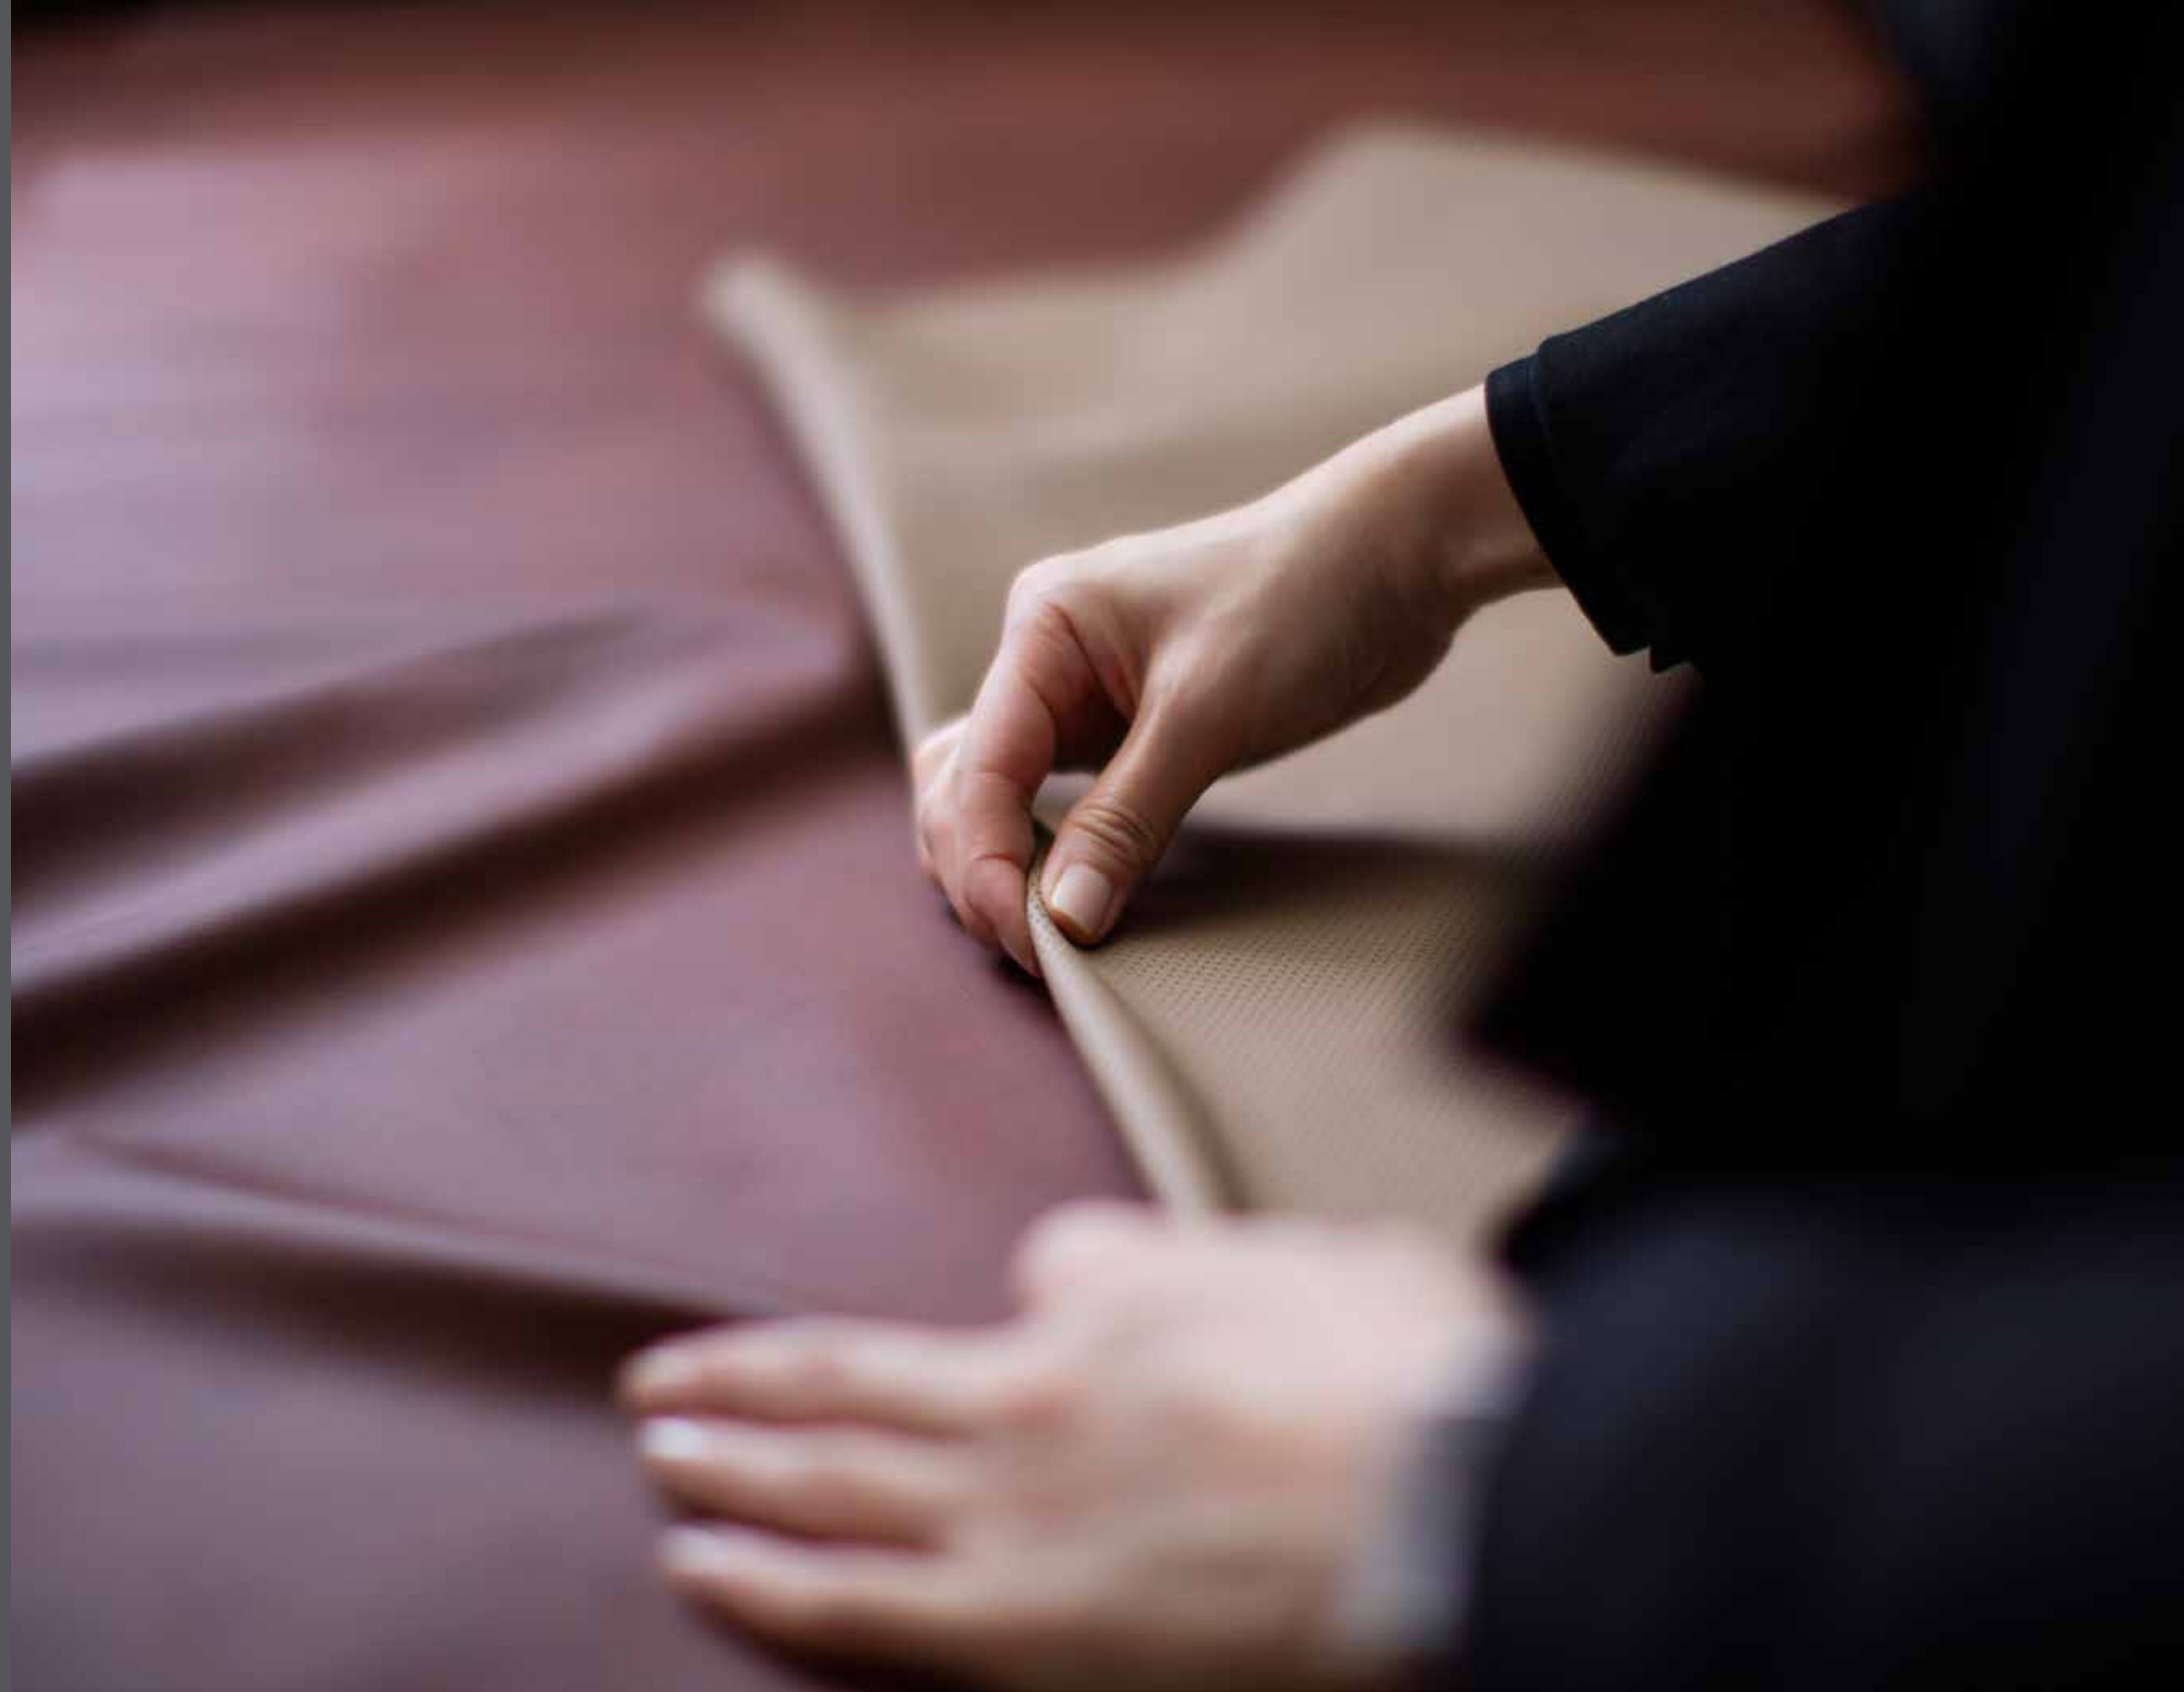

Comfort at your control

The available Tri-Zone Climate System, with heated outboard rear seats, allows the driver, as well as front and rear passengers, to precisely control their personal comfort, while enjoying uninterrupted and generous rear leg room. Plus, when driving, Adaptive Cruise Control¹ uses both radar and cameras to maintain a set distance between you and the detected vehicle ahead.

1. Available at extra cost. 2. All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol ❄️ may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area. 3. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to <https://my.cadillac.com/learnAbout/cadillactires/> or see your dealer.

A WORD ABOUT THIS CATALOG

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your Cadillac dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for a product, for any reason, or to start and end model years at different times.

ACQUISITION OPTIONS

In addition to the many exclusive privileges of Cadillac ownership, General Motors of Canada Company has created a range of supplementary support programs to enhance your ownership experience. Some of these programs assist you in purchasing the Cadillac of your choice. Others help protect you and your new Cadillac over the long term.

PURCHASING OR LEASING

GM Student Bonus Program— Students or recent graduates of high school, college or university may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750 (tax inclusive; purchased vehicle dependent) to use toward the purchase, lease or finance of one eligible new Cadillac vehicle.

Purchase Financing or Leasing— On-the-spot financing at your GM dealership. **The GM Card**— GM cardholders may redeem up to \$3,500 GM Card Earnings (subject to Vehicle Redemption Allowance) toward the Total Purchase Price on eligible new GM vehicles. For full program details, please visit thegmc card.ca.

ADDITIONAL OWNERSHIP PROGRAMS

Cadillac Owner Centre— As an owner, take advantage of the Cadillac Owner Centre. The online owner's destination gives you access to contests, current offers and the latest driving maintenance tips. Find out more at cadillacowner.ca.

GM Protection Plan (GMPP)— The only extended service plan backed by the resources and commitment of General Motors. GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.

INFORMATION RESOURCES

You can obtain more information about Cadillac vehicles and programs from your Cadillac dealer, or at these information centres:

The Cadillac website at Cadillac.ca.

The Cadillac Contact Centre at 1-800-263-3777 (English),

1-800-263-7854 (French), 1-800-263-3830 (TDD users).

A WORD ABOUT ASSEMBLY

Cadillac vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Cadillac vehicles. Certain equipment ordered may be unavailable at the time of assembly, and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

A WORD ABOUT CORROSION

Cadillacs are designed and built to resist corrosion. All body sheet-metal components are warranted against rust-through corrosion for 6 years. There is no deductible for rust-through repairs. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended.

TRADEMARKS

The marks appearing in the Cadillac brochure including, but not limited to, General Motors, GM, Cadillac, the Cadillac Crest and respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Cadillac User Experience, IntelliBeam, Duralife, Magnetic Ride Control, UltraView and StabiliTrak are trademarks of General Motors and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors. OnStar, the OnStar emblem and OnStar RemoteLink are registered trademarks of OnStar, LLC. Bose is a registered trademark of the Bose Corporation. App Store is a service mark of Apple, Inc. Apple and iPhone are registered trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc. Bluetooth is a trademark of Bluetooth SIG Inc. Google Play is a trademark of Google Inc. Wi-Fi is a registered trademark of Wi-Fi Alliance. Brembo is a registered trademark of Brembo S.p.A. ZF is a registered trademark of ZF Friedrichshafen AG.
