

A black Dodge Durango SRT is shown driving on a road, with a blurred background of trees and a road. The car is positioned in the center-right of the frame, moving towards the left. The background is heavily blurred to convey a sense of speed. The car features a prominent hood scoop and racing stripes. The text "DODGE DURANGO" is overlaid in white, bold, sans-serif font at the top center. The text "2022" is overlaid in white, bold, sans-serif font at the bottom center. In the top-left corner, there are two diagonal stripes, one black and one grey, on a dark background.

SUV CAPABILITY, MUSCLE CAR PERFORMANCE

/// DURANGO STANDS ALONE

In the world of mid-size three-row SUVs, there's only one that has the performance of a muscle car – the Dodge Durango. This powerhouse is built for those who are passionate about horsepower, torque and muscle. They're also the ones who want to pull their boat, haul the quads and take the neighbour kids skiing. With three rows of seats, room for up to seven people and a maximum of 2,410 L (85.1 cu ft) of cargo space at your disposal, Durango has room for who and what you need. Count on Durango to handle all of the demands life throws at you.

SPINE-CHILLING POWER

/// CANADA'S BEST-SELLING ENGINE²: 3.6L PENTASTAR V6 WITH VARIABLE VALVE TIMING (VVT)

This is where power meets impressive efficiency to create up to 295 horsepower and 260 lb-ft of torque. When the vehicle comes to a complete stop, Engine Stop/Start (ESS) technology shuts the engine off to help conserve fuel but keeps power flowing to amenities like the radio, gauges and climate control. The engine restarts automatically when the brake is released, allowing for seamless acceleration.

/// THE LEGENDARY 5.7L HEMI V8

An impressive 360 horsepower and 390 lb-ft of torque are delivered through this legendary engine. Fuel efficiency comes from the 8-speed automatic transmission, VVT and the FuelSaver Multi-Displacement System (MDS), which turns the engine into a fuel-sipping 4-cylinder at highway cruising speeds.

/// THE POWERFUL 6.4L SRT[®] HEMI V8

A biting 475 horsepower and 470 lb-ft of torque gives Durango SRT 392 its brash power. The 8-speed Performance-tuned transmission, Sport-tuned All-Wheel Drive (AWD) and high-flow dual exhaust with 102-mm (4-in) outlets take the vehicle's performance to the next level.

BEST-IN-CLASS TOWING OF UP TO 8,700 LB¹

/// FORMIDABLE TOWING ON EVERY TRIM

When it's time to tow, Durango is at the ready. The lineup starts with up to a Best-in-Class 3,946 kg (8,700 lb) of towing¹ on SRT[®] 392 models or on R/T models equipped with the Tow N Go Package. Whichever trim level you decide on, all Durango models offer substantial towing. So pack up the camper, the jet skis, the quads or the dirt bikes because this SUV is ready for action.

Properly secure all cargo.

CONFIDENCE WHEN IT COUNTS

/// STEADY ON ALL FOURS

Wherever you go, whatever the weather, Durango is ready to tackle the elements. Durango offers three All-Wheel-Drive (AWD) systems – a two-speed, active on-demand system available on the 5.7L HEMI® V8 engine; a single-speed, full-time system standard with both the 5.7L HEMI V8 and 3.6L Pentastar™ V6 engines; and the Quadra-Trac® Active On-Demand System that adds the following Drive Modes: Sport, Track, Tow and Snow (standard on the 6.4L SRT® HEMI V8). The standard AWD system leverages the SUV's near-perfect 50/50 weight distribution to enhance traction and handling. The result is a smooth driving experience over a wide range of road conditions.

ADVANCED AWD SYSTEM

/// GT AWD SHOWN IN WHITE KNUCKLE WITH
DUAL STRIPES IN LOW-GLOSS GUN METAL

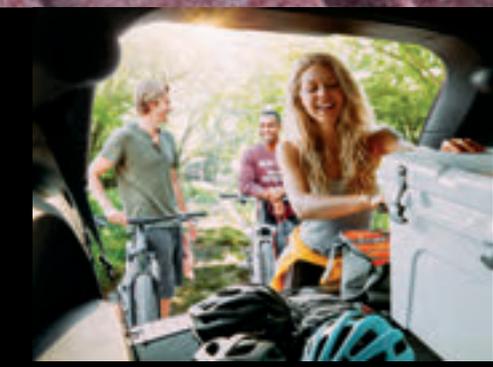

50+ SEATING CONFIGURATIONS

/// SEATING YOUR WAY Durango lets you strike the right balance of seating and cargo. The standard 60/40 split-folding second-row reclining bench seat features a padded centre armrest with cup holders and allows for seven-passenger comfort. The 50/50 split-folding third-row seat is standard across all models. For six-passenger seating, the available Fold-and-Tumble second-row Captain's Chairs include soft-touch armrests and a floor-mounted mini console with cup holders.

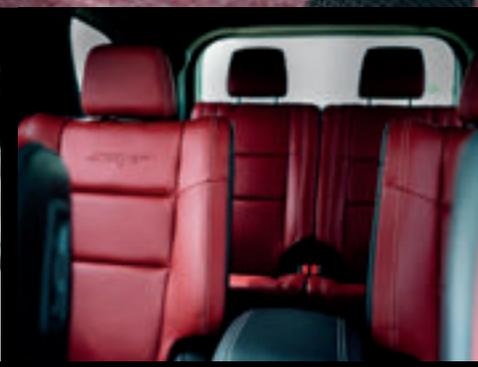

Properly secure all cargo.

CENTRE OF ATTENTION

/// 10.1-INCH TOUCHSCREEN

The available Uconnect® 5 system offers functionality that works both inside and outside the vehicle. For premium in-vehicle viewing of navigation⁵, information and graphics, opt for the system's large, flush-mount 10.1-inch touchscreen.

/// HARD BUTTON CONTROLS

Who doesn't love having choices? That's why Durango offers available controls through the steering wheel, touchscreen and an integrated control switch bank.

/// TYPE-A USB, TYPE-C USB

It doesn't matter if you're travelling with multiple devices that require different types of charging cords. The centre console houses an auxiliary input and two sets of USB connections (Type-A/-C pairs). Need more? Opt for a second-row console that also has Type-A and Type-C USB ports.

/// WIRELESS CHARGING PAD

For added ease and convenience, Durango also offers an available wireless charging pad.

/// MUSCLE-INSPIRED, DRIVER-FOCUSED

The 7-inch Thin Film Transistor (TFT) cluster design is straight from Durango SRT[®], and the available Uconnect 5 system boasts a floating 10.1-inch touchscreen. The integrated control switch bank gives quick access to available heated seats and heated steering wheel controls. The centre console also provides convenient storage bin capacity.

Uconnect®

TOMTOM 

BOLD 10.1-INCH TOUCHSCREEN

/// STAY IN TOUCH

The available Uconnect® 5 system helps keep you informed and entertained. The large, full-colour, 10.1-inch touchscreen integrates with your smartphone, thanks to wireless Apple CarPlay⁷ and Android Auto.^{TM7} The available 4G LTE Wi-Fi[®] Hotspot allows you to connect to up to eight devices. With Amazon Alexa Built-In[®] for the Uconnect 5 radio in your vehicle, you can have the convenience of the Alexa features you enjoy at home, now on the go.

/// 4G LTE WI-FI[®] HOTSPOT

Upload, download, post and search, all while on the go. The 4G LTE Wi-Fi Hotspot boasts fast processing speeds that help keep up to eight devices connected. Includes a three-month subscription with vehicle purchase.

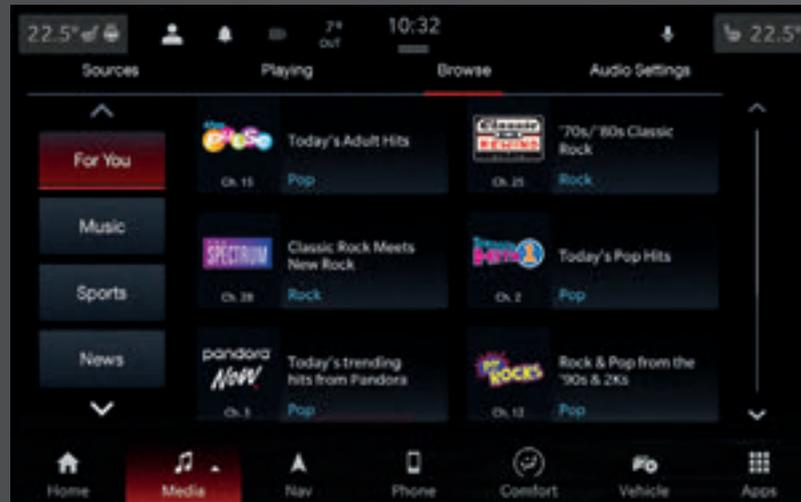

/// TOMTOM NAVIGATION[®] WITH TRAFFIC & TRAVEL CONNECTED SERVICES

Thanks to the ability to predict traffic, formulate better routes and provide more accurate arrival times, TomTom provides the most up-to-date traffic and travel information. TomTom's connected services – including Traffic, Parking, Fuel and Weather – provide drivers with reliable, timely information to get them where they are going.

/// THE CHOICE IS YOURS

This isn't one size fits all. The display is reconfigurable, so you decide how you want to view and receive the information. Durango also lets you customize your climate with standard Tri-Zone Automatic Temperature Control (ATC). You, your front passenger and second-row passengers can set the preferred temperature for each zone. ATC maintains these temperatures throughout the drive.

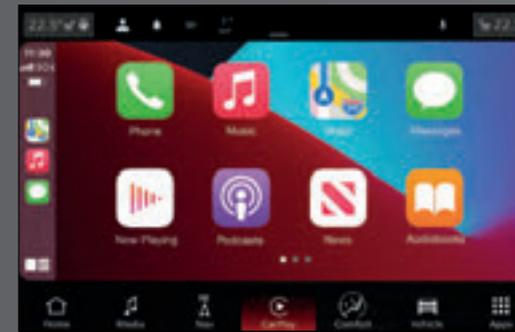

BY TOUCH, BY VOICE, WE KEEP YOU CONNECTED

SiriusXM WITH 360L

/// SIRIUSXM WITH 360L¹⁰

Models equipped with Uconnect[®] 5 offer SiriusXM with 360L. In addition to delivering both satellite and streaming channels, SiriusXM with 360L uses intuitive algorithms to serve up content recommendations based on your listening preferences. This makes it easier to discover more of what you want, including exclusive shows and podcasts on demand. You can also create your own ad-free music stations based on the artists you're listening to. On the available 10.1-inch Uconnect touchscreen, subscribers can then give songs a thumbs-up or thumbs-down within the service, or even skip songs, to create their own personal channel that plays more of what they want.

/// APPLE CARPLAY⁷ COMPATIBILITY

Uconnect 5 works with Apple CarPlay wirelessly, providing a smarter, safer way to use your iPhone and Siri voice control¹⁹ inside your vehicle and seamlessly integrates it with the Uconnect touchscreen. Apple CarPlay allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions and more while staying focused on the road.

Uconnect + **SiriusXM GUARDIAN**

SIRIUSXM GUARDIAN¹¹ Drive worry-free with SiriusXM Guardian¹¹ – a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year trial. Available.

SIRIUSXM GUARDIAN¹¹ SERVICES + /// UCONNECT APP

SOS CALL¹² In the event of an incident, push the SOS button. You'll be connected to a SiriusXM Guardian¹¹ agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.

ROADSIDE ASSISTANCE CALL¹³ connects you with an agent who can get you help while you're out on the road.

SIRIUSXM GUARDIAN¹¹ ASSISTANCE puts you in touch with a customer care agent for help with SiriusXM Guardian.

LOCK/UNLOCK YOUR CAR¹⁴ Lock or unlock your vehicle doors from wherever you are using the convenient mobile app.

START YOUR CAR¹⁴ Start your vehicle from almost anywhere to warm or cool it before you get in.

REMOTE HORN AND LIGHTS Activate the horn and lights with the Uconnect App to locate your vehicle in a crowded parking lot.

VEHICLE FINDER¹⁵ Use Vehicle Finder to locate your vehicle in a crowded parking lot. It will pinpoint the location on a map on your smartphone or smartwatch.

SEND & GO¹⁶ Send & Go lets you search for destinations on your smartphone or smartwatch and send them straight to your vehicle's available, built-in navigation⁹ system.

THEFT ALARM NOTIFICATION¹⁷ Quickly receive alerts by text, email or push notifications if your vehicle's available theft alarm is triggered.

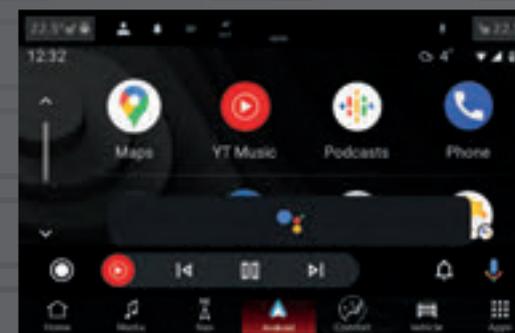

STOLEN VEHICLE ASSISTANCE¹⁸ If the unexpected happens and your vehicle is stolen, Stolen Vehicle Assistance can help police locate your vehicle.

FAMILY DRIVE ALERTS²⁷ Boundary Alert notifies you when Durango travels outside of a set geographic area. Curfew Alert notifies you when Durango is driven outside a specific time frame. Speed Alert lets you set speed parameters, notifying you if they are exceeded. Valet Alert notifies you if the vehicle is driven outside a 0.4-km (0.25-mile) radius of a valet drop-off zone.

/// AMAZON ALEXA⁹ IN YOUR VEHICLE

Uconnect 5 brings Amazon Alexa directly into the vehicle – giving occupants the freedom to interact with Alexa just as they do at home or on a personal device. With Alexa Built-In, occupants can ask Alexa to play music, podcasts and Audible; add items to their to-do or shopping list; check news, weather, traffic, sports and other real-time information; and access tens of thousands of Alexa Skills.⁹ Taking Alexa on the go with you is easy.

/// ANDROID AUTO^{TM7} COMPATIBILITY

Designed with your personal safety and convenience in mind, Android Auto gives you the right information for the road ahead. With Uconnect 5, you can connect wirelessly to easily access your favourite music with YouTube Music and get where you need to go with Google Maps. Talk to Google on Android Auto and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, "Hey Google" or long-press the voice-control button on your steering wheel to get started.

R/T

/// SHOW UP READY

Authoritative and sporty, Durango R/T arrives on the scene with an intimidating presence. The monochromatic exterior features a standard performance hood and front fascia, Black accents surrounding the LED headlamps and 20-inch Fine Silver aluminum wheels wrapped in All-Season Tires. A 20-mm (0.8-in) lower ride height adds to this trim level's street cred.

Striking performance comes from the 5.7L HEMI® V8, and the unique Sport-tuned suspension takes your heart rate to the next level. Inside, the details are equally impressive with a standard Uconnect® 5 featuring the 10.1-inch touchscreen, premium navigation,⁵ wireless Apple CarPlay⁷ and Android Auto^{TM7} compatibility, and leather-faced seats with perforated suede inserts.

/// BLACKTOP PACKAGE

Add a sinister look to R/T models with strategic dark accents. Gloss Black finishes coat the exterior mirrors and badging. The 20-inch Black Noise aluminum wheels round out the dramatic look.

/// TOW N GO PACKAGE

Add top-of-the-line components to achieve a Best-in-Class 3,946-kg (8,700-lb) trailer-tow rating.¹ The Package includes Brembo® brakes with 6-piston front calipers, Bilstein® adaptive damping suspension, an electronic limited-slip rear axle, a performance exhaust system, multiple drive modes and an integrated trailer-brake controller.

The new R/T Plus Package adds a host of premium safety features and high-end interior upgrades. See page 20 for complete details.

/// R/T SHOWN IN REDLINE PEARL

GT

/// RACY GOOD LOOKS

GT models stand out with robust power and track-inspired looks. Trim highlights include a performance front fascia, bold body-colour wheel lip and sill mouldings, as well as the rear fascia. The 20-inch Fine Silver aluminum wheels, Black LED headlamp bezels, dual bright exhaust tips and available performance hood add to its overall attitude. Standard tech-savvy features, such as the Park-Sense® Rear Park Assist System,²⁰ ParkView® Rear Back-Up Camera²⁰ with dynamic grid lines and Remote Start System, not only offer convenience, but they also help make the drive more secure. Driver and passengers will appreciate the comfort of heated, front- and second-row leather-faced seats with perforated suede inserts, heated flat-bottom, performance leather-wrapped steering wheel, and memory settings for exterior mirrors, driver's-seat position and radio.

/// GT SHOWN IN OCTANE RED PEARL SHOWN WITH BLACKTOP PACKAGE

/// GT INTERIOR SHOWN IN BLACK LEATHER WITH TUNGSTEN ACCENT STITCHING

CITADEL

/// A PREMIUM EXPERIENCE

The newly repackaged Citadel is the all-in luxury trim of the Durango lineup and delivers many premium features as standard equipment for the 2022 model year including Platinum Chrome accents to the door handles, mirror caps and the lower side sill cladding. The 20 by 8-inch wheels feature a Satin Carbon finish.

The interior showcases an integrated centre stack, 7-inch performance cluster and gauges, Uconnect® 5 infotainment radio with a huge 10.1-inch touchscreen and wireless charging pad. The wrapped instrument panel stands out with accent stitching, while Dinamica suede covers the headliner. Other details include Nappa leather-faced seating with an embossed Dodge rhombus logo, heated and ventilated front seats, Liquid Titanium-painted speaker trims, and Type-A and the coveted Type-C USB ports.

Citadel style is matched with substance that includes a formidable powertrain and a full suite of standard safety and security features.

SRT[®] 392

/// STRONG BUT NEVER SILENT

From the throaty, aggressive whirl from the HEMI[®] engine to the rumble from the performance exhaust, Durango SRT 392 delivers an aggressive dose of performance, horsepower and capability. The 392 HEMI[®] V8 engine unleashes 475 horses, 470 lb-ft of torque and delivers a 0 - 60-mph drag strip time of 4.4 seconds. Consider the certified 12.9-second 1/4-mile time by the National Hot Rod Association (NHRA), and Durango SRT holds even more bragging rights – and that's without even going into detail about the 8-speed Performance-tuned transmission, Sport-tuned All-Wheel Drive, high-flow dual exhaust with 102-mm (4-in) outlets, massive 295 tires on 20 by 10-inch wheels and huge Brembo[®] brakes.

/// SRT 392 SHOWN IN OCTANE RED PEARL WITH AVAILABLE DUAL STRIPES IN BLACK WITH REDLINE TRACER, BLACK PACKAGE AND CARGO PLUS GROUP

SAFETY & SECURITY

/// PARK-SENSE® REAR PARK ASSIST SYSTEM²⁰ When your vehicle is in Reverse, this standard system can sense nearby objects when moving at low speeds; if an imminent collision is detected, the system will provide a momentary, autonomous brake pulse. In certain circumstances, this system can help bring your vehicle to a stop.

/// RAIN BRAKE SUPPORT When your windshield wipers have been activated, this standard system pulses the brake pads closer to the spinning rotors, helping to keep the rotors and pads dry for greater control and operator security.

/// BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION²⁰ With this standard system, radar continually monitors rear vehicle blind-spot zones and will visually and audibly alert you when a vehicle is sensed in any of the zones. When your vehicle is in Reverse, rear sensors warn through a chime if cross traffic approaches the vehicle.

/// ADAPTIVE CRUISE CONTROL (ACC) WITH STOP²⁰ This available system helps maintain a driver-selected distance from the vehicle ahead; under certain traffic conditions, the system can bring the vehicle to a full stop without driver intervention.

/// FORWARD COLLISION WARNING (FCW) WITH ACTIVE BRAKING²⁰ With this available system, radar and camera technology combine to alert you when the system senses a potential frontal impact. If you're not able to respond quickly enough, the system will automatically engage the brakes with the ability to bring the vehicle to a complete stop.

/// PARKVIEW® REAR BACK-UP CAMERA²⁰ This standard system displays an accurate visual reference, including dynamic grid lines, of what is behind your vehicle when it's in Reverse.

/// ELECTRONIC STABILITY CONTROL (ESC)²¹ This standard system is designed to assist you in maintaining control of your vehicle during extreme steering manoeuvres. ESC²¹ senses when a vehicle is starting to spin (oversteer) or plow (understeer) and attempts to correct the vehicle's course by automatically controlling the throttle and applying the brakes at individual wheels.

/// READY ALERT BRAKING (RAB) This standard system anticipates situations when you may initiate an emergency brake stop and uses the ESC²¹ pump to pre-charge the brake system in order to decrease the time required for full brake application.

/// ALL-WHEEL DRIVE (AWD) Automatically detects wheel-slip and sends additional power to the wheel(s) with the most traction. Standard on all Durango models.

/// ANTILOCK BRAKE SYSTEM (ABS) Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

/// LANE DEPARTURE WARNING WITH LANE KEEP ASSIST²⁰ This available system measures your position within lane boundaries. If it detects an unintentional lane drift, it will alert you and can correct the vehicle back into the lane.

/// STANDARD DODGE AIR FILTRATION SYSTEM Enhanced air filtration systems provide even cleaner air for you and your family. The new Dodge Air Filtration System filters 95 percent of air particulates, reducing many types of solid and liquid airborne matter, such as dust, smoke, droplets and aerosols.

SXT

POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with Engine Stop/Start (ESS) technology and 8-speed automatic transmission

DISCLAIMERS 1. Based on *WardsAuto* Mid-size Sport Utility segmentation. When properly equipped. Excludes other vehicles designed and manufactured by FCA US LLC. 2. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years CY 2015 to CYTD September 2020. 3. Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 9.6 L / 100 km [29 mpg] highway and 12.7 L / 100 km [22 mpg] city on Dodge Durango AWD models equipped with the 3.6L engine and 8-speed transmission. Miles per gallon [MPG] ratings based on imperial gallon. 4. Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 10.9 L / 100 km [26 mpg] highway and 16.7 L / 100 km [17 mpg] city on Dodge Durango AWD models equipped with the 5.7L engine and 8-speed transmission. Miles per gallon [MPG] ratings based on imperial gallon. 5. Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 12.2 L / 100 km [23 mpg] highway and 18.3 L / 100 km [15 mpg] city on Dodge Durango AWD models equipped with the 6.4L engine and 8-speed transmission. Miles per gallon [MPG] ratings based on imperial gallon. 6. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 7. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected wirelessly or via USB cable to the Uconnect system. To use Android Auto on your car display, you'll need an Android phone running Android 6.0 or higher, an active data plan and the Android Auto App. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. 8. Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 9. Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. 10. If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at siriusxm.ca/privacy. 11. All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 12. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 13. Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 14. Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. 15. To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 16. Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 17. Theft Alarm Notification is compatible with factory-installed alarms only. 18. Stolen vehicle police report required. 19. Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 20. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 21. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 22. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 23. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 24. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 25. Vehicle must be locked and system activated for alarm to sound. 26. Not compatible with all garage door openers. 27. Available only on equipped vehicles with an active subscription to SiriusXM Guardian connected services (Family Drive Alerts is not available on vehicles with 12-inch touchscreen). All SiriusXM Guardian equipped vehicles come with a 12-month trial of the full suite of services effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue services. Services can only be used within the United States, Puerto Rico and Canada where cellular coverage is available. See coverage map for details.
