All at once exceptionally modern while simultaneously expressing the enduring and classic styling cues of one of the most

INSPIRED

and celebrated automotive brands on earth, Wagoneer and Grand Wagoneer arrive as unmistakable works of art and craftsmanship.

WAGONEER

THE NEW STANDARD IN REFINEMENT

WAGONEER

A SOLID FOUNDATION

Wagoneer reflects uncompromising, high standards in automotive design. Iconic exterior design elements are enhanced with fine details, presenting a very distinctive presence.

Wagoneer Series III in Velvet Red

Wagoneer boasts a heritage that sets it apart, celebrated with its iconic seven-slot grille outlined in Chrome and filled with unique baffles that add distinction.

This available 20-inch Off-Road wheel stands out with Satin Granite Crystal inserts and logo imprinted in the centre wheel cap, or go bolder with available 22-inch aluminum wheels.

Available tow hooks give you the ability to play the part of a hero, should the occasion ever arise.

WAGONEER

EXECUTIVE-LEVEL DETAILS

Wagoneer offers an immersive experience with an interior that arrives with standard seating for eight in three rows. Standard and available features pamper all occupants, allowing everyone to experience top-shelf travel.

WAGONEER

A TACTILE ENVIRONMENT

Wagoneer invites you to reach out and touch a refined collection of leather. Feel what it's like to travel with exceptional finery and the very latest technology at your fingertips.

The steering wheel is heated, wrapped in leather and exceptionally functional, with buttons that offer fingertip controls for entertainment features, voice calling and texting, and data scrolling.^{18*}

Ultimate comfort was in mind with the design of the 12-way adjustable, Nappa leather-trimmed, heated and ventilated front seats.

The premium Alpine® Surround Sound System features nine speakers, plus a subwoofer, all optimally placed throughout the cabin. Standard on Wagoneer.

The centre console offers individual armrests, two tiers of ample storage, an available touchpad-controlled safe and available wireless charging pad.

GRAND WAGONEER

A MARK OF UNDENIABLE
DISTINCTION

GRAND WAGONEER

LEGENDARY EXPRESSIONS

Employing iconic design features, Grand Wagoneer expresses an authentic pedigree within a fluid and aerodynamic silhouette. Designed to reside at the pinnacle of the large SUV class, every element reveals the utmost attention to meticulous detail.

The front fascia of Grand Wagoneer is anchored by a prominent Chrome and Obsidian Black-accented, seven-slot grille with intricate lightweight latticework that celebrates the brand's most iconic design feature.

Stand tall on available 22-inch multi-spoke machined aluminum wheels with Black Noise pocket finish, featuring a three-piece wheel cap with the Wagoneer logo suspended in acrylic.

Premium LED taillamps wrap from the rear quarter panel to the rear of the vehicle, creating an elegant form that complements the overall exterior design.

The image shows the front interior of a Grand Wagoneer. The dashboard and center console are finished with dark wood and black leather. The seats are upholstered in tan leather with a diamond-stitch pattern. The steering wheel is black with orange stitching. The infotainment screen displays a navigation map. The center console has a gear shifter and handbrake. The door panels also feature wood trim and leather upholstery. The overall design is luxurious and modern.

GRAND WAGONEER

ULTIMATE PAMPERING

The plush interior of Grand Wagoneer is where imagination meets reality. For those who seek the top shelf of the SUV experience, this is where it resides. Carefully selected materials are designed to create a space of ultimate comfort and ease. Relax and enjoy.

Grand Wagoneer Series III with Tupelo and Global Black interior

With accommodations for up to eight occupants, Grand Wagoneer offers standard heated and available ventilated second-row captain's chairs or an available bench seat crafted in standard Premium Nappa leather trim or available Palermo leather trim.

Nothing is spared when it comes to creating an extraordinary experience. Interior accents include selective use of genuine walnut wood, chosen for its elegance and durability.

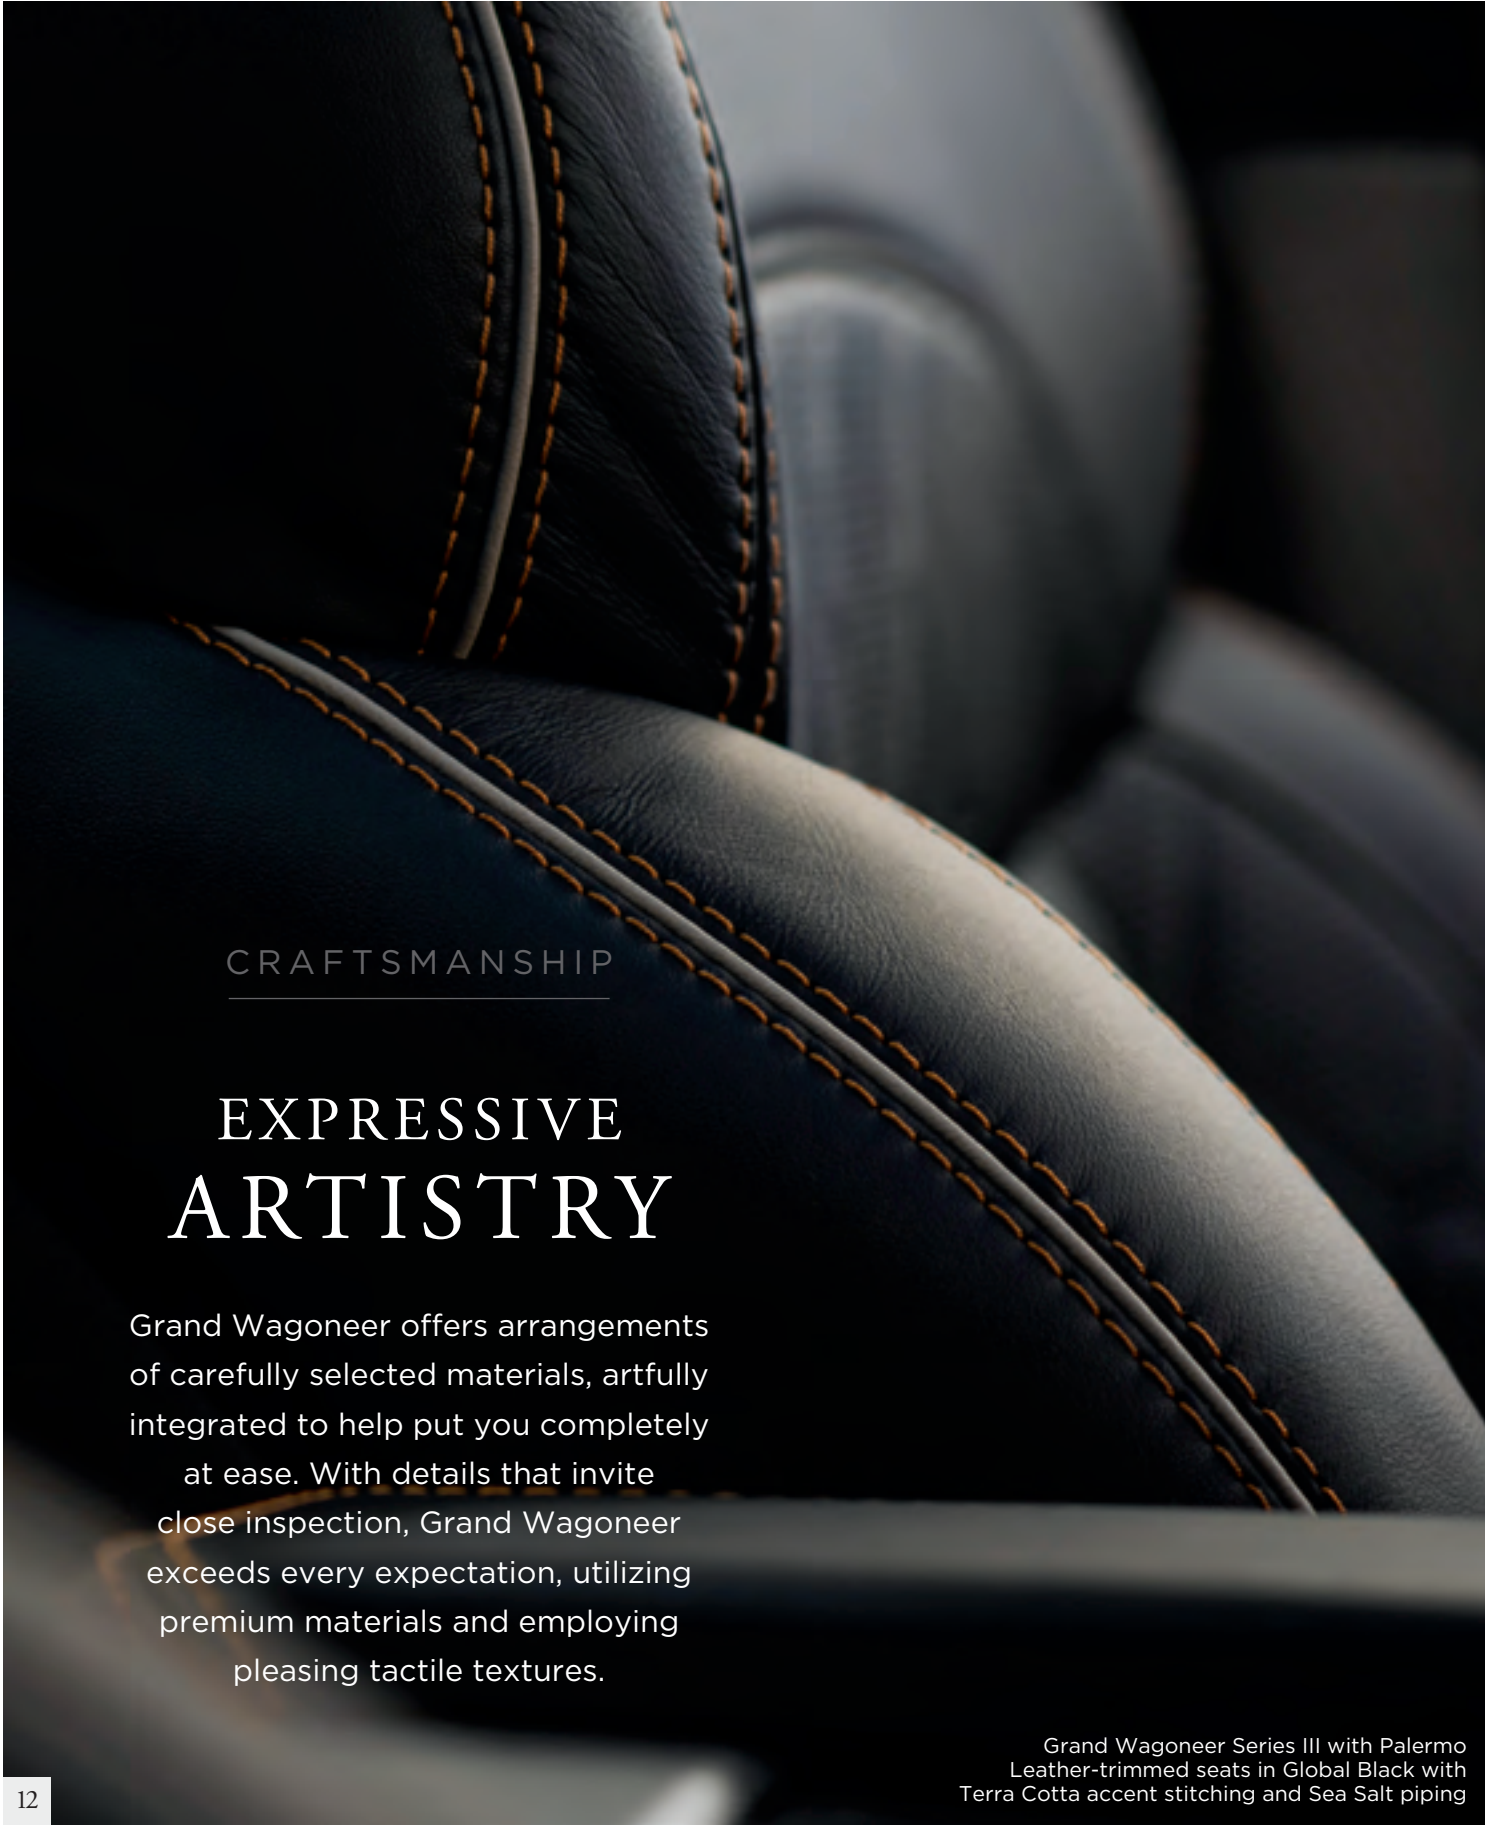

Grand Wagoneer front-seat occupants are indulged by standard deep-cushioned seats with integrated massage settings. To that, heating, cooling and 24-way power adjustability offer the utmost in personal comfort.

GRAND WAGONEER

AN INTERIOR MADE SUPERIOR

Within the three spacious rows of Grand Wagoneer, authenticity meets cutting-edge design, fulfilling the expectations of travellers seeking the highest levels of automobile craftsmanship.

CRAFTSMANSHIP

EXPRESSIVE ARTISTRY

Grand Wagoneer offers arrangements of carefully selected materials, artfully integrated to help put you completely at ease. With details that invite close inspection, Grand Wagoneer exceeds every expectation, utilizing premium materials and employing pleasing tactile textures.

(1) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Entertainment with Amazon Fire TV. Requires a mobile device with Wi-Fi Hotspot service and a linked Amazon account. Wi-Fi data plan and streaming service subscriptions are not included; data charges and overage fees may apply. (2) Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. Miles per gallon (mpg) ratings based on imperial gallon. (3) Based on *Ward's* Large Sport/Utility Vehicle and Large Luxury Sport/Utility Vehicle Segmentation. Short wheelbase only. When properly equipped. (4) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (5) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions.
