ROOM AND A VIEW

Those who appreciate world-class craftsmanship will enjoy the view from both the first- and second-row seats of the luxurious Jeep® Grand Cherokee L. The 16-way-adjustable new front seats offer an available massage feature, while passengers in the rear now ride with heating and cooling vents in very close proximity for a more tailored climate. New, available Rear-Seat Entertainment with Amazon Fire TV built-in^{1*} on two separate screens offers streaming capabilities for customized viewing.

^{*}All disclaimers and disclosures can be found on the last page.

Grand Cherokee L Summit Reserve with Tupelo Palermo Leather interior

STYLED STEERING The unique, leather-wrapped heated steering wheel on Summit is a study in luxury, featuring intricate contrast stitching and precisely inlaid wood appliqué.

TEXTURIZED TOUCHPOINTS Open-pore wood, knobs and dials crafted with detailed chrome surrounds and buttery soft Nappa leather trim all come together to create a lush variety of textures within the cabin.

A PLACE AT THE TOP The Summit nameplate is proudly announced on the front Nappa leather-trimmed seats. For those who have climbed to the top, this is a journey well worth celebrating.

POWER, HEATED, MEMORY MIRRORS These multifunctioning side mirrors help keep your rear view in clear sight. Memory functions automatically perform readjustments for two different drivers. Available.

FINGER-TOUCH STEERING-WHEEL CONTROLS Keep your eyes on the road while your fingertips can help you access pertinent information and adjustments on your Multi-View Display, HVAC, available Head-Up Display and Uconnect® system. Standard.

REMOTE START SYSTEM Climb into a pleasantly preheated or precooled vehicle — featuring a 91-m (300-ft) range. Available.

AUTOMATIC MULTI-ZONE TEMPERATURE CONTROL Passengers sitting in the four climate-control zones of the front and second rows can enjoy separate air temperature settings. Available.

WIRELESS CHARGING PAD No need for cumbersome cords. When you need to charge your device, simply place it on the pad that is conveniently within reach of the driver and front passenger. Available.

ELECTRONIC GEAR SHIFTER DIAL This ergonomically pleasing dial is easy to grip, smoothly turning and landing on each PRND gear while staying in place until its next turn. Standard.

REMOTE PROXIMITY ENTRY Keep the key fob in your pocket, open the door, get seated with your foot on the brake, press the Start button and simply shift into Drive. Standard.

IMPRESSIVE CARGO VOLUME Grand Cherokee L, with its three rows of seating, offers a wide range of configuration options that are easily deployed. Lower the third row to access 1,328 L (46.9 cu ft) of volume, and increase it to 2,395 L (84.6 cu ft) when the second row is lowered.

Properly secure all cargo.

10.25-INCH DRIVER INFORMATION DISPLAY (DID)

A wide range of customizable information includes available navigation details, trip data, outside temperature, tire pressure monitoring, 4x4 specifications and more. Standard.

10.25-INCH PASSENGER SCREEN

Now front passengers have their own frameless digital touchscreen, situated on the dash directly before them. Full connectivity provides a seamless experience between a smartphone and the system. Available.

REAR-SEAT ENTERTAINMENT WITH FIRE TV BUILT-IN¹ lets passengers enjoy a wide variety of content from popular apps. Stream videos, play games, listen to music, get information and watch downloaded programs — all while on the road. Includes two 10.1-inch screens and two Voice Remotes with Alexa. Available.

AMBIENT LED LIGHTING

For the first time, Jeep® Grand Cherokee offers custom ambient interior lighting with colour personalization, allowing you to create a unique atmosphere that reflects your mood. LED lights, with daytime and nighttime settings, glow along the entire front dashboard. Inside, the front- and second-row cup holders provide backlighting for the available front McIntosh® speakers. Available.

THE ALL-NEW UCONNECT® 5 SYSTEM offers more connected services and features for unmatched ease of use for both novice and expert users alike. This all-new system delivers operating speeds that are five times faster compared to the previous generation. Content-rich and adding greater personalization, Uconnect® 5 helps to make every road trip fun and informed.

A QUIET PLACE TO RECHARGE

This All-New Jeep® Grand Cherokee Summit Reserve 4xe expands its legacy of luxury, incorporating modern comforts that soothe with smart utility like the front-passenger active display. Both front-row and second-row passengers benefit from developments that usher in a new era of exceptional elegance that's both luxurious and smartly efficient.

Grand Cherokee Summit Reserve 4xe with Black quilted Palermo Leather interior

YOU CHOOSE HOW AND WHEN TO OPTIMIZE THE HYBRID DRIVETRAIN via push-button controls on the dashboard. Select HYBRID for the best of both worlds, ELECTRIC to only use battery power, or e-SAVE to reserve battery power for later — like for low-emission zones in cities or driving through a majestic cedar forest — where you'll enjoy near-silent exploring with maximum torque and horsepower.

A white Jeep Grand Cherokee Summit Reserve 4xe is shown driving on a winding asphalt road. The car is positioned in the lower right quadrant of the frame, moving towards the left. The background features a lush green landscape with trees and a clear sky. The car's design is highlighted by its sleek lines and the iconic seven-slot grille.

JEEP® GRAND CHEROKEE SUMMIT RESERVE 4xe places you in an exceptionally rare lane of travel, where hybrid technology drives with authentic capability while merging dramatic style with ultimate comfort. With its 21-inch polished / painted aluminum wheels, unique LED fog lamps and Black roof, Summit Reserve 4xe is designed to turn heads. In addition to a standard Quadra-Drive® II Four-Wheel-Drive (4WD) system and hybrid powertrain with a rear electronic limited-slip differential, Summit adds standard, high-level safety and security systems like the new 360° cameras,¹⁹ Drowsy-Driver Detection¹⁹ and Traffic Sign Recognition.¹⁹

Grand Cherokee Summit Reserve 4xe in Bright White

MOST CAPABLE GRAND CHEROKEE EVER

4xe

JEEP® GRAND CHEROKEE TRAILHAWK® 4xe blends power and hybrid technology, handing over Jeep® Brand capability and advanced hybrid technology all at once. A sway bar disconnect improves articulation and traction over rocks and rough terrain during on-the-trail manoeuvres. The Quadra-Drive® II Four-Wheel-Drive (4WD) system on Trailhawk®, Summit® and Overland® (with the Off-Road Group) is fully operational in all-electric mode, where you can listen in near silence to Mother Nature's soundtrack in all its glory.

Grand Cherokee Trailhawk® 4xe in Silver Zynith

Grand Cherokee Trailhawk® 4xe with Black Leather-trimmed interior

JEEP® GRAND CHEROKEE TRAILHAWK® 4xe takes on adventure with plenty of comfort along for the ride. An impressive front dashboard and console present gauges, controls and full-colour screens within a plush, luxurious interior design. This master of the trails invites you to preside over a new breed of hybrid style, crafted for those who appreciate finery and demand precision.

- TRAILHAWK STEERING WHEEL** It's heated for comfort, with carefully placed buttons that help accomplish important tasks. Standard.
- NEW HOOD DECAL** The Trailhawk® hood decal and tow hooks both use an Electric Blue colour to identify it as a hybrid vehicle that is exceptionally capable as well. Standard.
- BLUE TOW HOOKS** Show off your 4xe status with three standard blue tow hooks: two up front and one in the rear. Their unique colour signals the hybrid capabilities of your Trailhawk, always at the ready to come to the rescue.

OFF-ROAD PAGES Access real-time performance data so you know just how far your suspension is travelling, know the status of your transfer case and see how you're faring on the trail with the display showing pitch/roll angles. In-depth vehicle diagnostics, including wheel turn, oil pressure, articulation and transmission temperature, GPS coordinates, and more, all help to provide an optimized experience. Standard.

ELEGANCE DEFINED

LIMITED Masterfully crafted from all angles, the All-New Jeep® Grand Cherokee Limited welcomes you into a world of comfort that's matched by exceptional style. With standard LED fog lamps that help you see and be seen in inclement weather and a standard Remote Start System that helps ready the cabin for comfort upon entry, Limited extends an invitation to experience true Grand Cherokee sophistication.

MANOEUVRABILITY

ARTICULATION

GROUND CLEARANCE

Grand Cherokee Trailhawk® 4xe in Silver Zynith

Grand Cherokee L Summit in Velvet Red Pearl

Grand Cherokee L Overland® in Velvet Red Pearl

FULLY ADAPTABLE

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

This system works to optimize the on- and off-road performance of every Jeep® Brand Four-Wheel-Drive (4WD) system. Selec-Terrain® lets you choose traction modes that automatically adjust to help you master every road condition you meet. Whether you're caught in snow-covered city streets or climbing backcountry hills, you'll have the confidence to bravely meet all challenges. Available.

QUADRA-LIFT® AIR SUSPENSION

This system sets Jeep® Grand Cherokee apart by lowering ride height for optimal access or rising higher to meet your on-road demands. Now the system reacts even faster and raises even higher than the previous generation, so you're handed exceptional ground clearance with water fording²¹ capabilities up to 60 cm (24 in). Available.

ACTIVELY ON GUARD SAFETY AND SECURITY

With more standard and available safety and security features than ever before, passengers in all rows benefit from next-generation technology and engineering. Enjoy travelling all roads knowing there are systems in place that are actively working to maintain status quo.

ACTIVE LANE MANAGEMENT SYSTEM¹⁹

Provides a visual and audible warning should the system detect the vehicle is drifting outside of lane boundaries or if the driver's hands are off the wheel. Standard.

NEW NIGHT-VISION CAMERA¹⁹

An infrared eye mounted on the front grille is able to detect pedestrians and animals crossing the vehicle's pathway. The driver is notified in time to take appropriate action. Available.

NEW ACTIVE DRIVING ASSIST SYSTEM¹⁹

Helps you simultaneously keep your vehicle centred in its lane, on straightaways and curved roads alike, and maintain a safe distance from others while cruising at a desired speed on divided highways. Available.

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP AND GO¹⁹

Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring the vehicle to a complete stop, without driver intervention, to help avoid a collision. Standard.

NEW 360° CAMERAS¹⁹ Your vehicle's entire perimeter is monitored and displayed on your dash touchscreen. These cameras provide a top view, rearview and panorama view to assist you when parking, either manually or automatically. An automatic washer keeps the rear camera's lens clean. Available.

FORWARD COLLISION WARNING WITH ACTIVE BRAKING (FCW+)¹⁹ Sensors detect when the vehicle may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing active braking assistance if the driver does not react in time. Standard.

PEACE OF MIND DRIVES YOU

PARKVIEW® REAR BACK-UP CAMERA¹⁹
Brings previously hidden rear objects to your attention, either on screen or with an audible warning, in good time to react. You can also keep an eye on anything in tow while in motion. Standard.

BLIND-SPOT MONITORING¹⁹ AND REAR CROSS-PATH DETECTION SYSTEM¹⁹ Monitors the space between you and other drivers, and you're notified when a side or rear blind spot is encroached. Standard.

FEATURES IN ITS CLASS²⁰

DROWSY-DRIVER DETECTION¹⁹

HEAD-UP DISPLAY

NIGHT-VISION CAMERA¹⁹

A FIRE WALL BETWEEN YOU AND THE WORLD

NEW TECHNOLOGY AND ENGINEERING USHER YOUR SAFETY AND SECURITY INTO THE FUTURE WITH A LONG LIST OF STANDARD AND AVAILABLE FEATURES. YOUR PEACE OF MIND IS ALWAYS TOP OF MIND.

DROWSY-DRIVER DETECTION¹⁹ Monitors steering wheel movement and provides an audible alert if the system detects the driver is not correctly handling the wheel or the vehicle is off track. Available.

HEAD-UP DISPLAY Drivers can maintain focus on the road ahead with the help of this full-colour, 10-inch transparent windshield display. Driving cluster data is projected onto a safe viewing area on the windshield in front of the driver. Available.

NIGHT-VISION CAMERA¹⁹ An infrared eye mounted on the front grille detects pedestrians and animals crossing the vehicle's pathway. The driver is notified in time to take appropriate action. Available.

STRONG AND LIGHTWEIGHT The exceptionally solid safety cage pairs high-strength steel and aluminum, making Grand Cherokee lightweight while still providing a very strong foundation. Standard.

TRAFFIC SIGN RECOGNITION¹⁹ Detects road signs ahead via a forward-facing camera and provides visual reminders on both your multi-view and Head-Up Displays. Available.

PARALLEL AND PERPENDICULAR PARK ASSIST¹⁹ This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes Park-Sense® Front Park Assist¹⁹ sensors. Available.

CAPACITIES/WEIGHTS (kg unless noted otherwise)

Fuel Tank Capacity (L (gal))	87 (23)	87 (23) / 72 (19)
Payload Capacity, max / min (with all occupants and cargo)	635 / 540	572 / 517
Gross Vehicle Weight Rating (GVWR) 3.6L Pentastar™ V6 Engine	2,948 and 3,039 on Overland® / Summit	2,744
5.7L V8 Engine	3,130	2,948

FUELSAVER TECHNOLOGY — Deactivates 4 cylinders during steady-speed cruising, low acceleration or shallow-grade climbing conditions (5.7L)

VARIABLE VALVE TIMING — Increases engine breathing by varying the degree the valves open and close in conjunction with the piston position, resulting in better performance, more efficient operation, and increased torque for towing and hauling (3.6L and 5.7L)

TRANSMISSION — Driver-interactive manual control and electronically modulated torque converter clutch

SUSPENSION — Front: Multi-link independent front suspension, coil springs, gas-charged, twin-tube coilover shock absorbers, all-aluminum arms and knuckles. Rear: Multi-link rear suspension, coil spring, twin-tube shocks (including load levelling for towing), all-aluminum arms and knuckles (including extruded aluminum spring links)

STEERING — Electric rack and pinion

Overall Ratio	15.6:1
Turns, lock-to-lock	3.0
Turning Diameter (ft), curb-to-curb	38.3

BODY DESIGN — Steel uniframe construction

POWERTRAINS

Engine	3.6L Pentastar V6 with Variable Valve Timing (VVT)	5.7L V8 with FuelSaver Technology and VVT	2.0L GME-T4
Displacement (cu in)	220	345	N/A

BUILD YOURS

(1) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 NAV system and Rear-Seat Entertainment with Fire TV Package. For streaming, requires a Wi-Fi connection and registered Amazon account to run Fire TV in the vehicle. Streaming service subscriptions are not included. Services and features are subject to change or withdrawal at any time, may not be available in all areas and languages, and may require separate subscriptions. (2) **If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services.** Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. (3) All vehicles properly equipped to receive connected services come with a three-month trial of the full suite of Jeep Connect services effective from the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Jeep Connect is available only on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. (4) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To use Android Auto on your phone screen, you'll need an Android phone running 6.0 or higher and the Android Auto App. (5) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. (6) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. (7) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription and properly equipped with remote features. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. See Terms of Service for service limitations. (8) Vehicle must be enrolled in an active subscription with Jeep Connect. If you have concerns about the operation, function or performance of your vehicle, take it to an authorized Jeep retailer. This report / alert(s) does not replace regularly scheduled maintenance. (9) Vehicle must be enrolled in an active subscription with Jeep Connect and be in an active and usable cellular range. Vehicle Theft Alert is only available on factory-installed alarms only. (10) Vehicle must be properly equipped with TomTom Navigation, enrolled in an active subscription with Jeep Connect, be in an active and usable cellular range, and with the Jeep Brand App installed on a compatible smartphone. (11) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. SOS Customer Care agent directs emergency assistance to your vehicle's location. (12) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile

device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (13) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to Jeep Connect connected services and fulfillment of minimum subscription requirements. Amazon, Alexa, and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. (14) Driving while distracted can result in loss of vehicle control. Only use the interior camera when it is safe to do so. (15) Based on manufacturer's estimates of greenhouse gas emissions and previous Jeep Grand Cherokee generations. (16) Based on *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for *EnerGuide* information. When properly equipped. Specific model and optional equipment are required to achieve the maximum ratings shown. See your retailer for full details. (17) Estimated driving range based on *EnerGuide* fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. Use for comparison purposes only. (18) Class based on Ward's Middle / Sport Utility Vehicle Segment – excludes other FCA US LLC vehicles. (19) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his or her surroundings and be prepared to take corrective action to avoid collisions. (20) Based on Ward's Middle / Sport Utility Vehicle Segment – excludes other FCA US LLC vehicles. (21) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (22) Always sit properly in designated seating positions with seat belts securely fastened at all times. (23) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone.

ABOUT THIS CATALOGUE. Since the time of publishing, some of the information you'll find in this catalogue may have been updated. Ask your retailer for details. Some of the equipment shown or described throughout this catalogue is available at extra cost. Specifications, descriptions, illustrative materials and all competitive comparisons contained herein are as accurate as known at the time of this publication. FCA Canada Inc. reserves the right to make changes at any time without notice and without incurring obligation. For the price of the model with the equipment you desire or verification of specifications contained herein, see your Chrysler, Jeep, Dodge and Ram retailer. Chrysler, Jeep, the Jeep grille, Dodge, Ram, Mopar, SRT, Altitude, CommandView, Grand Cherokee, Grand Cherokee Summit, Laredo, Mopar Vehicle Protection, Overland, Park-Sense, ParkView, Quadra-Drive II, Quadra-Lift, Quadra-Trac I, Quadra-Trac II, Rubicon, Selec-Terrain, Trailhawk, Trail Rated and Uconnect are registered trademarks, and Jeep Wave, Keyless Enter™ Go and Pentastar are trademarks of FCA US LLC.
