DESTINATION **EVERYWHERE**

EXCEPTIONAL ADVENTURES BEGIN HERE When you're in command of authentic, Jeep® Brand capability, you're handed the ability to master every trail and highway without compromise. As the original open-air freedom machine, Jeep Wrangler plays it tough while providing cabin comforts that offer a comfortable driving experience wherever the road takes you. Every trip is laden with the potential to take you places others only dream of reaching. Climb in and go.

PROUD TO BARE IT ALL

UNFETTERED FREEDOM IN EVERY DIRECTION MAKES JEEP® WRANGLER ABSOLUTELY UNIQUE. LET NOTHING STOP YOU FROM FEELING THE WIND IN YOUR HAIR, WITH NO SEPARATION BETWEEN YOU AND THE SCENERY AT HAND.

REMOVABLE¹ TOPS

Open-air driving has never been more fun than with your choice of the standard Sunrider® Soft Top, the available Premium Sunrider Soft Top or available Freedom Top® Modular Hardtop.

REMOVABLE¹ DOORS

Made of lightweight aluminum, the doors are designed for easy removal¹ with the included TORX® toolkit.

FOLD-DOWN WINDSHIELD¹

The aluminum-framed windshield is easy to unfasten, fold down and secure to the hood with available straps.

Rubicon® in Firecracker Red
Always off-road responsibly in approved areas.

NEW FOR 2022

MOPAR® SUNRIDER® FLIP TOP FOR HARDTOP

Look up to see more of the sun, sky and stars. Made with premium materials that allow for year-round use, the Sunrider Flip Top for Hardtop replaces the Freedom Panels with a soft top that can easily open — and close — in seconds. Available.

SUNRIDER SOFT TOP

The simple operation of this easy-to-use zipperless soft top allow it to glide open with the help of spring-loaded support bars. Crafted from heavy-duty, waterproof cloth material and comes in Black or Heritage Tan. Upgrade to the available Premium Sunrider Soft Top with a higher grade of fabric. Standard on all Wrangler models, except Sahara® with its standard Black hardtop.

FREEDOM TOP® MODULAR HARDTOP

This three-piece hardtop is light and easy to remove! For a full open-air experience, you can take off¹ all three sections or let in the sun by just removing¹ the two front panels. Available in Black or body-colour depending on model.

QUICKEST, MOST POWERFUL WRANGLER EVER

THE ADRENALINE RUSH YOU'VE BEEN CRAVING

392

BEST-IN-CLASS²

AVAILABLE CRAWL RATIO, APPROACH ANGLE, DEPARTURE ANGLE, GROUND CLEARANCE AND WATER FORDING³

XTREME RECON 35-INCH TIRE PACKAGE

- Available on Willys, Rubicon,[®] Rubicon 392 4-door, gas models with 8-speed automatic transmission
 - Includes 1-inch lift
 - Beadlock-capable wheels
 - Modified shocks
 - Wheel flare extensions
- Mopar[®] Hinge-Gate Reinforcement
- Mopar Spare Tire Relocation Kit

470 HP AND 470 LB-FT OF TORQUE
0 - 60 MPH IN 4.5 SECONDS⁴
1/4 MILE IN 13 SECONDS⁴

Rubicon[®] 392 in Granite Crystal Metallic

33-INCH TIRES Grip, grab and go with 17-inch beadlock-capable wheels.

THE 6.4L HEMI[®] V8 ENGINE

Powers up with 470 hp and 470 lb-ft of torque.

TORQUEFLITE[®] 8-SPEED AUTOMATIC TRANSMISSION

High output helps put the power into the shifting.

HIGH-PRESSURE GAS-CHARGED FOX[®] ALUMINUM SHOCKS
Add exceptional stability at extreme climbs and speeds.

FREEDOM IS BORN FROM POWERFUL CHOICES

THESE JEEP® BRAND POWERPLANTS OFFER AN IMPRESSIVE MIX OF EFFICIENCY, POWER AND PULL

2.0L TURBO I-4 ENGINE WITH ENGINE STOP/START (ESS) TECHNOLOGY

This remarkable engine offers smart energy-generating functions, including available ESS, electric power assist, extended fuel shutoff, transmission shift management, intelligent battery charging and regenerative braking. Direct injection boosts power while reducing emissions, and eTorque technology provides a smooth ESS experience, along with electric torque assistance. With its standard match to the 8-speed transmission, you'll enjoy strong takeoffs and smooth highway coasting. Available.

270
HORSEPOWER

295
LB-FT OF TORQUE

3.6L PENTASTAR™ V6 ENGINE

This proven road star's performance employs friction-reducing applications that ensure its smooth operation. Improved fuel efficiencies compared to the previous Pentastar™ engine generation add even more value, helped by the addition of ESS. It's matched to a sturdy 6-speed manual transmission. Or, choose the 3.6L Pentastar engine equipped with mild-hybrid eTorque technology, paired with an 8-speed automatic transmission. Both versions deliver equally powerful horsepower and torque. Standard.

285
HORSEPOWER

260
LB-FT OF TORQUE

3.0L ECODIESEL V6 ENGINE

The 3.0L EcoDiesel produces strong takeoffs with the confidence to pull loads up to 1,587 kg (3,500 lb), when properly equipped. The engine's water-cooled turbocharger with Variable Geometry Turbine (VGT) and low-friction bearing adds to its economies, and high-pressure direct-injection nozzles and a low-pressure circulation system minimize turbocharger energy losses. And, because diesel fuel converts to a greater amount of usable energy compared to gasoline, it helps deliver a fuel economy as efficient as 9.5 L/100 km (30 mpg)⁵ combined. Available.

260
HORSEPOWER

442
LB-FT OF TORQUE

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimized, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep® Wrangler. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades, Four-Wheel-Drive (4WD) gears and towing. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride. Available.

6-SPEED MANUAL TRANSMISSION

For those who prefer to really put themselves into every shift, this one's for you. It hands you low 1st and Reverse gears, which are great for off-roading. It comes standard, matched to either a Command-Trac® 4WD system on Sport and Sahara® or paired with the Rock-Trac® 4WD system on the Rubicon® model.

THE GUTS TO GET YOU THERE

WHEN THE GOING GETS TOUGH, JEEP® WRANGLER GETS YOU WHERE YOU NEED TO GO. YOU'RE SUPPORTED WITH A FULL LINEUP OF FEATURES THAT HELP YOU MANAGE YOUR PROGRESS AND PROTECT YOUR VITAL PARTS WHILE KEEPING YOU INFORMED OF VEHICLE PERFORMANCE ALL ALONG THE WAY.

OFF-ROAD PAGES Access real-time performance data like suspension travel or keep an eye on your tilt and pitch. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.

SELEC-SPEED® CONTROL Manages vehicle speeds of 0.96 – 8 km/h (0.6 – 5 mph) in 4-LO while traversing off-road terrain without requiring the driver to control the throttle or the brake. This helps the driver focus on steering the vehicle, letting Wrangler put the right amount of power or braking onto the ground. Included with the available 8-speed automatic transmission.

STEEL BUMPERS Built with ultra-strong steel to take the punishment of the trails. The front bumper can accept a winch, features integrated LED fog lamps and has removable end caps to help manoeuvre through tight spots. Available on Rubicon® models.

SKID PLATES The underbelly of your beast is protected, giving you peace of mind when you're climbing over huge boulders and navigating rough terrain. Every Wrangler gets skid plates covering the fuel tank, transfer case and transmission, so move forward with confidence on every road and trail. Standard.

TOW HOOKS You're given important tools to play the hero when need be. Every Wrangler gets two tow hooks up front and one in back. On Rubicon models, they're painted Red to stand out among the crowd.

THE TRADEMARK THAT BECAME THE BENCHMARK

EVERY JEEP® WRANGLER WEARS THE TRAIL RATED® DESIGNATION, SHOWING IT HAS BEEN TESTED AND PROVEN IN FIVE MAJOR CATEGORIES, HELPING YOU NAVIGATE THE MOST DIFFICULT CHALLENGES MOTHER NATURE CAN DISH OUT.

traction

articulation

manoeuvrability

LOCKED IN YET FLEXIBLE

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar can be disconnected in 4-LO and 4-HI, allowing the front suspension to travel up to an additional 30 percent. It reconnects automatically at speeds above 28 km/h (18 mph). Standard only on Rubicon® models.

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in 4WD traction. An instrument panel-mounted rocker switch can lock either the rear or both axles. Paired with Rock-Trac® 4WD system on Rubicon models.

OFF-ROAD+

When engaged, it automatically deciphers the type of terrain Jeep® Wrangler is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, it tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling manoeuvres. Standard only on Rubicon models.

FORWARD-FACING OFF-ROAD TRAILCAM¹⁸

Mounted within the grille, provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles. Available.

SIRIUSXM⁶

SiriusXM⁶ delivers over 150 channels of ad-free music in every genre, exclusive interviews and performances from our studios plus world-class news, live play-by-play sports and the biggest names in comedy. Listen in your car or using the SXM App⁶ included in your one-year trial. Available.

PHONE / TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,⁸ select media stations and access navigation.

Includes Apple CarPlay⁹ support and Android Auto^{TM9} compatibility. Available.

CONNECTIONS

With Siri Eyes Free¹⁰ and your connected iPhone, use voice commands to make calls, create and send texts, and more.

Available GPS Navigation¹¹ helps you travel the best routes. A Wi-Fi Hotspot¹² connects with up to eight devices within 15.2 m (50 feet) of your vehicle. Available.

SIRIUSXM TRAFFIC PLUS⁷

Avoid tie-ups, road closures and construction with continuous traffic updates. First five years of service included. Available.

UCONNECT[®] + SIRIUSXM GUARDIAN¹³

Enjoy a suite of safety and convenience features, including SOS Call¹⁴, lock/unlock or start¹⁵ your car from virtually anywhere, and much more. One-year trial included. Available.

START YOUR CAR FROM AFAR

Start the engine, lock the doors, check fuel status and more using the available Jeep[®] Skill¹⁶ for Amazon Alexa¹⁷ or the available Jeep Action on a Google Assistant-enabled device.

SIRIUSXM TRAVEL LINK⁷

Get weather maps, forecasts and alerts, plus sports scores and schedules, fuel prices and more. First five years of service included. Available.

A LOT TO CONNECT WITH

The Uconnect[®] system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use touchscreen. You're always connected with Uconnect, whether in your vehicle or via the Uconnect App¹³ on your device, which allows you to lock and unlock your vehicle remotely. Available.

LEARN MORE ABOUT UCONNECT[®] AND RELATED SERVICES AT DRIVEUCONNECT.CA

ADVANCED SAFETY & SECURITY SYSTEMS

WHEN IT COMES TO YOUR WELL-BEING ON THE ROAD, JEEP® WRANGLER IS READY AND WILLING TO STAND AS A CONSTANT GUARDIAN. WRANGLER ENVELOPS YOU WITH MORE THAN 80 STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES. SENSORS AND CAMERAS KEEP WATCH AROUND YOUR PERIMETER FOR COMPLETE PEACE OF MIND.

BLIND-SPOT MONITORING¹⁸ AND REAR CROSS-PATH DETECTION¹⁸

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

PARK-SENSE® REAR PARK ASSIST SYSTEM¹⁸

Works in tandem with the ParkView® Rear Back-Up Camera¹⁸ to help display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 6 km/h (4 mph), the system will automatically bring the vehicle to a stop if an object is detected. Available.

ADVANCED SAFETY GROUP

This complete package uses active sensors to help you stay aware of your surroundings. It includes Auto High-Beam Headlamp Control, Full-Speed Forward Collision Warning Plus, Adaptive Cruise Control with Stop, Blind-Spot Monitoring and Rear Cross-Path Detection, Park-Sense® Rear Park Assist System and bright LED taillamps. Available.¹⁸

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC)

HSA works to prevent Wrangler from rolling when starting on an uphill gradient. Standard. HDC is packaged with the available 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

SMART UTILITY

IN-FLOOR STORAGE BIN The cargo floor behind the second row of seats hides a storage area whose lid secures when the swing gate is closed — perfect for storing larger items.

TRAIL RAIL™ CARGO MANAGEMENT SYSTEM Increase your cargo-carrying capability with this versatile system, optional on all Jeep® Wrangler models. It includes aluminum rails on the tailgate and cargo floor, along with cargo anchors that lock into place (four anchors included with two-door models and six with four-door models).

MODULAR SEATBACK JEEP® UTILITY GRID SYSTEM Exclusive to and integrated into the Rubicon® front seatbacks, it allows for additional flexible storage options. Durable nylon woven straps accommodate available Modular Lightweight Load-carrying Equipment (MOLLE)-style bags. An available Mopar® kit includes a set of three bags (small, medium and large), each with attachment straps and featuring the Jeep Brand logo.

BINS AND POCKETS The cabin is designed to help you stay organized with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more. The two-tiered centre console has a main bin big enough to fit an iPad and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for cell phone or key fob storage.

A CABIN CRAFTED TO SERVE

NEW CORNING® GORILLA® GLASS WINDSHIELD

Two times as tough as conventional glass, this windshield uses soda-lime glass on the outside of the vehicle and Corning® Gorilla® Glass on the inside, creating a hybrid that is lighter, clearer and can withstand higher forces of impact than a standard windshield. Available.

WEATHERPROOF PUSH-BUTTON START The standard push-to-start button is protected by a water-resistant shield, so you're able to start up and head out should the weather outside accidentally come inside.

WASHABLE INTERIOR Not only is the carpet weather-resistant, but it can be removed to reveal drain plugs that, when removed, allow the floor to be easily hosed out. Standard.

MORE POWER TO YOU Connect to and power up your devices with the USB, micro USB, 12-volt and audio jack situated on the front dashboard. An additional 115-volt outlet and two USB ports are on the rear of the centre console, especially handy for device users in the second row.

AUXILIARY SWITCH GROUP This bank of four switches, conveniently installed in the dashboard, is pre-wired from the factory to accept accessories like off-road lights and a winch, making their addition clean and hassle-free. Available.

HIGH ALTITUDE

High Altitude in Hydro Blue

STANDARD

- 3.6L Pentastar™ V6 engine with mild-hybrid eTorque assist and 8-speed automatic transmission
- Antilock 4-wheel FNC disc brakes

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES: 2022 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance¹. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres². Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres³. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance⁴.

*Whichever comes first. Some conditions may apply. ¹The 5-Year /100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

¹) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. ²) Class based on Ward's Small SUV segmentation. ³) Do not attempt water fording unless depth is known to be less than 76 cm (30 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. ⁴) Based on manufacturer's estimates. Actual mileage may vary. Obey the rules of the road. ⁵) Based on EnerGuide fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the EnerGuide information. Miles per gallon (mpg) ratings based on imperial gallon. ⁶) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at siriusxm.ca/privacy. ⁷) SiriusXM Traffic Plus and SiriusXM Travel Link require subscriptions, sold separately or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast. Current Conditions may not be available in all locations. ⁸) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. ⁹) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To use Android Auto on your phone screen, you'll need an Android phone running 6.0 or higher and the Android Auto App. ¹⁰) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. ¹¹) Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. ¹²) Three-month /1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. ¹³) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. ¹⁴) In the event of a medical or other emergency, press the SOS button to be connected to a customer care agent who can direct emergency assistance to your vehicle's GPS location. ¹⁵) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. ¹⁶) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. ¹⁷) Available on properly equipped vehicles with a Uconnect 4C /4C NAV system. Requires a Wi-Fi Hotspot plan and linked Amazon account to run Alexa in the vehicle. ¹⁸) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. ¹⁹) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. ²⁰) Always sit properly in designated seating positions with seat belts securely fastened at all times. ²¹) Not compatible with all garage door openers. ²²) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details.
