CHRYSLER

Bring more style and utility to your home away from home.

The New 2021 Chrysler Pacifica reveals dynamic new exterior design features, a luxurious new interior with advanced technology — and introduces an available All-Wheel-Drive (AWD) system for enhanced capability and precision in all-weather driving. The refreshed lineup — including the innovative Pacifica Hybrid with combined gas and electric power — delivers sculpted front and rear fascias, with distinctive LED lighting and rear light bar, and a robust new grille and wheels for an athletic, new look to this versatile family vehicle. The new Pinnacle™ trim level speaks volumes about this vehicle's upscale pedigree. As always, Pacifica boasts plenty of standard and available safety and security features to help make every ride more secure.

Pinnacle™ trim shown in Caramel quilted Nappa leather-faced seats with luxury steering wheel and integrated new front and centre console with Mopar® Wireless Charging Pad.
