We've always been devoted to distancing ourselves: from the pack, from the competition, from the mundane and – most importantly – from convention. Every Dodge in our 2021 lineup is designed to deliver something decidedly unique: fierce attitude, formidable horsepower and intense performance.

Dodge Charger is a muscle car disguised as a family sedan. Power performance, race-inspired technology and seating for five come together to give drivers the complete package. With a choice between Rear- (RWD) and All-Wheel Drive (AWD), Charger offers year-round versatility.

THE DODGE BRAND: HIGHEST INITIAL QUALITY OVERALL IN THE J.D. POWER 2020 U.S. INITIAL QUALITY STUDY

DODGE IS THE #1 BRAND IN INITIAL QUALITY IN THE U.S. /// The Dodge Brand is the first domestic brand to rank the highest overall in the history of the J.D. Power U.S. Initial Quality Study.

Dodge received the lowest rate of reported problems among all nameplates in a tie in the J.D. Power 2020 U.S. Initial Quality Study of new vehicle owners' experience with their own vehicle after 90 days of ownership. Visit [jdpower.com/awards](https://www.jdpower.com/awards)

SRT HELLCAT WIDEBODY /// 4

/// Being the world's most powerful and fastest mass-produced sedan^{1*} wasn't enough. Charger SRT Hellcat now has the soul of a Demon – the new 2021 Dodge Charger SRT Hellcat Redeye Widebody. This new trim level uses 797 horses, 707 lb-ft of torque and a TorqueFlite[®] 8HP90 8-speed automatic transmission to run a 1/4 mile in 10.6 seconds at 207 km/h (129 mph), go from 0 – 60 mph in the mid-3-second range and hit a top track speed of 327 km/h (203 mph). Its high-output engine upgrades include the largest factory supercharger of any production car, increased boost pressure and a higher rpm limit. The larger induction air box has three sources of intake air: a functional, newly designed performance hood, a mail-slot grille opening and an air-box opening near the wheel liner.

CHARGER SRT HELLCAT REDEYE WIDEBODY /// also grabbed the Demon Torque Reserve, which delivers up to 3.9 psi of boost at launch and up to 55 percent more engine torque. Both the steel prop shafts and the half shafts allow the vehicle to handle the additional torque created with the help of the SRT Power Chiller[®] and After-Run Chiller. Essentially, this daily driver is a beast.

SRT HELLCAT WIDEBODY /// Only slightly less raucous than its sibling, Charger SRT Hellcat Widebody throws down serious performance numbers of its own. Its 717-horsepower, 650-lb-ft-of-torque performance is also supplied by a 6.2L Supercharged HEMI[®] SRT Hellcat V8 engine. Its dominance shows in 0 – 60-mph runs in 3.6 seconds and its impressive 10.96-second 1/4-mile elapsed time – even on street tires.

*A note about this catalogue: all disclosures can be found on the last page.

/// SRT HELLCAT BLACK LAGUNA LEATHER SEATS
WITH PERFORATED INSERTS

EXTRA WIDE, EXTRA PERFORMANCE

CHARGER SRT HELLCAT® REDEYE AND SRT HELLCAT WIDEBODIES /// Their looks are as aggressive as their performance. The iconic, inspired design showcases scalloped bodysides, an imposing grille and an all-out aggressive look. A newly designed performance hood provides maximum air intake to the supercharged powerplant from the functional hood scoop to boost power. The mail-slot grille lets cool air travel into the radiator and maintain ideal operating temperatures even in the hottest conditions. Side sills connect the front and rear fascias to help amplify the integrated design. In the rear, a standard one-piece, body-colour performance spoiler details the back design while adding downforce to help bring high-speed balance to the vehicle.

/// **SRT HELLCAT BLACK LAGUNA LEATHER SEATS WITH PERFORATED INSERTS AND AVAILABLE RED SEAT BELTS**

SRT HELLCAT 717 HP

/// **SRT HELLCAT WIDEBODY IN FROSTBITE**

EXTRA ROOM FOR EXTRA HANDLING /// The standard Widebody flares out an additional 8.8 centimetres (3.5 inches) from the overall width of the Charger for a more dominating, planted presence. Charger SRT Hellcat Widebody rides on standard 20 by 11-inch Carbon Black forged wheels and wider, stickier Pirelli® 305/35ZR20 tires (Three-Season tires are available). This combination teams with a competition suspension tuning with Bilstein® Three-Mode Adaptive Damping Suspension System to produce even more grip, delivering next-level performance on the street, strip and road course.

POWER UNDER YOUR CONTROL

SRT HELLCAT® WIDEBODY IN TORRED

DRIVE MODES /// All SRT Hellcat trim levels feature Drive Modes specific to the vehicle. The SRT® tuned Bilstein® Three-Mode Adaptive Damping Suspension System provides driver-selectable settings, including Street (Auto) Mode = sporty but compliant ride; Sport Mode = firm, maximum handling; and Track Mode = firm, maximum handling plus performance shifting and a gear holding feature to suit any driver's needs. The SRT Drive Modes, accessed via the Uconnect® touchscreen, offer selectable settings for Street (Auto), Sport and Track. A custom setting lets drivers tailor their experience by individually adjusting horsepower, transmission shift speeds, steering effort, paddle shifters, traction and suspension preferences. The standard SRT Performance Pages brings critical vehicle performance data to the driver's fingertips, while race options give the driver the ability to access Launch Control, Shift Light and Line Lock.

SCAT PACK 392

/// SCAT PACK 392 IN GO MANGO

485_{HP}

CHARGER SCAT PACK 392 /// Designed with nostalgia and engineered with modern mechanics, Charger Scat Pack 392 and Scat Pack 392 Widebody are fed by the 485-horsepower, 475-lb-ft-of-torque 392 HEMI® V8 engine. Scat Pack models feature big Brembo® brakes, Three-Mode Electronic Stability Control (ESC)² with Full-Off Mode, high-performance suspension with Bilstein® shocks and 20 by 9-inch aluminum wheels, and available cold-air induction to help you use that power responsibly.

SCAT PACK 392 WIDEBODY /// features its own upgraded, specially tuned suspension with Three-Mode (Street [Auto], Sport and Track) Bilstein Adaptive Damping Suspension System and 20 by 11-inch wheels. The result is unthinkable levels of lateral grip, acceleration and braking, delivering premium handling. Massive 15.4-inch Brembo two-piece brake rotors with 6-piston front calipers deliver tremendous stopping power, heat management and longevity, producing 60 - 0-mph stops in 32.6 metres (107 feet). The numbers Scat Pack 392 Widebody yields tell an impressive story: 0 - 60 mph in 4.3 seconds, 1/4 mile in 12.4-second elapsed time (ET) and 0.98 g lateral grip on the skid pad.

The standard race-inspired seats feature an embroidered Scat Pack Bee logo (standard high-performance premium cloth or available Nappa leather-faced with Alcantara® suede inserts). Every Scat Pack 392 model includes Dodge SRT® Performance Pages that features everything from Launch Control to a g-force meter to drag-race timers. This real-time data can also be accessed on either the standard 7-inch customizable, in-cluster display housed between the gauges or the standard 8.4-inch Uconnect® touchscreen. SRT Drive Modes offer the ability to customize steering feel, transmission shift points, throttle response, ESC² tuning and suspension firmness (if equipped with Adaptive Damping Suspension).

/// SCAT PACK 392 WIDEBODY IN HELLRAISIN WITH AVAILABLE SATIN BLACK-PAINTED GRAPHICS PACKAGE

SCAT PACK 392 /// 7

/// SCAT PACK 392 BLACK AND RUBY RED NAPPA LEATHER-FACED SEATS WITH ALCANTARA SUEDE BOLSTERS AND PERFORATED INSERTS

DEALER

PERFORMANCE-INSPIRED

BEST OF BOTH WORLDS /// The interior is a striking balance of throwback style and must-have technology. The one-piece-construction, instrument-panel bezel houses a 7-inch customizable, in-cluster display. Buttons on the steering wheel let you scroll through hundreds of different vehicle configurations and customize what information you see and how you see it.

Spacious and comfortable, Charger offers enough room for five adults. Seat options range from premium cloth to Nappa leather-faced with Alcantara® suede inserts to premium Laguna full leather. Standard cabin details include integrated storage, soft-touch surfaces and standard Dual-Zone Automatic Temperature Control (ATC). Heated/ventilated front seats, heated rear seats and a full-circumference heated steering wheel for year-round comfort are also available.

/// R/T BLACK NAPPA LEATHER-FACED SEATS WITH AVAILABLE REAL CARBON FIBRE BEZELS

/// SRT® BLACK NAPPA LEATHER-FACED SEATS WITH PERFORATED INSERTS

/// SRT HELLCAT® BLACK LAGUNA LEATHER SEAT WITH EMBOSSED SRT HELLCAT LOGO

/// SRT HELLCAT BLACK LAGUNA LEATHER SEATS AND PERFORATED INSERTS

ADVANCED ALL-WHEEL DRIVE (AWD) /// Charger AWD delivers big control exactly when you need it. The advanced automatic front-axle disconnect technology, intuitively and seamlessly transitions between Rear-Wheel Drive (RWD) and AWD without driver intervention. Available on SXT and GT models.

/// GT AWD IN OCTANE RED WITH BLACKTOP PACKAGE

STEER SMARTER /// The standard 8-speed automatic transmission provides superior efficiency, quick acceleration and smooth shifting. Available performance-inspired steering wheel-mounted paddle shifters allow for a more personalized driving experience. Available Sport Mode changes the steering calibration, pedal response and shift pattern, increasing the vehicle's responsive driving experience.

**ADVANCED
AWD SYSTEM**

ALL-WHEEL DRIVE (AWD) /// 9

When AWD is not needed, the front axle is disengaged, and 100 percent of the engine's torque is directed to the rear wheels. When sensors indicate more traction is needed, the system automatically engages the front axle and instantly transitions to AWD Mode. These systems work with the vehicle's Electronic Stability Control (ESC)² System to deliver precise front-to-rear torque control while preserving unrelenting drive.

DEALER PROCESS

OUR NUMBERS DO THE TALKING

CANADA'S BEST-SELLING ENGINE³ – 3.6L PENTASTAR VARIABLE VALVE TIMING (VVT) V6 /// The robust 3.6L engine, with a fuel efficiency rating of 7.8 L/100 km (36 mpg) highway* on Rear-Wheel-Drive (RWD) models, produces up to 300 horsepower and 264 lb-ft of torque. It's the combination of fully independent dual-cam phasing, sequential multipoint fuel injection, high-flow intake and exhaust ports that results in the perfect blend of high torque and fuel efficiency.

5.7L HEMI VVT V8 /// Providing 370 horsepower and 395 lb-ft of torque, this powerplant moves you from 0 - 60 mph in the 5-second range. With the standard TorqueFlite[®] 8-speed automatic transmission, the FuelSaver Multi-Displacement System (MDS) technology allows the vehicle to transition from eight cylinders to four to optimize fuel efficiency when full power is not required.

6.4L SRT HEMI V8 /// This engine assaults the asphalt with 485 horsepower, 475 lb-ft of torque, an impressively flat torque curve and a 0 - 60-mph time in the 4-second range. With the standard TorqueFlite 8-speed automatic transmission, the FuelSaver MDS technology deactivates four cylinders when eight are not needed, creating a double threat of power and efficiency.

6.2L SUPERCHARGED HEMI SRT HELLCAT V8 /// With 717 horsepower, 650 lb-ft of torque and a fierce 0 - 60-mph time in the 3-second range, this engine makes Charger SRT Hellcat Widebody a force to be reckoned with.

6.2L SUPERCHARGED HIGH-OUTPUT HEMI SRT HELLCAT V8 /// SRT Hellcat Widebody Redeye uses 797 horses, 707 lb-ft of torque and a TorqueFlite 8HP90 8-speed automatic transmission to run a 1/4 mile in 10.6 seconds at 207 km/h (129 mph), go from 0 - 60 mph in the mid-3-second range and hit a top track speed of 327 km/h (203 mph).

LARGE, FULL-COLOUR TOUCHSCREEN

Uconnect®

LISTEN /// to music, talk shows and sports. Access all genres, favourite artists, winning teams – all the time with available SiriusXM.⁴ **SPEAK UP** and be heard; send and receive calls and text messages⁵ while driving safely with hands-free communication⁶ with standard Bluetooth[®] streaming audio. Available navigation to every adventure; get turn-by-turn directions⁷ so you don't get lost on the way.

APPLE CARPLAY⁸ /// Display your favourite iPhone apps right on your Uconnect[®] touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri⁹ to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your drive. Standard.

ANDROID AUTO^{TM8} /// Connect your Android phone to bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto and send messages, get directions, control media and more with your voice so you can keep your focus on driving. Just say, "Hey Google" or long-press the voice control button on your steering wheel. Standard.

DEP
DEALER ePROCESS

ALWAYS IN TOUCH

SIRIUSXM⁴ /// Listen to your favourite channel from your connected device, then flip to SiriusXM in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 140 channels, all at the press of a button. With the SiriusXM All Access⁴ package, you get every channel available on your satellite radio, and you can also listen at home or on the go with your connected devices and the SiriusXM App, which is included with your one-year trial. Available.

SiriusXM TRAVEL LINK

SIRIUSXM TRAVEL LINK¹⁰ /// Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link¹⁰ service are included. Available.

SiriusXM TRAFFIC PLUS

SIRIUSXM TRAFFIC PLUS¹⁰ /// Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus¹⁰ service are included. Available.

DRIVE WORRY-FREE WITH SIRIUSXM GUARDIAN¹¹ /// A premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect[®] App. Includes a one-year trial. Available.

SMARTPHONE/SMARTWATCH APP /// Access the features of SiriusXM Guardian through the convenient Uconnect App, which lets you use your smartphone or smartwatch to keep in touch with your vehicle from a distance.

SOS CALL¹² /// In the event of an incident, push the SOS¹² button. You'll be connected to a SiriusXM Guardian agent who will contact emergency services, provide your location and stay on the line with you until help arrives.

AUTOMATIC SOS¹² /// This hands-free safety service can immediately connect you with help in the event your vehicle's air bags¹³ deploy. Seconds after the incident, a live agent will contact you through the Uconnect system and alert emergency services. If you are unable to respond, the agent can direct emergency services to your GPS location.

ROADSIDE ASSISTANCE CALL¹⁴ /// puts you in touch with an agent who can get you help while you're out on the road.

LOCK/UNLOCK /// your car from virtually anywhere.

START YOUR CAR REMOTELY¹⁵ ///

FLASH THE LIGHTS /// and sound the horn to help find your car in, for example, a parking lot.

VEHICLE FINDER¹⁶ /// allows you to locate your vehicle on a map.

SEND & GO¹⁷ /// enables you to send destinations to your navigation system.

THEFT ALARM NOTIFICATION¹⁸ /// Receive alerts by text, email or push notification if your vehicle's available theft alarm is triggered.

STOLEN VEHICLE ASSISTANCE¹⁹ /// If the unexpected happens and your vehicle is stolen, this feature will help police locate your vehicle.

FAMILY DRIVE ALERTS²⁰ /// provide peace of mind when you hand over the keys. Allow you to set parameters to receive notifications when others are operating your vehicle.

- **BOUNDARY ALERT.** Be alerted the moment your vehicle is driven out of up to five geographic boundaries that you set.
- **CURFEW ALERT.** Be alerted if your car is being driven outside of the curfew you set.
- **SPEED ALERT.** Receive a notification whenever your car exceeds a speed limit you set.
- **VALET ALERT.** Be alerted the moment your vehicle is driven outside of a defined radius.

Professional driver on closed track/course. Drive responsibly. Always obey the rules of the road.

SAFETY & SECURITY FEATURES

PARKVIEW® REAR BACK-UP CAMERA²¹ /// This system displays the area directly behind your vehicle when the vehicle is in Reverse. Dynamic grid lines adjust with steering input to assist in parking. Standard.

PARK-SENSE® REAR PARK ASSIST²¹ /// When your vehicle is in Reverse and moving at a low speed, the system can detect objects in your vehicle's path. When sensors detect objects in the back-up pathway, the system provides an audible and visual warning. Standard.

BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION²¹ /// Dual radar sensors constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminating icons in the sideview mirrors and by audible chime. The system includes Rear Cross-Path Detection,²¹ which monitors for vehicles and objects in perpendicular relationships to the vehicle while backing out of parking spots or driveways. Available.

ADAPTIVE CRUISE CONTROL (ACC)²¹ /// Automatically adjusts vehicle speed to maintain desired distance from the vehicle ahead and can bring the vehicle to a full stop without driver intervention. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING²¹ /// Radar and camera technology combine to alert you when the system senses potential frontal impact. If you're not able to respond quickly enough, the system can automatically engage the brakes with the ability to bring the vehicle to a complete stop. Available.

LANE DEPARTURE WARNING (LDW) WITH LANE KEEP ASSIST²¹ /// This system measures your position within lane boundaries. If it detects an unintentional lane drift, it will alert you and can correct the vehicle back into the lane. Available.

ELECTRONIC STABILITY CONTROL (ESC)² /// This system is designed to assist the driver in maintaining control of the vehicle when a loss of traction is detected. ESC² senses when a vehicle loses steering control and attempts to correct the vehicle's course by automatically applying the brakes at individual wheels. Standard.

RAIN-SENSING WINDSHIELD WIPERS /// System sensors automatically detect moisture on the windshield and activate the wipers. Standard.

READY ALERT BRAKING /// The system anticipates situations when you might initiate an emergency brake stop and uses the ESC² pump to pre-charge the brake system in order to decrease the time required for full brake application. Standard.

RAIN BRAKE SUPPORT /// When your car's windshield wipers have been activated, the system pulses the brake pads closer to the spinning rotors, helping to keep the rotors and pads dry for greater control and operator security. Standard.

MDPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road – for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 800-465-2001.

DISCLAIMERS: 1. Based horsepower and top speed. 2. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 3. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years CY 2015 to CYTD September 2020. 4. Requires SiriusXM radio subscriptions governed by SiriusXM Canada Customer Agreement available at www.siriusxm.ca/terms. 5. Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. 6. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 7. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 8. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. To use Android Auto on your car display, you'll need an Android phone running Android 6.0 or higher, an active data plan and the Android Auto App. 9. Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 10. SiriusXM Traffic Plus and SiriusXM Travel Link require a subscription, sold separately or as a package, by Sirius XM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 11. All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 12. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 13. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 14.
