## **2024 FLEET PROGRAM**

**WHITECAP IS MORE THAN A DEALERSHIP, WE'RE A BUSINESS PARTNER.**

You know Whitecap for offering quality, work ready General Motors vehicles, supported by competitive GM Fleet discounts. Whitecap also offers after-sales service and maintenance in two locations, Slave Lake and Wabasca, while boasting a fully stocked Parts and Accessory department. Your fleet needs monitoring to be efficient and effective, we can help with that as well.

Whether your fleet is two or two hundred, you deserve the best. Within this brochure, and your consultation with our Fleet Manager, you will learn new ways to save money and efficiently run your fleet of the most technologically advanced and economical vehicles on the market.

**BUSINESS  
CHOICE** ✓  
Canada 

Your journey starts with a choice. GM Business Choice offers smaller fleets who do not qualify for a fleet number the option between an additional \$500 cash incentive above current retail programs or a \$750 allowance towards GM Accessories. GM Fleet qualified companies also receive this choice. To qualify for a GM Fleet Number, your business must have a minimum of 5 light duty vehicles registered in the company name. Qualified companies receive a GM Fleet Allowance.

Additional special discounts can also be received when a qualified fleet company purchases 5 or more GM vehicles in the current model year. This program is called Competitive Assistance. Ask your Whitecap Fleet Manager for details on all programs.

## CERTIFIED SERVICE

## Certified Service

Whitecap is the only dealership in our area with two service locations to serve you better. With our main location on Main Street in Slave Lake and our service centre just outside of Wabasca, be confident knowing we are close by. With our rental department at our main location, you'll have access to courtesy transportation if needed. Our technicians are constantly training on new technologies and our owner invests in the latest state of the art equipment.

## Whitecap Chevrolet Buick GMC 2024 FLEET PROGRAM

To help with your cash flow and budgetary planning, Whitecap has numerous competitive options for financing and leasing. Leasing can be obtained through GM Financial or Kennedy Rentals & Leasing, OAC. We deal with all major Canadian banks for financing such as RBC, TD and ScotiaBank, OAC.

In business, nothing matters more than staying one step ahead and running at maximum efficiency. GM's OnStar Vehicle Insights takes advantage of OnStar® hardware embedded within your vehicle, so you have access to real-time status reports and can view or download consolidated vehicle reports. Maintenance and speed monitoring, fuel consumption and GPS location tracking and real time status reports are just a few of the GM OnStar Vehicle Insights advantages.

Your business shouldn't be restricted by dropped data and spotty cellular coverage. The GM exclusive, factory installed, OnStar module is equipped with a cellular booster offering cell and data coverage superior to your handheld device. With built in wifi and the benefits of OnStar such as stolen vehicle tracking, know your vehicle works for you.

Whitecap customers receive an exclusive offer to help reduce maintenance costs. Purchasers of Whitecap vehicles receive free tire rotations and free Multi-Point Vehicle Health Check up's for as long as you own the vehicle.
